

Love Rats 32

Chapter 32

“There’s no one for you to rely on.” Selena cut her words off again, her eyebrows arched, her delicate red lips lingering a touch of coldness, “Without any possessions, without a home, without anything.”

Leah’s body trembled heavily, her face turning white as she clenched her teeth.

She had been prepared to make a few casual remarks, since vows are not meant to be believed anyway.

Selena had already forced her to swear in public, so if she continued to be aggressive, it would seem unjustifiable.

But Selena once again acted unexpectedly, cutting her off.

Selena’s words sounded simple, but the downfall was spine chilling.

Live with no one to rely on.

It means that she lives in a world where she has no one to care for her and no one to rely on.

The fact that she has no one to turn to means that she will lose both parents and be separated from her family.

Without any property, she would lose not only everything the Riddle family has, but the talent and resources she has

Without a home, it means that she will not even have a home, let alone a husband and children.

A life like that is truly a life of nothing!

What a vicious vow.

But on the contrary, Selena, who said these words, had such a light tone, as if she was just saying a given fact.

Leah finally couldn’t help it and looked at Selena with a glint of anger in her eyes.

Selena glanced at her condescendingly with a smile on her face.

The real Selena was forced by them to lose her life. Who is more vicious than Leah?

She had gotten Selena killed, so naturally she wanted to make Leah’s life worse than death and make amends for that soft and kind girl.

The crowd looked at each other, but they didn’t see any problem.

Firstly, Selena is good-looking, and every move she makes is extremely pleasing to the eye.

Secondly, as long as Leah really didn’t have that intention, did she need to care what the content of the oath was?

Selena’s mother died early, her stepmother was such a vicious nature, her fiancé canceled the wedding, and she was

thrown out of the house, and now she can be considered truly notorious and worthless.

Even Selena could suffer, why not Leah?

Thinking that there was no room for refusal, Leah pinched Molly's arm to stop her emotions.

She took a deep breath, clenched her fists, and the words that had risen to her throat turned into, "If I covet the shares left behind by Selena's mother, let me live in the future with no one to depend on, no possessions, no home!"
