

Love Slave 268

268 Until He was Satisfied

"Lift your legs and hold them for me, Rina..." he instructed.

I lifted my spread legs and held it up for him so that he could penetrate me even deeper than before. It already felt so deep, but the new angle only worked to heighten our pleasure. My pussy was flooded with my juices, and I could feel myself getting wetter and wetter as he continued thrusting his gigantic shaft into me. Every thrust sent me to heaven and then back again. It felt like I was ready to climax each time his cock hit against my womb.

"I can't...Ahhh! Ace...I'm cumming!" I cried out when I felt like I was about to lose my mind.

My climax rose to claim me so suddenly that I was shocked. Ace didn't give me a break as he continued pounding his cock into me. If anything, he started moving even faster than before as I squirted my release onto his cock. My pussy spasmed uncontrollably around his cock as I closed my eyes and let my climax take control of my body and mind.

"Ahh..." I whimpered when I felt Ace's cock sliding out of my pussy.

His juices poured out of the slit in between my legs as he withdrew his cock from me. I panted hard as I tried to recover from the aftereffects of my mind-shattering climax. Sex with Ace always felt so good. He made me such a greedy girl by teaching me so much pleasure. He made me want even more of him like I was addicted to his love.

"Can you stand?" he asked seductively.

I knew that he didn't want to leave just yet and that could only mean that he wanted to take me from behind. My pussy quivered at the thought of his thick rod ramming into me from a different angle that I knew felt so good. However, I wasn't sure if my legs could take it after having just come that hard.

"Umm...I..." I murmured hesitantly.

.....

"Just turn over and face that way," Ace urged.

I was glad that he was willing to adjust the position for me. Slowly, I positioned myself the way that he wanted. Using the sofa to support me helped a lot. I leaned my upper half on the sofa as I stood on my legs and lifted my ass up for him as he stood behind me. I could feel his presence close behind my ass before I felt the heat of his hands pulling my panties over my hips and down my legs.

"You're so wet..." he groaned from behind me.

I whimpered as I tried to steady my body when I felt Ace positioning his hips behind me. Soon, I felt his hardness pressing up against my ass before he positioned the thick head of his cock at my throbbing opening.

"Ahh! Ahhh!" I screamed so loudly when he pounded his cock into me.

This angle feels so good...

His hips moved aggressively, pumping his cock in and out of my hole from behind. His hands held my hips steady and made sure that I lifted my ass. His cock moved fast and hard inside of me while I cried out from the pleasure that took over me each time his cock screwed itself into me and filled my pussy up. His cock felt so hard, and this angle made his cock hit harder against my womb.

"You're screaming so much. Does it feel that good?" he asked needlessly.

"Ahh...so good...Ace..." I managed to answer to him in between my lewd passionate moans.

His cock slapped into me as he began moving faster. Immense pleasure flooded my senses and my body and it soon became too much for me to take. It felt like his cock would split me and the pleasure he made me feel would end up killing me. It didn't take long for me to lose myself to my intense orgasm again. I came crying out his name before my mind went blank.

"I'm going to cum so much inside you, Rina..." Ace hissed close to my ear.

His hips jerked forward, and his cock pumped deeply into me. My eyes opened wide in shock at how deep he was hitting me. Ace was groaning louder now as he sprinted towards his release. I was sure that my pussy would be sore after he was done with me. After a short while of screwing his cock in and out of me fast and hard, Ace finally came inside of me. I clenched my pussy around his throbbing cock as he shot his hot load into me. His heat flooded into me as his cock spurted his seed deeply into me. I whimpered as I felt him filling up my womb with his seed.

"Ace..." I moaned his name softly as my head grew lighter than before.

...

My pussy already felt sore, and we haven't even left the secret little room yet. I worked hard to adjust my clothes as best as I could. We both still had to work in the afternoon, and I couldn't go back out there looking like a mess. My clothes were quite wrinkled but there wasn't much that I could do about that besides trying my best to smooth out the fabric with my hand. I pulled up my panties and adjusted my skirt.

"Don't you have a meeting around now?" I reminded him.

I turned to face Ace who was sitting idly on the sofa. He seemed completely happy and relaxed. The look of concern was now gone from his face. I grinned a little to myself when I thought that it was a good thing that sex could help ease his stress even if it was just a little.

"Do I?" he replied without a care.

"Yes, you do..." I confirmed.

"Maybe my beautiful secretary can call in for me?" Ace asked before flashing me a charming smile full of hope.

"No. Please just go to your meeting, ok?" I pleaded.

Ace didn't seem pleased with how I was acting. That didn't mean that I was naturally going to back down. Instead, I crossed my arms over my chest and stared down at him.
