

Love So Sweet 622

Chapter 622 Graduation Day (2)

As the graduates followed the staff's direction to line up before entering the hall, the parents were ushered into the hall.

Fang Su Jin followed the Zhang couple and managed to get a perfect seat that would let them see Zhang Yi Hai later.

It was quite a large hall and there were many people in it.

Li Qin Yao looked at the stage which was far away from their seat and sighed. They were quite far and she was unsure if she would be able to see her son.

This time, they came to the graduation fully prepared. Her son will be graduating with flying colors and would be giving a little speech at the end of it.

Li Qin Yao was already prepared to take a video and a lot of photos.

Fang Su Jin saw that Li Qin Yao was tinkering with the camera and spoke, "Auntie, don't worry. We can still see Yi Hai through the big screen."

Li Qin Yao nodded. "This is true." Her gaze shifted to the big screen and a satisfied smile curled on her face.

"Moreover, Yi Hai said that the university will help to record the graduation process. Every student will receive a copy later."

.....

The two of them continued to talk.

Since her daughter was away, Li Qin Yao was spending her time with Fang Su Jin chatting.

After seeing her son with Fang Su Jin a few times, Li Qin Yao really thought of Fang Su Jin as her daughter-in-law. The two of them had known each other for years and it was very easy for them to get along.

Meanwhile, Zhang Yu Han was busy looking at the list of graduates on the internet.

Not too long ago, someone had sent him a photo of his son and Fang Su Jin together. According to what his son had said, Zhang Yu Han knew that this person was his son's classmate.

Now that Fang Su Jin was attending the graduation with them, Zhang Yu Han was worried that this girl would cause trouble for his son and Fang Su Jin.

Zhang Yu Han quite like Fang Su Jin mostly because the girl had a good relationship with his wife. As long as his wife was happy, he would also be happy.

Because of this, he did not have any objection to the couple's relationship.

However, Zhang Yu Han had also heard how it was not easy for his son to get Father Fang's approval. It was only recently that Father Fang began to accept Zhang Yi Hai dating his daughter.

Zhang Yu Han did not want that troublesome girl to do anything that would hurt Fang Su Jin.

Otherwise, he will have to answer to Fang Su Jin's father.

After waiting for a while, the ceremony finally began.

As the graduates walked into the hall, Fang Su Jin tried to find her boyfriend from her position. However, the people around the room looked almost the same.

Fang Su Jin leaned back and chatted with Zhang Yi Hai's mother in a whispering voice as they waited for the man to come out.

They were both holding their phone tightly, wanting to take as many photos as they could.

Fortunately, they did not have to wait for too long.

Zhang Yi Hai's class was among the earlier ones to receive their scrolls.

As the graduates lined up at the side before they would go up the stage, Fang Su Jin was able to recognize her boyfriend from a distance. His height and his posture gave him away.

Seeing this, Fang Su Jin leaned over to Li Qin Yao and pointed at her Zhang Yi Hai's location.

Then, the three of them waited patiently as Zhang Yi Hai's name was called.

Fang Su Jin looked at the big screen to watch Zhang Yi Hai received his scroll. There was a sense of pride when she watched him take the scroll with a confident smile on his face.

This handsome person is her boyfriend...

The thought made her cheek blush a little bit.

Fang Su Jin was seated among the graduates' family members while silently fangirling over her boyfriend.

Fortunately, the Zhang couple was too busy to look at their son and had not noticed what was going on with Fang Su Jin.

When Zhang Yi Hai came down the stage, Li Qin Yao pulled Fang Su Jin over for a chat again.

Li Qin Yao was looking forward to her first grandchild and the two women were busy discussing this matter. Seeing the polite and obedient girl beside her made her sigh. Li Qin Yao was wondering when will her son would finally kidnap this daughter-in-law home.

A while ago, Li Qin Yao has been discussing with her husband the matter of their children.

They have both decided that once their children were married, Zhang Yu Han would take a long vacation and the two of them would visit places they have never been before.

Thinking about it, it seemed that it has been a long time since the two of them had a vacation just the two of them.

Just then, a familiar name was announced, making Fang Su Jin turn around and look at the stage again. Fang Su Jin narrowed her eyes as she watched Ji Xi Xin walk onto the stage to receive her stage.

She could still remember how she had run into this girl at the airport before she and Zhang Yi Hai return to Y City.

Later, Zhang Yi Hai told her that his father received a package from an anonymous sender and there were a few photos of them together.

The only person who could snap the photo and send it to President Zhang would be Ji Xin Xin.

Initially, Fang Su Jin thought that this girl was quite nice. But after what she had done, Fang Su Jin's opinion towards her changed.

She wondered how would Ji Xin Xin feel when she found out that it was because of her bad intention that helped her relationship with Zhang Yi Hai.

Once Zhang Yu Han knew about the relationship, the two of them finally disclosed their relationship to their parents.

Soon, Zhang Yi Hai's name was called again and the man stood on the stage to give his speech.

Of course, Fang Su Jin did not forget to shoot a video of her boyfriend.

At the end of the ceremony, thundering claps filled the hall and the graduation ceremony finally concluded.
