

## Love Slave 144

### 144 Intense Passion

I relished at the pleasure of being stretched and filled by him. He made me feel so complete and the heat of his cock made me feel so warm inside. After letting me enjoy the sensation of us completely joining for a short moment, Ace reared his hips back before he started pounding his cock in and out of my hole. I cried out as my hips automatically began moving along with his, pumping his cock faster and harder in and out of my pussy hole.

His name left my lips in an impassioned cry of pleasure and lust as our loving became maddening. His cock felt hotter and even bigger inside of me. I felt him so much deeper inside than before and that made me certain that his cock had expanded inside of my love tunnel. Ace withdrew his cock almost all the way out of my hole before ramming it back inside as I cried out like I had lost my mind.

“Harder...please...fuck me harder!” I cried out boldly as I lifted my hips off the bed.

His large hand slipped under my ass and cupped my buttocks. Ace kept my hips lifted off the bed before angling my pussy hole where he wanted it.

“Your pussy keeps on sucking in my cock...” Ace groaned as he continued fucking my pussy hole

His cock plundered into my wet depths. His thrusts borderline savageness as he kept on pumping his thick and gigantic cock into me. My body writhed uncontrollably as the intense heat of my desire burned hot in my throbbing core.

“I’m cumming! Ace...I’m cumming...” I cried out as my climax suddenly took over me.

I came crying his name as the intensity of my orgasm shook my entire body. My pussy clenched hard around his cock. Ace did not stop pounding his manhood into my wet hole. In fact, he rammed his cock faster into me from various angles while I climaxed off his cock. It felt so good. Sex with Ace was the best. He made me reached even higher heights.

“Rina...I’m going to cum so much inside you...” Ace groaned seductively.

.....

I could feel his cock getting hotter inside of me as it began to twitch. The way he pumped his cock in and out of my hole told me that he was close to his release. Ace moaned my name a few times before he growled loudly.

“Rina...” he growled my name one final time at his release.

“Ahh...Ace...cum inside me...” I purred seductively as I wrapped the walls of my pussy around his cock lovingly.

Ace thrust his thick rod all the way into my pussy hole a couple more times as he groaned loudly before I felt his cock twitching. A soft moan of satisfaction escaped my lips when I felt his heat fill me up deep inside. His warmth spread all over my lower abdomen as his cock shot his hot raw seed deeply into my womb. I wrapped my arm around his sweaty back as he continued to fill me up with the heat of his release.

“Don’t worry, Rina. I’m here for you...” Ace whispered close to my ear before he placed a soft kiss against my temple.

I smiled at his calming words and the loving tone in his voice before I nodded my head slightly.

.....

Fortunately, the following day was a Saturday and that meant that we didn’t have to head to the office for work. My mother did not rejoin us early in the morning although I knew that she was already up and about. I thanked her silently for her consideration because I didn’t want her to see Ace and I tangled up with each other on my narrow bed.

Although the weekend managed to save us from having to face the entire workforce hired at Jessen’s and Hill’s, it didn’t save us from the pressure of the Board of Directors. Reality didn’t give us much of a break.

I woke up the sound of Ace’s phone vibrating. My heavy eyelids and sore body told me two things. One, it was still very early in the morning. Two, we probably had a little too much sex last night.

“Hello...” Ace muttered when he answered the call.

The call woke me up mentally and my mind tried to focus on what Ace was saying. I couldn’t figure out at first who he was talking to. Ace’s face was an unreadable cold mask and that told me beyond words that the call wasn’t about something good. That was to be expected. Miracles don’t often happen, and life did not fix itself overnight like I had wished for.

“You want to me go over? Today?” Ace asked with unconcealed annoyance.

It made me even more curious about the identity of the call.

“I’ll go if I can bring her along. You should meet her,” Ace said emotionlessly.

The way his hazel eyes glanced over at me told me that the ‘her’ that she was referring to was none other than me. Where are we going and who are we going to meet?

“See you in the afternoon...ok...” Ace agreed without much enthusiasm.

Without saying any more, Ace hung up the phone and tossed his mobile phone on the bed. I opened my mouth to ask him what was going on but before I could voice the words, Ace had already grabbed me and pushed me back down onto the bed. The softness of the mattress pressed against my back and then he was on top of me.

“Ace...” I whispered his name with a mix of shock and surprise.

“I want to fuck you all day today...” Ace whispered with his face buried in the side of my neck.

I also wished that we could spend the entire day in bed in his arms so that I wouldn’t need to face the harsh and complicated reality of my life right now. However, running away from my problems wouldn’t solve them. I was no longer a coward either, so I knew that it would be better for all of us if we faced our troubles head on.
