

Love Slave 20

20 Desire Takes Over

After that, Kyle impatiently tore open the front of my blouse sending the tiny buttons flying to expose my chest to him. He unhooked my bra and peeled the cups from my breasts before he started groping both my breasts. I moaned with ecstasy as his hands kneaded my breasts firmly, my nipples standing erect and rubbing against his hot palms. He kissed me again as I impatiently tore his suit from his body and then his tie and white shirt.

The sight of his naked upper body was so beautiful and sexy. His muscles were firm and beautifully sculpted, it was clear that he had been working out regularly to maintain his figure. I ran my hands along his hard chest muscles, brushing my fingertips teasingly on his hard nipples causing him to close his eyes and moan softly.

His moan was so sexy, and it turned me on even more as I felt my body getting hotter for him. I squeezed my thighs together as desires stirred in between my legs. There was a pleasurable ache waiting to be fulfilled in my lower abdomen and I felt a hot wetness gushing out from my love tunnel. I wanted him. I wanted Kyle so badly.

"I'm sorry, Rina but I can't wait anymore...I need to be inside you now," Kyle panted thickly with lust, and I saw the same need I felt reflected in his eyes.

I nodded my head a few times in understanding. My pussy throbbed with need for him to fill me as well. I couldn't wait to feel his cock inside of me. The thought only made my pussy clench and quiver even more as it poured out more wet juices onto my panties.

"Please take me," I replied bluntly as I grabbed his hips, bringing it closer to grind against mine. I felt the hardness of his erect member through his pants as we grinded our sex together. The hardness of his cock rubbing firmly against my pussy and I couldn't wait to feel it inside of me.

"Turn around and put your hands on the wall...I don't think I can be gentle with you, though," Kyle said as he took out a condom and began tearing it open seductively with his teeth.

The look of raw passion in his blue eyes as he looked at me told me beyond words how much he wanted me. I stared deeply into his eyes as he slowly tore the pack of condom. A sensual smile formed on my lips before I turned my back towards him and placed my hand on the wall as he had instructed. I bent down and stuck out my hips, thrusting my ass up a little towards him invitingly.

"Please hurry," I pleaded with my body turned around and bent over with my hands on the wall as he had instructed, pushing my ass upward slightly to grant him easier access.

.....

I felt his impatient hands pull up my skirt until it pooled around my waist, completely baring my ass to him. His large manly hands stroked my round bottom and squeezed it teasingly before he pulled down my panties in one smooth motion down my legs.

I kicked it away from my ankle so that it wouldn't get in our way. I felt his hand sliding up the insides of my thighs and I clenched my wet insides in anticipation of what was surely to come. I closed my eyes

and let out a loud moan when his fingers finally found and caressed my flooded opening. Up and down, he caressed my wet slit with his exploring fingers. The repeated motion gave me indescribable pleasure as Kyle continued to stroke the wet slit in between my thighs.

“You’re already flooded down here...” Kyle whispered his observation into my ears seductively as he leaned against my back.

I felt rather saw the thick head of his cock lodge itself at my sopping wet entrance as he prepared to penetrate me. My eyes closed as my lips parted slightly while I panted in anticipation of his thrust. I wanted to become one with him so badly.

“Ahhh! Kyle!” I screamed loudly as he entered me in one hard and deep thrust.

He was huge, much bigger than I had anticipated, and judging from the fact that he was still pushing deeper into my hole, he was also very long and thick. His member felt deliciously satisfying inside of me as it stretched my entrance and stroked my pussy walls. I couldn’t stop myself from moaning as my lust took over in full swing.

I rocked my hips backwards against his hips to take him in deeper inside of me. Without pausing, Kyle continued to plough his large love pole into my wet sopping hole until he was buried all the way inside to the hilt. His enormous cock filled and stretched me and it felt amazing. It felt so good to have his cock buried deep inside of me and he hadn’t even started thrusting yet. After a moment’s pause to allow me to adjust to the shape and size of his cock, Kyle reared his hips back, withdrawing his cock from my love tunnel before he rammed his hot rod back into me again.

“Ahh! Ah! Ahhh!” I let out passionate cries to match the rhythm of his fast and wild thrusting as he pumped his cock in and out of me.

Kyle’s hips jerks and grinded against my ass as he thrustured wildly into my flooded hole. The sounds of our lovemaking filled the hotel room as he both moaned and cried out in pleasure. Wet sounds of his large cock stirring up my melting wet insides echoed throughout the room as our flesh slapped hard against each other. Kyle groaned from behind me as his thrusts intensified. My body rocked in rhythm to his wild cock screwing itself deeply into me from behind.

My pussy clenched tightly around his thick shaft as it squirted even more love juices to coat his cock. I moaned and cried out his name as his thrusts hit me deeper and deeper inside until I felt the impact of his thrusts against my womb with each powerful stroke.
