

Love Slave 296

296 Need for Him

I could feel my nipples hardening even further as he continued to tease and play with them. My core throbbed with heat as Ace's skillful fingers pinched and tugged on my swollen nipples. It felt so pleasurable that I couldn't hold in my moans and ended up moaning loudly before crying out his name. The ache in my lower abdomen grew more intense as my hips began writhing on his lap. I could feel my pussy getting wetter and more sensitive.

"Ahh...Ace..." I moaned his name even louder than before.

My hips wouldn't stop moving as it ground my pussy against him. Ace must have sensed my heightened desire because his fingers pinched my nipples sharply, making me cry out his name. I was panting hard by that time and my body felt so hot like it was burning. I whimpered when I felt another wave of wetness slowly easing out from the wet slit in between my legs. My pussy wouldn't stop twitching as desire flooded my entire body.

"Kiss me, Ace..." I pleaded as I offered my lips to him.

I moaned into our heated kiss the moment that his lips captured mine. My lips immediately parted for him invitingly and then his tongue slipped smoothly into the wet depths of my mouth. His tongue teased mine and I kissed him back with wild abandon. His tongue moving against mine felt so hot and that only made me want to feel even more of him. I wanted to be closer to Ace and ended up wrapping my arms around his neck and pulling his face down onto mine so that his lips would crush firmer against mine.

Our tongues moved wildly against each other's in a passionate dance that only made my body burn hotter with my desire to become one with him. My hips writhed against him as his hands continued to knead and massage my breasts. It felt so good but I also wanted more from him. I was panting hard by the time that he finally broke our kiss, and my mind was in a complete daze. I sucked in a breath when his hands slowly traced their way down the curves of my body from my breasts down to my waist and then even lower.

"Ahhh..." I moaned with extreme satisfaction when I felt his hand burying itself in between my upper thighs.

I sat up on my knees and lifted my hips a little before spreading my legs to grant his hand easier access to my throbbing wet pussy. A wave of bliss washed over me when I finally felt Ace's exploring fingers pressing up against the hot wet mess in between my legs. I closed my eyes and moaned at the exquisite pleasure of finally being touched there.

"Your pussy is flooded. I guess you really want this..." Ace murmured.

.....

I nodded my head before all I could do was moan from the pleasure of his fingers moving against my wet opening. His thick and long fingers skillfully stroked along my wet entrance as my hips rocked against them in an attempt to feel even more pleasure. His fingers felt so hot against my pussy opening, and I wanted to feel them thrusting deep inside of me.

"Ace...please..." I pleaded sweetly.

"Can't wait anymore?" Ace asked knowingly.

"Ahhh...yes..." I moaned as I let the pleasure throbbing inside my core take over.

Ace had thrust a finger upward into my sopping wet hole and made me moan from the satisfaction of being filled. His finger began moving teasingly inside of my wetness as he felt around my insides. I could feel his finger rubbing against the sensitive walls of my pussy and my hips began moving and rocking as my pussy clenched hard around his finger.

"It feels very hot inside of you today..." Ace said observantly as his fingers continued wriggling inside of me.

He was driving me crazy with my desire for him. I knew that he was teasing me and that he was enjoying himself immensely at my expense. Ace had given me just a taste of pleasure and that made me yearn for so much more like a greedy little girl.

"Ace...please..." I pleaded again as I felt tear sting the back of my eyes.

"What do you want, Rina?" he asked as if he didn't know what it was that I truly wanted.

"Please...put another finger...inside me..." I managed to say as I felt heat rush to my cheeks.

"Like this?" Ace asked innocently.

"Ahh...yes..." I moaned before biting hard on my lower lip to control the waves of pleasure that flooded my pleasure hole at the entrance of his other finger.

Ace thrust another finger inside of me and I moaned at the familiar sensation of my love entrance being stretched open. His fingers thrust deeply into me and made my pussy quiver. I could feel my pussy getting wetter for him when he started thrusting his fingers in and out of my hole. My hips began moving in rhythm to the wild thrusting of his fingers as I moaned and cried out his name. The pleasure was driving me wild with lust as his fingers moved to unravel the tight knot deep inside of my throbbing core.

It didn't take long for him to find the pleasure spot deep inside of me and began thrusting sharply against it. I bit down on my lower lip and moaned as my entire body writhed from overwhelming pleasure on his lap. I could feel Ace's intense gaze on me as he watched my every reaction. His fingers buried itself deep inside of my wet love hole as he thrust faster and harder against my pleasure spot. I cried out his name and threw my head back as I felt my orgasm fast approaching.

I'm about to cum already...

"Ace...I'm gonna cum...Ahhh!" I cried out as I felt like I was on the verge of losing my mind completely.

His fingers messed up my insides and flooded my love tunnel with heat. It felt like my insides were about to melt from the seductive touches of his fingers moving inside of me.
