

Love Through Time and Space

Chapter 150

The only blood relative, the old lady, looked at Kylena Gale's face, and she understood completely.

However, she has put A Bei and Emily Gale together. Now, Kylena likes A Bei again, what should I do?

The old lady regretted for a while, of course she hoped that Kylena would be happy.

However, she didn't want to do things like breaking up lovers, it was too cruel.

"I am in good health. Kylena has been with me for a long time. I am very happy today."

The old lady took Kylena Gale's hand, really happy.

Hunter Jackson's eyes finally fell on Kylena Gale.

Kylena Gale wanted to see him, but she was a little embarrassed, she could only lower her head and grab her fingers, her face shy.

Ross also came over, "Grandma, how do you feel?" "With Kylena, grandma is very nice."

Whether it is Hunter Jackson or Ross, both of them are juniors that the old lady likes.

She was happy to see them.

"Ross, come and sit here too. You are not in good health. Don't stand up all the time."

"I'm fine. I have been training abroad for so long. Now, there is no problem at all."

However, Ross still pulled a chair, Sit down beside her.

Seeing that grandma's face was still a little pale, both brothers felt uncomfortable.

The doctor's words still linger in his mind: whether he can survive this winter is still unknown.

"It's fine if there is no problem."

The old lady saw that Ross's expression had indeed improved a lot, and she was no longer in the same posture that she used to be sick and weak. This would be considered relieved.

The most reassuring thing now is her Kylena.

The poor little girl has suffered so much in Gale's house, and yet she still doesn't know her relationship with her.

She was so strong, and the stronger she was, the more painful the old lady felt.

"Abei."

The old lady suddenly called.

"Huh?" Hunter Jackson also sat in the chair, looking at her.

"Abei, grandma has something to tell you, come with me."

Hunter Jackson immediately pushed her wheelchair: "Grandma, where do you want to go?" "Well, just go for a walk in the yard."

The old lady looked back at Kylena Gale, but she was a little uneasy.

She looked at Ross: "Ross, Kylena's foot hurts, please take care of her."

Ross just nodded and said nothing.

Hunter Jackson pushed the old lady all the way into the yard before stopping in the shade of the trees.

Returning to her, he gently asked, "Grandma, what do you want to tell me?" The old lady spoke to him in a serious manner. In fact, Hunter Jackson was uneasy.

This feeling is like an old man who is telling the funeral.

Sure enough, the old lady held his hand and her eyes reddened instantly.

"Grandma knows, grandma may be alive soon."

"Don't talk nonsense, grandma is in good health, at least she can live a hundred years."

Hunter Jackson

Interrupt immediately.

The old lady shook her head.

She knew her own situation.

It's impossible to live a long life, and it's hard to say whether you can end this year.

Even if they and the doctor are hiding from themselves and don't tell her the real condition, but the body is her own, can you not know?

"Abei, grandma has something to do. I hope you can help me."

"Just tell me."

The old lady looked at him. This grandson was really good, strong and warm.

Although the outside world has been saying that he is indifferent and ruthless, but the old lady knows that once he is the person he identifies, he will guard it to the end.

However, it was really difficult to be the person he identified.

"Grandma wants you to protect a person, a girl, for grandma."

The old lady knew that her request was excessive, and even for Hunter Jackson, it would be a lifetime burden.

But, she really has no choice. What if she dies one day, what will her granddaughter do?

"Who?" Hunter Jackson's expression was a little indifferent.

"It's the girl who was sitting with her grandma just now, Kylenea Gale."

His face became even more ugly for an instant.

This is an absolute burden for him!

Guarding these two words is too serious!

He was very resistant, even disgusted at the thought.

"Abei, grandma knows that he never likes being too close to girls. Grandma's request is really too much for you."

But what can she do?

No one understands her worries. Her granddaughter, except A Bei, can't protect her.

"Why does grandma like Kylena Gale so much?" This girl, in the impression, has no relationship with her grandma.

Just as he didn't understand, why grandma was so kind to Emily Gale.

However, when Hunter Jackson discovered that he was also partial.

Grandma and Emily Gale are good, even if he has doubts, he can accept it with pleasure.

However, grandma and Kylena Gale are good, and even to ask him to be good to Kylena Gale, that is not just a question of doubt, it is obviously a burden.

The old lady looked at him and stopped talking.

I want to say a lot, but I dare not say it.

"If grandma can't give me a reasonable reason, I think it's difficult for me to agree to this matter."

