

## Love So Sweet 624

### Chapter 624 Helping His Son Guard His Girlfriend

Fang Su Jin continued to crane her neck to look for her boyfriend while trying to get away from Ji Xin Xin at the same time.

She turned around and finally saw the young man standing not too far away from her. He was leaning his body on the lamppost with a light smile on his face.

Seeing his expression, Fang Su Jin guessed that Zhang Yi Hai has been watching her for a while and had witnessed her exchange with Ji Xin Xin.

This realization made her shy. Heat crept to her face. Fang Su Jin wondered how this person will tease her later.

Just then, the person that Fang Su Jin had tried to get away from appeared behind her while staring back at her angrily.

Fang Su Jin frowned as her view was blocked. She wanted to look at her handsome boyfriend, not this annoying person.

If Ji Xin Xin knew that Zhang Yi Hai was watching this scene, perhaps she would be too embarrassed.

"Miss Fang, you really should listen to my advice," Ji Xin Xin said. "You are really not suitable for Zhang Yi Hai. Once he had enough of you, he will kick you aside."

There was a hint of impatience on Fang Su Jin's face. "Then, who do you think is much more suitable for him? You?"

.....

Ji Xin Xin's face turned a little red from her words. Then, she looked up again and puffed her chest. "Of course, it's me."

She had considered this matter carefully. Most of her friends also said that she was the most suitable with Zhang Yi Hai. Moreover, her family could match Zhang Yi Hai's well, right?

Ji Xin Xin was staring back at Fang Su Jin provocatively. Because of her position, Ji Xin Xin had not noticed the person who was walking in their direction.

"I'm sorry. But, Miss Ji, I don't think that we are suitable."

The familiar voice turned Ji Xin Xin's eyes wide. She wanted to turn around and look but was too scared of meeting Zhang Yi Hai's gaze.

A while ago, Ji Xin Xin had tried to get Zhang Yi Hai's attention. However, the man continued to treat her coldly. Ji Xin Xin always showed a good attitude in front of Zhang Yi Hai. She did not want him to see what she was doing now.

"A person who dared to do something secretly to ruin another's relationship... Miss Ji, do you think that I would like someone like you?" Zhang Yi Hai stopped beside Fang Su Jin and stared at the troublemaker's face.

Ji Xin Xin finally got to have Zhang Yi Hai look at her. However, this was not the situation that she hoped Zhang Yi Hai to witness. Moreover, the look in his eyes was too cold. It was a hot day and Ji Xin Xin was wearing a graduation robe on her body, but her body was shivering.

His words made her cheek turn red. Ji Xin Xin was overcome with guilt as she remembered what sort of tricks she had pulled.

Ji Xin Xin thought that Zhang Yi Hai did not know what she had done.

She had thought that perhaps, the anonymous letter she sent did not reach to his father's hand. But now, her instinct was telling her that Zhang Yi Hai knew what she had done.

"Miss Ji, I have to ask you to stop harassing my girlfriend," Zhang Yi Hai said. He wrapped his arms around Fang Su Jin's waist, pulling her closer to him. "Miss Ji, in this life, I will never like you. Even if you are the only woman in this world."

Ji Xin Xin's face turned pale. Her eyes were stinging as the tears were threatening to roll down her cheek. Ji Xin Xin could not believe that Zhang Yi Hai would be so cruel with his words.

She only like him and she liked him for a long time. How can he say those words to her?

Zhang Yi Hai turned to his girlfriend and was about to leave with her. However, he suddenly stopped to look at Ji Xin Xin again.

"That's right, I almost forgot another thing."

Seeing Zhang Yi Hai's smiling at her caused her heart to throb. However, his next words were piercing her heart.

"If it was not because of your photo, how can my parents know about my relationship with my girlfriend and give us their blessings?" Zhang Yi Hai said. "Miss Ji, I really have to thank you. Unfortunately, my parents are not narrow-minded as you are."

Once he had finished what he wanted to say, Zhang Yi Hai held Fang Su Jin's hand and led her away.

The two of them did not spare another glance at Ji Xin Xin.

After a few steps, Fang Su Jin handed Zhang Yi Hai the bouquet in her hand. "Zhang Yi Hai, congratulations on your graduation."

The man had a bright smile on his face. Finally, he leaned over to kiss his girlfriend on the cheek. Then, the two of them left with bright smiles on their faces.

Ji Xin Xin watched this scene with a dazed look on her face. The words that Zhang Yi Hai had said to her were played over and over again in her head.

Before the couple disappeared from her view, Ji Xin Xin took the chance to chase after them. No matter what, she refused to believe that his parents had agreed to their relationship.

Zhang Yi Hai should be lying to her right?

As the thought came to her mind, Ji Xin Xin decided to follow the couple.

She saw President Zhang and his wife sitting not too far away. Of course, Ji Xin Xin recognized Zhang Yi Hai's parents.

Her heart broke into tiny pieces upon witnessing the couple and Fang Su Jin's good relationship. The group of four seemed as if they had a really good relationship.

Noticing that someone was watching them, Zhang Yu Han raised his head and saw that a young woman was looking at them. He thought about the anonymous letter he had received not too long ago and pondered over this matter.

After a while, Zhang Yu Han stretched his hand and patted Fang Su Jin's shoulder, showing off the family's good relationship with the young woman.

This could also be considered as helping his son guard his girlfriend, right?
