

Love So Sweet 509

509 Feed Her Fruit

The food they ordered arrived on time. Seeing that Zhang Yi Hai was still looking at his computer, Fang Su Jin volunteered to go and get the food. Then, she walked into the kitchen and began to prepare the table for dinner.

After setting up the table for a while, Fang Su Jin realized that most of the tableware and cutleries were in a set of two.

“What are you thinking about?” Zhang Yi Hai walked over to his girlfriend’s side, hugged her from behind, and pressed a kiss on her cheek.

Fang Su Jin wriggled in his arms and turned around. “No. I was just looking at the tableware. Fortunately, there are two sets of everything.”

Zhang Yi Hai lowered his gaze to look at the person in his arms. She had washed her face and there was only light makeup on her face. But Fang Su Jin was still the prettiest. Hugging her like this was also very comfortable.

“Isn’t it good that there are two sets of everything?”

Fang Su Jin stared into his eyes. “Do you often receive a guest in your apartment?”

The corner of his lips tilted up to a smile, wondering why his girlfriend asked him this question. “Other than you, only Tang Yin and Liu Jin had visited. Of course, they only come to pester me once.”

The two heard that he had an apartment and would no longer live in the dorm. They have been asking him to bring them over to play a few times and finally visited once.

.....

“Come on.” He put his hands on her shoulders and made her turn around. “Let’s go and have our dinner. I’m hungry.”

Fang Su Jin looked at his laptop in the living room and spoke, “Have you finished your homework?”

“I have.” He helped to pull the chair and let her sit down. He told her that he was going to finish them before dinner and he had to finish them quickly. “Do you want to check on them?”

Then, the two of them ate dinner together and chatted amiably.

After dinner, Zhang Yi Hai went to check on something on his laptop again. Seeing that her boyfriend was busy, Fang Su Jin took out her sketchbook from her room. She sat down beside her boyfriend and started to sketch.

During their visit to F Country, Fang Su Jin snapped a lot of photos of various scenery. Since she got some free time, Fang Su Jin decided to do some sketches.

When Zhang Yi Hai was finally done with his work, he turned to look at the person beside him and saw the serious look on Fang Su Jin’s face as she continued to draw.

Zhang Yi Hai watched her for a while, but it seemed that Fang Su Jin was too preoccupied with her sketches and had not noticed him watching her.

After a while, Zhang Yi Hai stood up slowly from the sofa and headed to the kitchen.

He looked around and finally grabbed a few pears and apples from the refrigerator. Zhang Yi Hai cut them into bite-size. When he returned to the living room again, Fang Su Jin was still drawing the scene.

The photo in her sketchbook was that bridge where the two of them had shared a kiss. Thinking of the legend behind this spot made him smile. His gaze shifted to his girlfriend again. The thought of spending their time together until they both grow old made his heart warm. It would be good if this legend would come true for them.

Zhang Yi Hai watched as she draw for a while. Then, he picked up the fruit using the pick and moved it next to her lips.

The scent of the apple made her look up. Fang Su Jin raised her head a bit and saw the slice of apple in front of her. Then, she turned and looked at her boyfriend.

“What are you doing?” Fang Su Jin giggled.

“Just continue your sketches,” Zhang Yi Hai pointed at her sketchbook. “Let me feed you some fruits while you draw.”

Fang Su Jin leaned over and caught the slice of apple in her mouth. She chewed them slowly and looked at Zhang Yi Hai again.

“Is it sweet?” Zhang Yi Hai asked.

“Un. Very sweet.”

“Then, eat slowly.” The man picked up another slice of apple and brought it over to her lips. Seeing that he just wanted to continue to feed her fruit while she sketch, Fang Su Jin then shifted her attention back to her sketchbook.

After sketching for a while, Fang Su Jin began to lower her guard again.

Once she swallowed the fruit in her mouth, Zhang Yi Hai would continue to feed her with more. Sometimes, he would give her a slice of apple. Sometimes, it was pear.

Whatever it was, Fang Su Jin seemed to enjoy this special treatment from her boyfriend.

Zhang Yi Hai watched as his girlfriend ate the fruits he fed her without looking up. He watched as her mouth moved as she chewed on the fruit slowly.

Then, a thought came to his mind and a mischievous smile curled on his lips.

Zhang Yi Hai picked up another slice of fruit. This time, he did not aim for her mouth and instead, stopped an inch away from her lips.

The scent of apples made her open her mouth. Subconsciously, Fang Su Jin began to move her head slightly before she caught the apple between her teeth.

The look in his eyes turned darker. Zhang Yi Hai picked up another slice of fruit and stopped at the same spot. Seeing that Fang Su Jin turned her head and moved to catch the fruit, he slowly moved the fruit away from her lips.

Fang Su Jin gradually noticed that something went wrong.

The scent of apple tempt her, but she could not catch it with her mouth.

Her brow furrowed. Fang Su Jin raised her eyes and met the fox-like eyes. Before she could figure out what was going on, her lips were caught in a kiss.