The old lady's hand grasped the wheelchair handle, the tighter the grip, the thin fingers and even the joints were white.

Hunter Jackson's eyes dropped, looking at her trembling fingers.

She knows that he feels pity for herself, and she knows that if she insists not to speak, he will not ask.

However, letting him do it willingly, and forcing him to do it, will have a very different ending for Kylena.

"She is me... in this world, the only relative who has blood relations."

Hunter Jackson did not speak, and the air seemed to suddenly become quiet.

In the early autumn of October, there were many fallen leaves,

A dead leaf fell on the old lady's hair, and a yellow in the mottled snow stung Hunter Jackson's eyes.

The old lady of the Jackson family once had a blood relative.

Her son, the fourth husband of the Jackson family, Jackson Zhaobang.

That was already happening many years ago.

At the beginning, a big fire took Jackson Zhaobang's life and made her herself sick from now on.

How old was Hunter Jackson at that time?

At a young age, he was also caught in this fire.

He can survive because of Jackson Zhaobang.

The fourth uncle rescued him, but he died in the flames.

Since then, the old lady will not be able to bear children, and will no longer have her own flesh and blood.

Although she is the old lady of the Jackson family, but so many descendants of the Jackson family have no real blood relationship with her.

Hunter Jackson has always cared for her very much because he knew that if it were not to save himself, the fourth uncle would not die, and the old lady would not even have a close relative.

Now, the old lady said that she still has a blood relative, so this blood relative, no matter who it is, is also his responsibility to guard his life.

This is what he owes her.

I don't know how long it took.

The old lady looked at him and said quietly: "Abei, I know I ask you so, it is really too much."

"I also know that as long as I say, you will do it, protect me Kylena."

She still held the handle tightly, a little excited and more helpless.

"But I'm just such a granddaughter. I dare not say anything. I am afraid that someone will be disadvantageous to her, and I dare not recognize her for fear that it will scare her."

"The only thing I can pray for is when I am away, at least , There is still someone who helps me look at her."

Chapter 151

Unexpectedly, when she wanted her to withdraw from Hunter Jackson and send the old lady back to the room, both Ross and Kylena Gale were there.

Kylena Gale is still sitting on the chair, because of her ankle injury, she hasn't moved until now.

As for Ross, she said she was taking care of Kylena Gale, but she didn't say a word to her from beginning to end.

Even Kylena Gale took the initiative to chat with him several times in the middle, but he didn't pay much attention.

Seeing Kylena Gale's awkward smile, the old lady knew that Ross must have let her touch a nail.

After the two grandsons left, the old lady asked the maid to also go out before taking Kylena Gale's hand.

"Kylena, don't mind, they are this character, both guys are both."

"No, I think they are pretty good, men are attractive only like this."

Kylena Gale bit her lip and grabbed her fingers.

A bashful look.

Seeing her like this, the old lady was actually a little uneasy in her heart.

After hesitating for a long time, she asked: "Kylena, do you... do you like Abei?" "Young Master Jackson..."

Kylena Gale thought for a while, her face instantly turned pale.

"I, I am not, old lady, don't get me wrong, I will never follow Ranran to admire the younger ones, absolutely not!" She seemed so scared that her whole body began to tremble.

If it were not for the inconvenience of her feet, she had even gotten off the chair and wanted to kneel down for the old lady.

"Old lady, I really won't fight with Ranran, I absolutely won't, old lady, don't punish me, don't hit me, don't!" "Vic, what's the matter with you? How could I hit you?" Old man When people thought of something, they suddenly became excited: "They...do they often beat you?" "No, no, but they didn't hit me. I accidentally hit me, so how could they hit me?" Kylena Gale I wanted it, but I couldn't laugh at all. In the end, there was a scream and tears fell on his face.

She got down from the chair and knelt on the ground with a plop, tears falling down.

"Sorry, old lady, I know I can't hide from you. I really like Young Master Jackson, but...but I just like it quietly."

"Really, old lady, don't be angry, don't tell Ranran, I just like it secretly.

It's only Young Master Jackson."

She was so choked that she could hardly speak anymore, grabbing the blanket on the old lady's body, sad and scared.

"I just looked at Joseph from a distance, and I was satisfied. I will never think about the things I used to do with Joseph again. I will never think about..."

"You and Abei, used to... together. Is it?" The old lady was quite shocked. Why haven't you heard of this thing?

"No, no, we really don't, old lady, please don't tell Emily Gale, please."

Although she said no, she begged her not to tell Gale safely.

