

Love Slave 257

257 Complete Satisfaction

"I understand that you don't trust me, but unlike Elizabeth, Kyle is not someone that can be trusted at all. I don't want you near him. Promise me that you won't contact him again. Can you do that?" he asked sternly.

I didn't quite understand why he was being so serious and pushy about it. At least he wasn't showing just how mad he was at me for meeting up with Kyle behind his back. Maybe he was jealous because I used to date Kyle before, but something told me that it was something perhaps beyond just that.

"Fine. I promise..." I said in resignation.

"Thank you, Rina..." Ace murmured sweetly.

I couldn't help but smile a little when he pulled me closer to him and placed a soft kiss on my forehead as if that was a little reward that he wanted to give me for making that promise to him. Our eyes met when his face parted from mine a little. I could see and sense the desires in the depth of his hazel eyes and that told me that the night was far from over.

Ace kissed the tip of my nose softly before his lips moved lower to capture mine in a rough and demanding kiss. His lips melded onto mine before I felt the tip of his tongue probing against my lips. I moaned softly as I surrendered myself to the pleasure of his kiss, my lips slowly parting to accept the entry of his wandering tongue. His heat and taste filled my senses as his tongue thrustled firmly into the depth of my mouth. My tongue eagerly met with his and soon our tongues were engaged in a fervent dance that portrayed our desire.

His hands moved to grope and cup my breasts while I whimpered blissfully into our hot and wet kiss. Ace squeezed and massaged my breasts until my entire body felt so hot as my desire for him grew inside of me. His hands proceeded to stroke its way down the curves of my body down from my chest to my waist and then my hips.

"Straddle me here..." he urged as he grabbed the sides of my hips to help position me the way he wanted on top of him.

Looking down at Ace from this angle wasn't a bad view at all. He looked like a wicked little angel sleeping in bed as I looked down into his face. His large hands stroked and caressed the sides of my hips and that managed to draw another moan from my lips. My core throbbed with my burning desire for him, and I knew that my pussy had gotten wet again with longing. Ace was so skilled at seducing me as always. So much for his talk about us going to sleep for the night.

.....

"Ace..." I murmured his name questioningly.

"Are you too tired?" he asked with some worry in his tone.

"I'm fine..." I replied a little shyly.

"Take the lead, Rina..." Ace said encouragingly.

He took my hand and guided it to his thick and erect member. His cock was already so hard, and it felt hot in my hand as I began stroking his massive length. Ace closed his eyes and sighed from the pleasure of my touch for a moment before he opened his eyes again. I could see desire swimming clearly in the depth of his hazel eyes as I moved my hand up and down his thick shaft faster and a little harder. His cock started growing in my hand and I was amazed at how much it could expand.

My pussy throbbed with need as my eyes took in the sight of my hand moving up and down his thick love stick as I pumped it. Ace's hips began moving on the bed, thrusting upwards towards my hand. His cock twitched around in my hand, and I could feel its virility.

"Put my cock inside you, Rina..." Ace instructed as if he couldn't wait any longer.

I was about to tell him that I couldn't wait any longer to feel his hard and hot dick inside of me. A soft moan left my lips as I spread my legs a little further apart before positioning my pussy opening above his cock. Slowly, I lowered my hips down towards him as I positioned the engorged head of his cock at my sopping wet entrance. I whimpered his name when I finally felt the heat of his cock lodge itself at my opening.

"Ahh...Ace...Ahhh!" I moaned and cried out his name as I began lowering my hips down onto his cock.

The lips of my pussy spread open as his thickness stretched my entrance and began penetrating up into my pussy hole. His cock felt so hot against my pussy, and it felt so hard as his cock continued pushing upwards into my love hole. I lowered my hips further down to take even more of his length inside of me. The feel of his solid massive pole sliding slowly against the sensitive walls of my pussy made my legs feel weak and I began to wonder if I would have enough strength to ride him the way that I knew that he expected me to.

Ace's hips thrust sharply upwards, ramming his cock all the way into me in one forceful thrust that left me screaming from the sudden waves of pleasure that exploded into my core at his entrance. I sat skin-to-skin with Ace with the entire length of his cock buried all the way into me. The way his thick love stick stretched and filled my love tunnel felt so fulfilling and satisfying. It was like he had filled up the void inside of me completely and now we were one and complete.

"Ride me, Rina. Come on..." Ace urged seductively.

His hands tightened around the sides of my hips as he urged me to move. I nodded in acknowledgment before lifting my hips. His cock slowly stroked along the inner walls of my pussy as it slid out of me.
