

Love So Sweet 358

358 Marry Me?

Zhang Li Xue looked at the man in front of her and nodded slowly. "Un." She pushed a few strands of hair behind her ears. Then, she looked at her surroundings again before finally looking at the person in front of her. "But, why are you here?"

It might be her imagination, but Zhang Li Xue thought that there was something different about her Doctor Bai.

"Hmm..." Bai Qi pretended to be thinking about this matter seriously. "I thought that you might be bored at home. Therefore, I asked your brother to invite you here."

"So, you planned this with my brother?"

Bai Qi smiled. "As your doctor, I think it's good for you to go out and take a bit of fresh air." Then, he touched her cheek again. "But, why did you look unhappy earlier? You did not say a word from the beginning. You don't like this place?"

Zhang Li Xue lowered her head shyly. She could not tell Bai Qi that she was upset that her brother had made a sudden change in plan. In the beginning, he told her that he was going to take her to the hospital to see Bai Qi...

But it turned out they were both tricking her.

The person she has been missing so much had suddenly appeared in front of her.

She could not describe her feelings upon seeing his face.

.....

"It's not that I don't like this place," Zhang Li Xue said. "Just that... Yi Hai was bullying me."

"Well, don't be upset with him. I was the one who asked him to help me bring you out."

Zhang Li Xue smiled. "Doctor Bai, if you wanted to take me out on a date, you can pick me up at my house. Why do you have to do something like this?"

"Hmm... Doing something like this can be a bit fun once in a while, don't you think?"

Zhang Li Xue pondered over his words and nodded slowly. Now that she thought about it, it was indeed a little refreshing to go out with her Doctor Bai like this.

His gaze shifted to her legs. "How are you feeling? Is your leg still hurting?"

"It's alright." Zhang Li Xue looked at the cast around her leg. "These days, I've been sitting in this wheelchair and there would be someone to help me move around."

"Then, you don't mind going for a walk with me for a little while, right?"

Zhang Li Xue laughed. Then, she nodded. "Un. Doctor Bai, let's go walk around the park."

Bai Qi stretched his hand and pinched her nose.

His girlfriend was adorable. Seeing how she had put on some makeup, Bai Qi was careful not to ruin them.

He stood up again and pushed the wheelchair towards that big tree ahead.

Now that she was with her boyfriend, Zhang Li Xue was suddenly in the mood to enjoy the flowers. Everything became very colorful and fascinating.

Once they reached the big tree, Bai Qi stopped again.

Zhang Li Xue swept her gaze around the place and thought that the flowers around the trees were very beautiful.

Then, Bai Qi walked over and stopped in front of her again.

Suddenly, Zhang Li Xue was in a trance.

Zhang Li Xue thought that perhaps, this was only her imagination, but she seemed to recall a scene from when they were younger.

Her mother still kept a photo from that time. Although Bai Qi's face could not be seen clearly, Zhang Li Xue remembered that Bai Qi was dressed as a tree, while she was wearing a flower fairy dress.

At that time, she seemed to have said that the two of them would make a great team. A tree with a flower fairy accompanying him.

Her doctor Bai was tall as this tree. He was tall and sturdy enough to protect the flower fairy who was resting under him.

Of course, Zhang Li Xue was unaware that her Doctor Bai has been looking for this place for a while. He wanted to propose at a place where they would be surrounded by flowers. Then, coincidentally, he found this big tree and thought that this spot would be perfect.

Just like Zhang Li Xue, Bai Qi too had recalled the day he was dressed up as a tree at the kindergarten.

"Why are you stopping?" Zhang Li Xue asked. They have been walking for a short distance before Bai Qi stopped again.

"Well, I have something to say to you."

The wind was blowing gently and Zhang Li Xue pushed a few strands of hair behind her ear. When she looked at Bai Qi again, Zhang Li Xue was surprised to see the anxious look on his face.

Without knowing why her heartbeat started to accelerate.

Zhang Li Xue was about to ask him if he was alright when Bai Qi suddenly crouched down in front of her. She thought that he wanted to talk to her at eye level. But then, she realized that Bai Qi was down on one knee.

Suddenly, Zhang Li Xue could not think properly and guess what was her boyfriend trying to do.

Taking a deep breath, Bai Qi then pulled out the velvet box from his pocket. He looked at Zhang Li Xue again with an anxious smile on his face

“My little fairy.”

“Ah?” Zhang Li Xue stared at the box in front of her. Then, she slowly raised her head to meet his gaze.

“The first time I saw you, you were still a little girl. I remember just how pretty you are in your flower girl dress. I pulled your hair because I wanted your attention, but you kicked my legs so hard that it made me cry.”

Zhang Li Xue wanted to laugh at the memory, but with Bai Qi on one knee in front of her, Zhang Li Xue could not react very well.

“We met again and you have taught me to play basketball. I was only interested in this game after learning about it from you. Later, we were separated when my family decided to move to S Country. I did not expect that I would find you again. But Li Xue, you seemed to have forgotten about me. Fortunately, you did not forget about me completely. Fortunately, you finally had your attention on me.”

There was a faint smile on his face as he recalled everything that happened between them.

“Zhang Li Xue, I love you. You have always been the light in my life. With you around, my life has become very bright. When I’m with you I am the happiest.” The box in his hand popped open, revealing the diamond ring in it. “Zhang Li Xue, will you make me the happiest man and marry me?”