Could it be that she and Abei had something before?

But because he was messing up the mandarin duck book, he insisted on letting Abe and Emily Gale be together, breaking them apart?

At this moment, the old lady's heart seemed to be torn apart.

pain!

The whole person in pain is about to twitch.

What did she do?

She actually ruined her granddaughter's happiness with her own hands!

"Kylena..."

"Old lady, would you agree to me? Please, please promise me, don't tell Ranran."

Kylena Gale reached out and held the old lady's arm, but her sleeve slipped down, revealing A white arm.

There were several bruises on the originally white and delicate arm.

The old lady's eyes were sharp and she grabbed her hand suddenly: "What is this?" "No! Nothing. I accidentally bumped into whatever happened."

Kylena Gale hurriedly pulled her sleeve back.

She seemed afraid of being seen by her bruises on her arm.

Is it Emily Gale again?

Could it be that the girl who looks bright and cute is so vicious and cruel behind her back?

The old lady didn't want to think that Emily Gale was a bad girl. Not long ago, she even thought that Emily Gale was her granddaughter.

After all, once loved, even if I now know that I made a mistake, it really hurts.

It was really difficult to make her mind change all at once.

"I accidentally ran into it, and it will be better soon."

Kylena Gale grinned reluctantly at her, as if she didn't want to mention it again.

She said: "Old lady, don't worry, I will not be close to Young Master Jackson. I will definitely stay away from him and will not hinder them."

"Please trust me, okay?" The old lady looked at her, thinking Emily Gale's face couldn't help but float up again.

Although that face is really not pretty, but she has been hurting her for so long, preconceived, and now, there is no way to hate it.

Kylena Gale probably also noticed that her play seemed a bit overdone.

This old woman has always identified Emily Gale, and has long identified everything about Emily Gale.

Now, if she wants to overturn all her feelings about Emily Gale, her current status alone is not enough for the time being.

Saying too much, it's over.

The old lady converged her mind, supported her with her hands, and said softly: "I won't say anything, Kylena, you get up first."

When Kylena Gale got up, she accidentally hurt her ankle.

But she just clenched her teeth and said nothing.

It was this kind of forbearance and strong appearance that made the old lady feel sorry for it.

"Vic, I have been with Ranran for this period of time, I think... of course she is not a bad girl, is there any misunderstanding between the two of you?" Even if she saw these bruises on Kylena Gale's arm, she still

I don't want to believe it, it was Emily Gale's hand.

Kylena Gale said immediately, "No, we are fine, but we have always been very good to me, really."

The old lady looked at her, and stopped talking.

I don't want to hate Ranran, but Kylena's humble behavior makes her feel distressed.

How to do?

Now she can't let go of both.

"It's also a good thing that you don't get close to Abei. No matter what you have had before, he is already a natural fiancé now."

"I know."

The moment Kylena Gale lowered her head, she completely covered the hatred in her eyes.

The dead old woman really cares about Emily Gale's *btch*, and she still doesn't want to believe that *the btch* beat her!

Even, I want her to take the initiative to give up Young Master Jackson!

However, the moment Kylena Gale raised her head, the resentment in that glance had all become gentle and well-behaved.

"As long as Joseph is happy, I will be happy too, old lady..."

But the old lady was so sorrowful in her heart by her softness.

She held Kylena Gale's hand and said softly: "Kylena, you are so beautiful, and you will definitely find your own happiness in the future."

"You are Ranran's sister. From now on, you will be the same as Ranran. Call me grandma. Okay. Is it?" "Grandma."

Kylena Gale called softly.

The old lady's eyes were a little hazy, afraid that she would lose her manner in front of the junior, so she could only turn her face quickly and wipe away the tears from the corner of her eyes.

When she looked back, she was already the quiet and indifferent old lady of the Jackson family.

"You are a good boy, God will treat you kindly, don't be afraid, grandma will also take good care of you."

Chapter 152

How could such a savage person hurt her foot? Kylena Gale stayed in Jackson's house for two days.

For these two days, I have been living with the old lady.

The women of the Jackson family are almost jealous.

The Gale family sisters don't know what kind of sh*t luck it was. Why did the old lady fall in love with them?

It doesn't matter if you value Emily Gale.

After all, she is Joseph's fiancée, but even Kylena Gale is also interested, what do you mean?

Is it because it is Emily Gale's sister that Aiwu Jiwu likes it?

It was a hell to stay in my room and spend two days and two nights with her!

