

Love Rats 1312

Chapter 1312 Farce

Lady Lauren frowned, her tone turning cold. "Selena is not an unreasonable person. There's no reason for her to push you into the water on Grandfather's birthday."

"If you are not willing to talk, I can only ask Selena!"

Vivian heard the chill in Lady Lauren's voice and felt a sudden chill in her heart.

It was well known that Lady Lauren favored Selena greatly. Once Lady Lauren found out what Selena had said to her, she might become unhappy with her.

Vivian hesitated for a moment, but as soon as she saw Osvaldo approaching with Selena, who was holding hands with him, her hesitation vanished.

Vivian glared at their intertwined hands and said angrily, "Madam, even if I offended Miss Turner with my words, she had no right to murder me with such impunity!"

Although some people present did not approve of Vivian's behavior, Selena's actions were indeed too arrogant.

It was unreasonable for her to attack someone in broad daylight just because of a verbal conflict!

Immediately, everyone's gaze towards Selena was filled with fear and dislike.

"Madam, Miss Shaw is right. Although she was at fault first, Miss Turner's actions were too harsh!"

Did the Turner family's daughter just admit her **guilt**?

The group of people looked at each other **in confusion**.

Perhaps due to being proved wrong by Selena too many times, when they heard Selena say something like "admitting guilt," everyone had a *surreal feeling*.

Even Vivian herself was stunned for a moment.

After realizing what Selena had said, Vivian's eyes flashed with a hint of mockery, "Miss Turner, you admit so readily, do you think that the Turner family has enough connections to get you out of jail unscathed? Or perhaps you think the Shaw family is too afraid of the Turner family to pursue the matter to the end?!" She sneered, "Is it the Turner family's style to bully others and blatantly cover up the crimes of their *daughter*?"

Selena held a flower in her hand and looked at Vivian calmly, "Miss Shaw, you are overthinking things. This is between you and me, and has nothing to do with the Turner family or the *Shaw family*."

Vivian's eyes lit up with pleasure and her tone became more aggressive, "In that case, if I were to call the police right now, you wouldn't refuse to be arrested with the support of your family, *would you*?!"

Selena gave Vivian a strange look and asked, "Miss Shaw, are you really going to call the police?"

Vivian's face was full of cold laughter as she raised her chin and questioned harshly, "Are you threatening me?!"

Selena's expression became even stranger, "Miss Shaw, you are **overthinking things**."

Vivian coldly said, "I hope not!"
