

Love Slave 79

79 Irresistible Seduction

"Hmm..." Ace moaned softly before the tip of his tongue began licking my neck.

"No...I'm so...sweaty..." I protested as I tried to push him away from me.

"You always smell and taste good," Ace whispered huskily when his lips left my neck for a moment.

As if he wanted to get that point across, he boldly licked my neck before trailing small kisses down to my collar bone. When his tongue snaked out to lick and tease my collarbone, I moaned as my breathing quickened. His hands reached behind my back to unclasp my bra and his hands skillfully removed it from my arms and body.

"Ace...please..." I protested in a weak voice.

I hated myself and how weak I was against his art of seduction. I hated how my voice came out sounding so sweet and breathless like I was begging him for more rather than pleading for him to stop what he was doing to me.

"No...please...I'm so dirty right now..." I protested in embarrassment.

Ace didn't heed my warning and buried his face in between my breasts before his hands cupped them and began massaging them. I threw my head back and moaned from the intense pleasure of his hot manly hands squeezing my naked breasts. The way he massaged them made my body writhed from unbelievable bliss. My nipples hardened immediately as he rubbed them against his palm while his hand continued to pump my breasts.

"I love playing with your tits. You smell good, Rina..." Ace coaxed seductively with his face buried in between my breasts.

.....

I felt the wet heat of his tongue run a line along the sensitive skin in between my tits and I cried out. My cry echoed throughout the dressing room and my body froze in shock. I didn't think that I cried out that loudly, but the small, enclosed room made my cry that much more lewd and loud as it echoed back at me.

"Ace...Ahhh..." I moaned while I tried to lower my volume.

It was extremely difficult considering that it was the only way that I could think of to keep myself sane amidst the pleasure that Ace was making me feel. When his fingertips pinched my hardened nipples at the same time, I cried out as I felt like I was going to lose my mind completely.

"Your moans are so sexy. This feels good, doesn't it, Rina?" Ace teased me.

I let out a choked-up cry when his mouth engulfed one of my nipples before the tip of his tongue began lapping against my swollen nipple. He twirled his tongue skillfully in circular motions against my nipple while I cradled his head and ran my fingers through his hair. My legs started to go weak from the stimulation as his hand continued to pump my other breast.

"Ahhh...oh...please..." I moaned even louder when he began sucking hard on my swollen nipple.

The current of pure pleasure pulsating through my body from the perk that he was sucking felt unbearable. My body throbbed with need as my juices squirted out of my pussy hole onto my underwear. He's making me so wet for him again. I could no longer control the reactions of my body as it began writhing against his large and hard frame.

"Let's get you out of your clothes before you sink to your feet," Ace said after his lips left my nipples.

I was a panting mess by that time, and I was glad that he realized that I could hardly stand up on my own two feet anymore. My breath came out in short gasps as I stared up at his handsome face. Ace looked down at me with desire clear in his eyes before his lips smirked mischievously at me.

"You planned this..." I whispered accusingly.

"I have no idea what you're talking about," Ace replied lightly without a care as his hand dipped down and began unbuttoning my pants.

...

"Get in here, Rina..." Ace said before he grinned at me.

Ace's hand approached me as he stretched his arm out to offer me his hand. I stared down at Ace from where I was standing next to the Jacuzzi while I hesitated to get in with him. After sucking and playing with my breasts until he was satisfied, Ace quickly stripped me and then himself before he dragged me after him to the private jacuzzi that he had booked in advance. I always admired Ace for how well prepared he was for everything, but this was just too much for me to take.

What was running through his head when he planned this trip that made him include a dip in the jacuzzi with me as his companion?

I just had no idea what goes on in his head anymore, and as always, I had a very difficult time in dealing with him.

Naked with nothing but a very small towel to cover the front of my body from my breasts down to the top of my thighs, I stood awkwardly on the side of the jacuzzi. Ace looked up at me invitingly as he waited for me to take his hand. Without hesitation, Ace got into the jacuzzi and began to relax. His wet dark hair only made him look sexier and so did the small beads of water that stuck onto his muscular arm and chest.

"Come, Rina..." Ace repeated, and I snapped out of my daze.

"I don't think..." I murmured as I averted my gaze from his intense gaze.

"Are you still shy?" Ace asked with an amused chuckle.

Of course, I was, although I didn't want to openly admit it. The heat that rushed to my face although I wasn't yet in the warm water probably gave me away because Ace continued to laugh at me.

"Give me your hand, Rina. If you don't get in soon, we'll be here all night..." Ace said in such a gentle voice that I felt extremely swayed.

It didn't seem like Ace would have it any other way. With a resigned sigh, I slowly placed my hand into his much larger one and he helped me get into the jacuzzi with him.