On the third day, Kylenea Gale could finally walk on her feet, and the old lady allowed her to leave.

It's the weekend, and I don't need to go to school or hurry.

I heard that Young Master Jackson was here today, and Kylenea Gale asked the driver to wait at the gate.

She wandered freely and wandered in the yard.

It is not uncommon for the driver to send her back. What she wants more is that if she can meet Mr. Jackson in the yard and ask Mr. Jackson to send her off in person, that would be good.

Unfortunately, from the back room to the main room, from the back door into the hall, and then through such a large hall, Hunter Jackson was not seen along the way.

Is it in his own Wangjiang Pavilion?

With the old lady these days, Kylenea Gale has almost inquired about everything about the Jackson family.

Young Master Jackson has a separate yard at Jackson's house, located in the east of the front yard.

After she walked out of the hall, she walked towards Wangjiang Pavilion to the east.

I don't know where Young Master Jackson is, but maybe there is a chance to meet him.

"Isn't this the outsider that our Jackson family has been very spoiled for recently?" Suddenly, a voice of disdain came.

The other girl sneered coldly: "Since I'm an outsider, how can there be any reason to be pampered? However, the door is all guests, and grandma is just entertaining."

"It's a pity, people think they are pampered, so they have to live, grandma is so. Kindness, is it impossible to drive people away?" Kylena Gale raised her eyes and smiled.

She also inquired clearly about the information of these women in the Jackson family.

Of these two young ladies, one of them is Jackson Xue'er, the sixth Miss of the Jackson family, and she doesn't recognize the other.

"Miss Six, hello."

Kylena Gale walked over slowly.

Looking at the girl standing with Jackson Xue'er again, she smiled gently: "This...I don't know which lady it is, can you introduce me?" "I am Jackson Mingyue!" The girl's face sank.

Here, there are people who don't even know her!

unacceptable!

"Hello, but... which gentleman's daughter are you? Sorry, I never heard my grandma mention this name."

"What did you say?" Jackson Mingyue was so angry that all of the Gale family were b*tch women, and they were in front of them. Dare to speak wildly!

Kylena Gale blinked,

Point innocent: "Can't understand human words?" "You..."

Jackson Mingyue never thought that an outsider would dare to be so presumptuous in their house!

Although she is not a prostitute of Jackson's family, her father is also grandfather's son, and she is also a serious Miss Jackson's family!

"Could it be that what I said was wrong?" Jackson Xue'er suddenly stretched out her hand and slapped it over.

With a slap, this slap came hard and unsparing.

"You..."

Kylena Gale opened her eyes wide and was staggered by her and almost fell to the ground.

She didn't expect that someone would be so unreasonable, and even move their hands inexplicably.

"Who allows you to call grandma? Do you want to pretend to be Jackson's lady?" Jackson Xue'er curled her lips and looked at her coldly: "I thought I was spoiled by your sister, but I also want to spoil myself in front of my grandma?" "I tell you, You dare to run wild in Jackson's house, I can kill you at any time."

Jackson Xue'er is so savage, it is indeed a bit beyond Kylena Gale's expectations.

She thought that even if these wealthy daughters had a bad temper, they would definitely be hypocritical for their own image.

But I didn't expect that there would be the kind of casual beating.

"Grandma told me to call her like this!" She was not convinced.

She has been favored by the old lady of the Jackson family, and in the Jackson family, there are still people who dare to bully her like this!

"You hit me, I must tell grandma, in the future, you will never have any status in grandma's heart!" This savage lady, Kylena Gale's feud with her is settled!

Originally planned to find some companions in Jackson's house, and stand on the same line to deal with Emily Gale.

But now it seems that this Jackson Xue'er is not a good comrade-in-arms!

Jackson Xue'er narrowed her eyes and stared coldly at her unwilling face.

"Heh, you dare to threaten me! Mingyue, beat me, kill me, I am responsible."

"Yes!" Jackson Mingyue waited for this sentence, and rushed towards Kylena Gale, actually knocking her down. on the ground.

Kylena Gale was completely dumbfounded, everyone, how could there be such a barbaric person?

Her ankle is just right, and now she has to walk carefully.

When she hit her, she fell to the ground with a plop.

After Jackson Mingyue knocked her down, she immediately raised her leg and kicked her.

"Stop! Ah! You live..."

Ah! It hurts! Stop!" For the first time in her life, Kylena Gale was beaten so badly by a woman.

She remembered, but Jackson Mingyue hated every foot so much, she stooped to the ground in pain, where could she get up.

