182 Pleading to Have Me

Ace lowered his head further and soon I felt the wetness and heat of his mouth engulf my nipple. My hands immediately cradled the back of his head as I ran my fingers through his dark hair. His hair was wet from the water spraying on us from above. His mouth on my nipple felt so hot and so much more pleasurable than his fingers from earlier.

Ace's tongue immediately went to work to pleasure me even further. He licked my nipple in circular motions before flicking his tongue against it. The texture of his tongue rubbing against my sensitive nipple made me cry out his name. I thrust my chest closer towards his face as I begged him with my body to suck on my nipple. That was exactly what he did.

"Ahh! Oh...Ace..." I moaned as I closed my eyes in bliss.

All I could focus on was the pleasure that he was making me feel. My mind felt completely blank, and my body felt like it was floating in heaven already and all he had done was play with my breasts. His hands stroked its way down my back to play with the small of my back before stroking tenderly up and down the sides of my waist.

"Ace..." I whimpered his name.

His caresses got bolder and bolder, and I could tell that showering me wasn't something that was on his mind anymore if it ever was in the first place. His hand cupped my buttocks before squeezing them playfully. The sound of my harsh breathing echoed around us along with my moans as his hands slowly slipped down to caress my thighs.

"Let's go to the bed...please..." I pleaded.

Ace didn't respond to me. Instead, he turned my body around and hugged me to him from behind. The way Ace pressed his hardness against my ass told me that he couldn't wait that long. He kissed the side of my neck, and I felt my knees go weak. He wrapped his arms around my waist before pulling my body tighter against his. I felt his hardness rubbing against my ass crack as he began grinding his hips against me. His cock was already so hard and so hot.

"Let me do you here..." Ace murmured close to my ear.

.....

His heated breath tickled my ear and filled my senses with his desire. I turned my head around and my gaze met his and then it felt impossible for me to deny him.

"Ace..." I mumbled his name while I hesitated a little.

"Please, Rina...let me do you here..." Ace pleaded sweetly.

I had never heard him use such a pleading tone with me before. It sounded very strange to my ears and very out of character for Ace. However, I found this change to be quite adorable. As if he could sense the shift in my attitude, Ace urged me closer to the wall.

“Place your hands against the wall, Rina...” Ace instructed.

He reached for the sides of my hips as I bent slightly over as he positioned himself behind me. I let him adjust my position so that my ass would be where he wanted it. My pussy was throbbing with need and dripping wet from the juices of my arousal by that time. The water continued to fall on us from above; however, I was able to hide away from the water from being quite close to the wall.

“Your pussy is so wet. I can’t wait to fuck you, Rina...” Ace murmured a moment before he positioned the thick head of his erect cock at the opening in between my legs.

His cock felt hot against my pussy lips. My pussy clenched wildly, and he hasn’t even entered me yet. I braced myself for the impact of his thrusts. I knew that there was no way that Ace could be gentle given how turned on he was. Although he seemed to be pretty sober, I wondered how much of this was a result of the alcohol that he had consumed earlier.

His body felt unusually hot and so did his cock. I felt his hands spreading my ass cheeks and my pussy hole stretched from the impact. Suddenly, Ace thrust his hips forward and plunged his cock deeply into my hole. His entry was forceful, and the size of his cock stretched and force its way into me. It felt amazingly pleasurable, but his thrust was far from gentle.

“Ahh! Ace...it’s so rough...” I couldn’t help but complain.

“Rina...your pussy feels amazing. It’s so tight...” Ace groaned.

I was right when I thought that there was no way that he could be gentle. Immediately after shoving his cock into me, he reared back before pounding his thick rod repeatedly in and out of my hole. He moved so fast as his hips slapped against my ass. His cock dived into my wetness and our sex made lewd wet sounds echo loudly all around us along with our lustful cries.

His cock felt so thick and so hot inside of me. I couldn’t stop my pussy from clenching hard around his cock as he rubbed his length against the sensitive walls of my pussy. It wasn’t long before Ace began thrusting into me in the angle that he knew that I enjoyed. The thick head of his cock hit against the pleasure spot deep inside of my love tunnel expertly.

“Ahhh! Ahhh! Yes!” I cried as my body rocked from the impact of his strong thrusts.

It felt so good. Ace hugged my waist and pulled me closer to him as he continued to ram his gigantic member in and out of my sopping wet hole. His cock hit against my womb, and I felt like I was about to lose my mind completely. The echo of my cries was deafeningly loud; however, I could no longer stifle and control my moans.

Ace had amazing stamina. No matter how many times he pounded his cock into me, he showed no signs of stopping. The pleasure and heat that had been building inside of me started to become too much for me to handle. I could feel my orgasm approaching and I couldn’t wait to enjoy the bliss of my release.
