

Love Slave 266

266 Hungry for Me

“No need. I’m just not hungry...” he replied.

“Are you sure?” I asked with worry.

“Yes, I’m sure...” he replied immediately.

“Are you stressed about something?” I asked with my best guess.

If it wasn’t the food, then it had to be his lack of appetite. I should have reached that conclusion the moment that I saw him staring out at the view of the city with a thoughtful look on his face. I wanted to know what he was thinking of and what seemed to be troubling him.

Was something not going well at work?

“Rina...” he called my name softly.

“Wait...” I murmured when I saw the world flip over.

I gasped when I felt the softness of the sofa against my back and then Ace loomed over me and blocked my field of vision. My heart began racing painfully fast in my chest when I saw the unmistakable look of desire in his hazel-brown eyes.

.....

“Ace...” I whispered his name, and his hand began stroking the side of my thigh over my skirt.

He buried his face into the side of my neck and began kissing me there. I gasped and then whimpered softly at the pleasure of his seductive kisses. His teasing kisses quickly turned into soft sucking. Ace truly knew where all my sensitive spots were and he was using that knowledge for his own benefit. I moaned louder when he sucked harder on the soft skin of my neck.

It’s going to leave a mark...

“Ahhh...Ace...” I moaned before whimpering his name.

His hand continued stroking my thigh before sliding upwards to cup and stroke the side of my hips. My body began responding to him as my hips began moving beneath him.

“Can I eat you instead?” Ace asked although it wasn’t really a question.

Before I could reply to him, his lips had already captured mine and I found myself moaning into his demanding kiss. His lips brushed against mine teasingly a few times before he crushed his lips firmly onto mine. His hand stroked the side of my hips as he pressed some of his body weight against mine. I made small whimpering sounds in my throat as I felt the pleasure of feeling his body against mine. His body heat seemed to seep into me and it made me want to be even closer to him.

“Ahh...Ace...” I moaned his name as my desire started to take over me.

I was already so turned on by him and my body was reacting to his sweet seduction without any reserve. It had been a while since we had sex here in the middle of the day and it seemed like my body was eager to experience the joy of it again. As he continued entwining his tongue with mine, I was reminded of the first time that he seduced me right here in this room.

“Oh...Ahhh...” I let out a soft cry before I went back to moaning.

The thought of feeding him lunch and making sure that he ate properly quickly went out the window as my mind focused purely on the pleasure and desire that he was making me feel. He changed the angle of our kiss before his tongue thrustled firmly into the wet depths of my mouth. I moaned into our kiss before I began kissing him back in wild abandon. My arms wrapped around his neck and pulled his face down on top of mine. Our tongues moved fervently against each other as our kiss deepened even further.

His hand moved up to cup my and tease my breast as his other hand continued paying loving attention to the curve of my hip. I moaned and closed my eyes at the pleasure of his large hand squeezing the soft flesh of my breast. My chest thrustled upwards invitingly as my body silently begged for him to play with my sensitive breasts. I opened my eyes to see Ace staring at me and I felt his lips curve into a smile before he withdrew his tongue from my mouth.

I was a panting mess by the time that he broke our kiss. My lips felt swollen from the deep kisses that we had just shared. His fingers were on the buttons of my shirt as he undid them. I moaned and thrustled my chest up invitingly when he parted the fabric of my shirt to reveal my upper body to him. It was a good thing that I had chosen some sexy underwear for the day. I didn't think that I would get to make love with him but it was always better to be prepared. Perhaps a part of me had wished that something like this would happen.

“Ahh...Yes...” I moaned before I gasped from the intense pleasure of his hands cupping my breasts over my bra.

He played with my breasts over my bra for a moment before peeling the cups away to reveal my naked breasts. I moaned louder as the pleasure of his seductive massage intensified. The heat of his hand on my naked womanly mound felt unbelievably blissful. My entire body trembled, and my nipples immediately hardened.

“Ahh! Ace...” I cried out when he buried his face in between my breasts.

I could feel his hot breath between my breasts as his hands moved to pump my breasts at the same time. His touch felt hotter and much rougher than a moment before. I looked down to see my breasts molding to the shape of his hand as he squeezed them firmly and over and over again. My core throbbed with heat and yearning as I felt my love juices leaking out of my pussy to wet my panties. My hips wouldn't stop moving as my body burned hotter with the heat of my desire for him.

His hot and wet tongue began licking the soft and tender skin in between my breasts as his hands moved to pleasure my breasts a little roughly. My nipples brushed against the palm of his hand and hardened even more than before.