"Stop, stop...ah, ah...you...you are crazy, ah...stop..."

21st century!

How could such a thing happen?

They actually dare to hit people!

Why is it so brutal?

Kylena Gale really regretted it

Who is not good, how can you provoke Jackson Xueer this lunatic?

"Stop, ah..."

"Stop!" Suddenly, a figure walked over quickly, pushing away Jackson Mingyue who was still kicking.

"Do you dare to touch me!" Jackson Mingyue blushed, so who is it?

Anyway, there are many bodyguards in this family, and she is not afraid of any of those people!

"I want you to take care of your business!" Pushed away, Jackson Mingyue couldn't help but waved her hand up.

Qin clasped her wrists one by one and squeezed hard.

Jackson Mingyue suddenly started to cry with pain, "Let go! It hurts! It hurts! Let go!" Qin Yi's expression sank, and he pushed hard.

Jackson Mingyue took a few steps back choked, and finally stabilized her figure.

When he looked up, this man...a bit strange and familiar, he seemed to have seen him somewhere.

However, the man walking behind him, with his unangered and mighty aura, frightened her coldly.

"Big Brother..."

When Jackson Xue'er saw Qin Yi, she was already a little troubled.

Sure enough, as a shadow bodyguard, Qin Yi basically followed his eldest brother.

Qin Yi is here, eldest brother must be there.

Sure enough, Hunter Jackson came.

"Big Brother."

Jackson Xueer, who was still arrogant and domineering just now, suddenly became a well-behaved little sheep when she saw Hunter Jackson.

"What's the matter?" Hunter Jackson's indifferent gaze swept over the two, and finally fell on Kylena Gale.

Kylena Gale fell to the ground, originally didn't want to face Young Master Jackson in such a awkward posture.

But now she is too painful to climb up.

"Young Master Jackson."

Kylena Gale took a breath and said dumbly: "They beat me."

Chapter 153

He is the most powerful "Big Brother, she was the first to speak to me."

Jackson Xueer bit her lip and hurriedly explained: "She actually went wild in our house. Mingyue just taught this person for me."

"I didn't.

"Kylena Gale's eyes were hot, tears rolled down immediately.

"Grandma said that the driver was waiting for me. I originally planned to leave. I didn't expect to meet them here.

They said that I had lived with my grandma for a few days, but when I was angry, they beat people."

Joseph's eyes darkened.

Kylena Gale had been paying attention to his expression, and seeing his eyes changed, she quickly explained.

"I'm sorry, Young Master Jackson, it's... the old lady asked me to call her grandma.

She shouted for two days, but she couldn't change her mouth for a while."

She bit her lip and looked pitifully: "I...

"Big Brother, this b*tch is acting!" Jackson Xueer didn't expect that Kylena Gale's acting skills would be so good.

When I faced them just now, I was arrogant.

An outsider, who is like a master in their house, are you angry?

But now, in front of her eldest brother, she was so aggrieved and weak as a victim!

Jackson Xueer was so angry that she wanted to kick her on her body: "Big Brother, she was very arrogant just now!" "I'm just an outsider, and our Gale family is just a small family. How dare I be arrogant in front of Miss Jackson Jia?" Kylene Gale Looking at Hunter Jackson, whether it was speaking or demeanor, he was humble and pitiful.

"Maybe it was my grandma that made Miss Six upset. I'm sorry, I really don't dare anymore. Young Master Jackson, don't be angry."

Hunter Jackson just glanced at her indifferently, and then his eyes fell on Jackson Xue'er. .

Jackson Xueer's back suddenly brightened, and her heart fluttered.

"Big brother, I...I'm also angry, and it's not her grandmother. Why is she... calling like this?" "You often beat people like this?" Hunter Jackson asked suddenly.

Jackson Xueer shrank slightly, and cautiously said: "I...I didn't..."

"Last month, a maid at home committed suicide. Is it related to you?" "Brother, it was the maid who committed suicide inexplicably. What does it have to do with me?" Jackson Xueer took a half step back, but tried to stand up straight again: "Big brother, didn't dad tell me, it has nothing to do with me."

"Dad is too indulgent to make you lawless. I still don't know how to repent."

With a wave of his hand, the two bodyguards who emerged from nowhere, immediately walked to Jackson Xue'er.

"Take her back, lock her in the room, think behind closed doors for a week, and no one is allowed to let it go."

"Yes!" "Big brother! You actually want to bully me for this woman?" Jackson Xueer didn't expect that the big brother really wanted to do it. Kylena Gale came out.

