

Love So Sweet 620

Chapter 620 Do You Remember?

With Zhang Yi Hai coaxing her, Fang Su Jin went with his parents to visit Zhang Yi Hai's uncle and aunt in Capital City. Just like Zhang Yi Hai said, his mother had really thought of her as if she was their daughter-in-law.

As they were visiting the Lin couple, Li Qin Yao would introduce her as Zhang Yi Hai's girlfriend. Then when she thought that Fang Su Jin was not paying attention, Li Qin Yao would tell others that Fang Su Jin was her future daughter-in-law.

Fang Su Jin happened to see this scene once, making her face turn redder.

At this time, she could not help but think that the mother and daughter were really similar.

In the end, Fang Su Jin could only pretend as if she did not see or hear anything. Otherwise, she really did not know how she was supposed to look at Zhang Yi Hai's parents.

They stayed around to have lunch with the Lin family.

Hearing that Zhang Yi Hai was going to graduate soon, Uncle Lin Xiao Feng did not forget to give Zhang Yi Hai a little present. Fang Su Jin stood beside Zhang Yi Hai and saw that his uncle had gifted him a piece of land.

Fang Su Jin glanced at the location and thought that this piece of land should be quite expensive.

She could tell that Zhang Yi Hai's father with Uncle Lin was very close. It seemed that they were the people who did not mind much about spending money. However, what Zhang Yi Hai was planning to do with it was something that she did not know about.

.....

The group stayed around for hours and finally left after dinner.

Initially, the Zhang family wanted to stay longer but, Zhang Yi Hai will have to wake up early morning for his graduation. As his girlfriend, Fang Su Jin was anxious.

After they returned to the hotel, a certain someone tricked her to come to his room, saying that he needed her help to match the tie and shirt.

Fang Su Jin, the unsuspected victim, sneaked over to Zhang Yi Hai's room. Fortunately, he was staying at a different level than his parents. At least, she would not feel that awkward if she would run into his parents.

Seeing that there was no one around, Fang Su Jin pressed the doorbell.

The door swung open and she was dragged into the room. As she inhaled the familiar scent, Fang Su Jin knew that she was in a safe arm.

She raised her head and laughed as she looked at Zhang Yi Hai.

"Why do I feel as if I was tricked?" Fang Su Jin asked. She stretched her hand and rested them on Zhang Yi Hai's shoulder.

Zhang Yi Hai had a mischievous smile on his face, but he was determined to pretend as if he could not understand anything. "What happened? Who's tricking you?"

Fang Su Jin let out a snort. Then, she walked around her boyfriend and scanned her eyes around the room. "Where's the shirt and tie that you wanted me to see?"

Zhang Yi Hai laughed. He played along and showed Fang Su Jin to look at the shirt and tie.

There were several choices of neckties on the bed. Fang Su Jin glanced at her boyfriend and thought that he was really serious about playing around.

As the thought came to her mind, Fang Su Jin began to choose the tie for Zhang Yi Hai seriously.

Just then, a pair of arms wrapped around her waist and the man's chin was resting on her shoulder.

Subconsciously, Fang Su Jin leaned back in his embrace.

Zhang Yi Hai had broad shoulders. Fang Su Jin thought that nestling in them made her feel safer. However, she continued to pretend to choose his tie.

A few minutes later, she finally made up her mind and set the shirt and tie aside.

"I'm done." Fang Su Jin turned around to meet Zhang Yi Hai's gaze. Then, she stood on tiptoe and kissed his lips. "You have to rest well. Don't forget that you still have to attend your graduation."

"Un. I know." Zhang Yi Hai nodded obediently.

"Good boy."

Her words made him laugh. Zhang Yi Hai leaned over and kissed his girlfriend's lips a few times. When he finally let her go, Zhang Yi Hai let out a sigh and stared at Fang Su Jin's rosy cheek happily.

The room was quiet and the two of them were standing very close to each other. Therefore, Fang Su Jin's breathing sounded clear to him.

"Su Jin." Zhang Yi Hai's voice sounded a little deep and magnifying.

Fang Su Jin raised her head to look at him. His dark eyes told her to look somewhere else, but everything was too late as she was already trapped in his eyes.

"En?" Fang Su Jin swallowed. She could feel her breathing grow heavier.

"Do you remember? Last time, you promised me that I can make a request when I do well in my final exam."

"Un." Fang Su Jin nodded slowly. "I remember."

She had been asking him about this request a few times. However, each time, Zhang Yi Hai would tell her that he had not made up his mind.

Because of that, Fang Su Jin decided to buy him a couple's watch. Tomorrow, she planned to give it to him as a gift.

However, Zhang Yi Hai was telling her now that he had another thing in mind.

"Have you finally made up your mind?" Fang Su Jin asked.

"Mhm..." Zhang Yi Hai said.

"You... What do you want?" She lowered her gaze to look at his lips. Suddenly, Fang Su Jin thought that his lips seemed very seductive. Making her want to kiss him again.

The corner of his lips tilted up. "I will tell you about it tomorrow."

Her heartbeat accelerated.

Fang Su Jin could not understand why, but she was feeling a little anxious upon seeing the smile on his face.

It couldn't be that Zhang Yi Hai was planning to do something bad, right?
