

## Love So Sweet 621

### Chapter 621 Graduation Day (1)

The next morning, Fang Su Jin followed the Zhang family to leave the hotel early in the morning and headed to the university where Zhang Yi Hai had studied for a few years.

Fang Su Jin looked at the tall man in front of her and thought that he looked quite handsome in his graduation robe. She could not help taking a few photos of him and admiring his good look.

After they arrived at the university, Zhang Yi Hai had to leave and gather with his classmates before they will enter the hall together.

Meanwhile, Fang Su Jin had to stay with the Zhang couple.

With her identity as Zhang Yi Hai's girlfriend, Fang Su Jin thought that staying with the couple was a little awkward. Fortunately, Li Qin Yao was always looking after her and the awkward feeling quickly disappeared.

When people looked at them, they would think that the two's relationship looked like a mother and a daughter.

Fang Su Jin entered the hall with the Zhang couple and sat together.

On the other side, Zhang Yi Hai met with his classmates and the group began to chat happily.

The atmosphere was especially lively.

.....

It has been months since everyone had seen each other. Naturally, there were a lot of things that they wanted to ask.

Zhang Yi Hai stood at the side while listening to a few of his friends giving their updates.

A lot of them had found suitable job and was complaining about their bosses and colleague at work. There were some of them still searching for a job.

Then, the subject of marriage came over and the boys were discussing this matter. A few of them already had a girlfriend but thought that it was better not to get married before their finances get better.

Zhang Yi Hai thought about his girlfriend and plan to get married soon.

He loved his girlfriend very much and knew that he could afford to raise her even if Fang Su Jin chose to stay at home and do nothing.

Moreover, his parents and sister often scattered some dog food at him when he was alone. Zhang Yi Hai thought that he too wanted to show off his affection to his girlfriend.

Zhang Yi Hai had not noticed that while he was chatting with his friends, there was someone who has been watching him for a long time.

Ji Xin Xin and Zhang Yi Hai were classmates. Because of that, she could use this chance to stand close to him.

At this time, Ji Xin Xin was surrounded by her friends.

Just like the boys, the girls too were busy catching up with everyone's latest story.

As they were talking, one of the girls noticed that Ji Xin Xin was too quiet. She followed her line of gaze and smiled upon seeing that Ji Xin Xin was looking at Zhang Yi Hai.

Zhang Yi Hai was quite popular and had a lot of fans.

In the past, there were a few of them who tried to confess to him. However, each time, Zhang Yi Hai would reject them. Because of this, a lot of them were disappointed and decided to admire him from afar.

Ji Xin Xin was one of them.

Many of the girls knew that Ji Xin Xin liked Zhang Yi Hai but never had the courage to confess to him.

"Xin Xin," the classmate poked at her arm.

Ji Xin Xin turned to her friend and saw that her friend, You Bao was looking at her with a teasing smile. Knowing that she was caught peeking at Zhang Yi Hai, Ji Xin Xin's cheek quickly turned redder. "You Bao."

"Xin Xin, are you not going to take this chance?" You Bao asked. "It was not easy for us to gather around like this. Once we separate again, it would be hard to meet. Xin Xin, if you like someone, you should say it."

Ji Xin Xin hesitated. "But, I heard that Zhang Yi Hai already had a girlfriend." She lowered her gaze as if to show that she was disappointed.

However, in front of her friends, Ji Xin Xin looked quite pitiful.

"So what if he had a girlfriend?" You Bao said. "It's just a confession, right? Moreover, before he gets married, you still had a chance. Actually..." You Bao heaved a faint sigh. "I always thought that you and Zhang Yi Hai would look good together. One is pretty and another is handsome."

Hearing You Bao's words made her grow courageous.

Ji Xin Xin thought about Zhang Yi Hai's girlfriend again. In her opinion, Ji Xin Xin thought that she was the most suitable to stand beside Zhang Yi Hai. Sooner or later, Zhang Yi Hai would be tired of playing around, right?

A glint flashed in her eyes.

Ji Xin Xin thought that perhaps the packaging she sent to Zhang Yi Hai's father did not reach his hand. After all, the man was the president of a big company and would not care about an anonymous letter.

She decided that after the ceremony, she should find President Zhang and show him the photo of Zhang Yi Hai dating an elder woman.

Ji Xin Xin did not believe that President Zhang would let his son continue dating that person.

With this thought in her mind, Ji Xin Xin began to feel more at ease.

At this time, a staff walked over to hand everyone a paper to fill in.

Ji Xin Xin quickly offered to hand out a few of them to her classmates. Once she had handed everything to the girls, Ji Xin Xin inhaled a deep breath and walked to the boys. She handed each of them to her classmates before looking at Zhang Yi Hai shyly.

“Zhang Yi Hai... they want everyone to fill in the form,” Ji Xin Xin braved herself to stand in front of the man.

Hearing her voice made Zhang Yi Hai frown. He knew that Ji Xin Xin was talking to him. However, he was not willing to look at her face.

Each time he recalled how Ji Xin Xin had sent a package to his father, his heart would boil. He had never hit a woman before and was not planning to do this soon.

It was better not to look at this classmate's face.

His gaze fell on the paper in Tang Yin's hand. “Tang Yin, give me yours.” He took the paper from Tang Yin and walked away.

Ji Xin Xin stared at Zhang Yi Hai's figure with an aggrieved look on her face.
