

## Love Slave 158

### 158 A Quick One

The desire burning in the depth of his eyes as he stared down at me told me exactly what he had in mind. However, we were in his father's house, and I wasn't sure if this was the right place and time for something like that.

"Ace..." I murmured his name as I hesitated.

Unlike me, Ace wasn't hesitant at all when he carried me up into his arms and began walking towards the destination that he had in mind.

"Where are you taking me?" I asked with slight panic.

"My bedroom...or should we just do it here?" Ace asked and I knew that he wasn't joking about both possibilities.

"Let's...go to the bed..." I mumbled my reply shyly.

It didn't seem like not doing was a viable option. When walking around I got so absorbed in his office that I didn't get the chance to explore the other rooms at all. It wasn't surprising that he had a bedroom in his part of the mansion; however, it felt like I was entering another part of Ace's world and that made me feel strangely excited inside.

When we arrived at his bedroom, Ace carried me in through the doorway before kicking the door closed behind us. My eyes instantly darted around to take in the surroundings of his bedroom. To my utmost disappointment, the room had no signs of Ace at all. There wasn't anything there that could give me more clues about the person that he was or what he was like. Perhaps because he hasn't used this room for a long time, the room was just a well-kept and clean bedroom with luxurious decorations.

Ace placed me gently down onto the king-sized bed. The passion in his hazel brown eyes was as intense as ever as he looked down at me as if he was about to devour me right then and there. My body started to tingle as my desire for him swirled and settled in the pit of my lower abdomen.

.....

"I don't think we should..." I murmured softly while trying to break out eye contact.

"Then let's make it a quick one, shall we?" Ace said teasingly.

Obviously, I knew deep down that he wasn't willing to take no for an answer. When his large hand reached for me, I could feel the urgency of his need and that turned me on even more than before. I loved it when he needed me so desperately like this. My body began reacting to his seductive caresses as his large hands cupped my breasts over my clothes.

"Ahhh...Ace..." I moaned seductively.

"I want to fuck you now," Ace admitted lustily.

His large hands traced it way down my body as his hungry gaze followed the motion of his hands. His intense gaze travelling along the curves of my body made me even more conscious of my desire. I

whimpered and moaned softly at the pleasure of his hands caressing my curves through my clothes. Ace's hands impatiently pulled up my skirt to expose my thighs to him. Things were indeed moving very fast, and I found that very exciting.

"Come here..." Ace muttered as his hands grabbed my legs.

"Ahh!" I let out a small cry when he pulled on my legs, dragging my hips towards the edge of the bed.

Instead of getting on the bed with me, Ace stood at the side of the bed. With his passionate gaze on me, his hand quickly moved down to unbuckle his belt and unzip his pants. My eyes immediately lowered to take in the bulge in his pants. He must be so big and hard already.

I gasped at the size and thickness of his cock when he finally freed the beast from his clothes. My pussy quivered as my eyes took in his impressive erect length. His cock was already so massive and standing up proudly in between his legs. I didn't have much time to marvel at his virile manly asset when his hands returned to my thighs.

"Let me get this off you," Ace said as his hands impatiently pulled down my panties.

Soon the undesired garment was removed completely from my legs. Ace bent and then lifted my legs up onto the bed and spread them widely open. I moaned at the sensation of my pussy being stretched wide open, completely exposing myself to him. Ace stood in between my legs while I waited to feel his heat inside of me. Just like he had admitted before, he was going to take me right away. I knew that it was going to be a fast and intense round of desperate lovemaking.

"Ahhh...your cock is so hard..." I moaned at the sensation of his cock sliding against my wet opening.

My pussy was so flooded with my juices that our sex rubbing against each other's made lewd wet sounds. Ace stroked his cock up and down my throbbing wet slit without entering me. His cock slid against my wet opening smoothly as my love honey coated the entire length of his cock. Ace groaned softly and I could tell from the sexy erotic look on his face that he felt good as well.

"Put it inside me...please..." I begged sweetly as I used my hands to hold my legs open for him.

"My girlfriend is so demanding. I really like it..." Ace murmured seductively.

His hand guided his cock to my wet love hole, and I let out a satisfied sigh when I felt the heat of his cock position itself in between the folds of my pussy. The thick head of his cock settled at my pussy entrance for a moment before Ace thrust his hips forward suddenly, burying his cock all the way into my wet cunt in one powerful thrust.

"Ahhh! So...rough..." I cried out and moaned.

My eyes widened and I immediately started to pant as my body began moving uncontrollably. My hips bucked before grinding and lifting up from the bed to ride his cock. His cock felt so hot and thick inside of me and it gave me so much pleasure. My hips thrust up and down as my pussy hugged around his cock tightly all the way inside of my love tunnel.
