

Love Slave 68

68 Partners in Desire

I squeezed her breasts a little faster and rougher and she cried out louder. My loins throbbed with desire as my cock got hard. I could feel my member growing harder and bigger in my pants as I continued to pleasure her breasts before pinching and playing with her hardened nipples.

“Ahhh! Yes!” she cried out when I pinched her nipples hard.

She was enjoying herself a little too much for someone who was supposed to be drunk. Although I knew that she was reacting like this because she had lost all control over her body and her desires, I couldn’t resist giving her what she so badly wanted. Then there was also the fact that she was currently heartbroken. This was probably the way that she wanted and needed to be comforted right now, I thought as I watched her bite on lower lip before letting out another lewd moan.

Her hands started caressing my arms before she lowered her hand to pull up her skirt. She lifted her hips off the bed and in one swift moment, she pulled up her skirt to reveal her thighs and her lacy panties. My body froze in shock while Karina swiftly removed her panties from her legs. Then she spread her legs and my eyes were naturally drawn to her pussy like moths to a flame.

My loins tightened and my cock throbbed with even more desire for her as my eyes stared at her pussy. Karina moaned softly and I immediately imagined her moaning and crying out my name as her body writhed under mine, thrusting her hips wantonly against mine as I thrust my hard cock fast and hard into her wet hole.

That thought was extremely dangerous and so were my undeniable desire for her. When I carried her to this room, I never thought that we would get this far. Neither did I imagine that Karina would be this sexy in bed. She really was a temptation that was hard to deny.

I took in a deep breath as I fought with my internal demons for self-control. I’m an experienced man with excellent self-control, I told myself as I tore my eyes from the cleft in between her legs and forced myself to stand up from the bed.

“Stay...don’t go...” she whimpered pleadingly.

I glanced down in disbelief to find her arms around my waist. The slight pressure of her head against my back made me notice just how tightly she was hugging me from behind as she begged repeatedly for me to stay. What am I supposed to do?

.....

Slowly, I turned around in her arms and she stared up at me. I could see desire and longing swimming in the depths of her eyes as her eyes met mine. Suddenly, nothing mattered anymore. Everything will sort itself out when morning came.

“Ahhhhh...” Karina moaned in extreme satisfaction as I climbed onto the bed and got on top of her.

I kissed her and she kissed me back in wild abandon. Her lips tasted so sweet and my desire for her intoxicated my mind. I kissed her over and over again like it would never be enough as my hands pumped her breasts roughly. She moaned her desire into my mouth as I traced my hands along the

curves of her body. When my hands reached the hot wet mess in between her legs, she cried out and thrust her hips upwards invitingly, pushing her flooded pussy against my fingers.

"You're so wet, Rina..." I whispered seductively into her ear while using the nickname that she had begged me to call her by.

I stroked her opening a couple of times, feeling her juices coat my fingers. Her juices were warm and very slippery. I thrust my middle finger inside of her hole and that made her moan loudly. Her hips instinctively began thrusting up and down as her pussy clenched around my finger. I could tell that she felt good, and I started thrusting my finger in and out of her hole. My finger slipped in and out of her easily thanks to her slimy juices.

"Let's see if I can add another finger inside..." I muttered to myself before thrusting another finger into her.

"Ahhh! So...good..." she murmured as her hips bucked.

Her pussy clenched tightly around my fingers before she began spreading her legs even wider apart. Her insides felt very wet and so warm that it almost felt hot. I began fingering her harder and faster as I enjoyed the sight of her body going wild from the pleasure that I was giving her. Her reactions were extremely sexy and beautiful at the same time. I never thought that she would be such a passionate girl.

I crooked my finger and felt around the top of her pussy walls and soon found her g-spot. When I thrust my fingers against it she cried out loudly. Her pussy immediately got wetter, and I felt the wetness gushing out to wet my fingers. She should be more than ready for my cock now.

Slowly, I slip my fingers out of her love hole before I pulled off my suit and shirt. Then my hands worked hastily to remove my belt and my pants until my thick and erect cock was freed. Playing around with her aroused me and my cock was already so hard that it was getting a little painful. Just like her, I also needed my pleasure and my satisfaction.

I tore open a condom and rolled it swiftly down the length of my shaft. Of course, I wouldn't burden her with anything like unwanted pregnancy and other risks that could come from unprotected sex. She would probably be surprised enough already when she wakes up tomorrow morning. If she woke up early enough, I'll be here to comfort and explain things to her but if not...then...

"Rina...I'm going to fuck you now. Are you ready?" I asked in case she would jump up and deny my advances.

Obviously, that didn't happen.