Although they don't usually

How to get along, but no matter what, he is also his half-sister, a real sister!

"Big brother! Are you all fascinated? Why is grandma like this, so are you?"

"What is so good about these two women in their family? You protect them! Big brother, I am your sister, big brother ..."

"Take it away!" She didn't want to go, so she had to be taken back.

"Big Brother..."

Jackson Xueer was escorted by two bodyguards, and the sixth Miss Jackson's family did not even show any pity.

Even dragging, really want to take her back, locked up and thought about it!

Jackson Mingyue panicked with fright, looking at Jackson Xue'er who was taken away, she was so frightened that she couldn't even speak a word.

Xueer is the eldest brother's sister, and she...she is just a cousin.

"Apologize!" Sure enough, Cher was cleaned up, and it was her turn next.

As soon as Hunter Jackson said these words, Jackson Mingyue softened her legs and sat on the ground with a thud.

"I... elder brother, I..."

“Apologize, give yourself as many slaps as you kick her.”

Hunter Jackson is not a patient person. Say this once, never say it again.

“Big Brother...”

Jackson Mingyue called out desolately.

Hunter Jackson turned around to leave.

But if he really leaves, his situation will be truly bleak!

Jackson Mingyue didn't dare to take risks, and hurriedly said to Kylena Gale in a loud voice: “I'm sorry, it's me who is not good, please forgive me!” She no longer remembers how many times she kicked Kylena Gale, but the eldest brother didn't dare to fail.

Immediately opened the bow from left to right and slapped himself severely.

Snapped!

Snapped!

Snapped!

Unspeakable loud!

Kylena Gale really opened her eyes.

She didn't expect that Joseph's indifferent words could really make these incredible daughters not only apologize to herself, but also slap her to atonement for her sins!

Life at this moment, it's almost like hanging up.

When Jackson Mingyue was about to fight, Kylena Gale said weakly: "Forget it."

She looked at Joseph, and said in a low voice, "Be forgiving and forgiving.

She just listened to Miss Six.

She is actually not that bad."

Jackson Mingyue didn't know how many slaps she slapped.

A dignified wealthy daughter was bullied like this because he kicked someone a few feet!

There were tears in the corners of her eyes, but she did not dare to let them fall.

My eldest brother hates women crying the most.

Any woman crying in front of him will make him impatient.

When Hunter Jackson waved his hand, Jackson Mingyue dared to stop.

Looking at Hunter Jackson pitifully, she whispered: "Brother, are you satisfied?" "Why should I be satisfied?" Hunter Jackson was expressionless, as cold as a perfect sculpture.

Jackson Mingyue took a deep breath and stared at Kylena

posture.

Even if I slapped myself just now, I didn't feel wronged, at most I was not convinced.

But now, if she asks this bad woman who likes acting, she is really wronged.

Tears rolled in his eyes, Jackson Mingyue always gritted his teeth and endured it!

"Miss Gale, are you... satisfied?" His lips hurt so much.

Of course Kylena Gale was satisfied, but now she didn't have the slightest expression of pride on her face.

On the contrary, a look of compassion.

"It's too pitiful to be beaten like this."

"You don't need to be pitiful!" Jackson Mingyue clenched her fists.

If this bad woman is really so kind, she won't let her beat herself for so long before she doesn't care.

She grinned in pain, but she was still asking, "Miss Gale, are you satisfied?"
"Sorry, I..."

Kylena Gale looked at Young Master Jackson.

The latter's face is always like an iceberg for thousands of years, and there is no crack in his love.

Kylena Gale whispered: "I don't need your apology anymore, I'm fine."

Jackson Mingyue immediately stood up and looked at Hunter Jackson: "Big Brother..."

"Don't do anything wrong with Jackson Xueer in the future."

This is regarded as a reproach for her brother. .

"I see."

Jackson Mingyue lowered her head and hurriedly left.

Faintly, she can still hear her sobbing.

It was after leaving before that he dared to cry.

In front of Young Master Jackson, he dared not shed a single tear.

Kylena Gale looked at Hunter Jackson, and she was completely drunk.

She knew that in all the world, only Young Master Jackson was the best.

Only by becoming a young master Jackson can stand on top of everyone's head and become a master.

"Young Master Jackson," she bit her lower lip, with a frail look: "I'm really fine, I..."

Unexpectedly, the man said coldly, "Since it's fine, I can't get up yet?"

Chapter 154

She can't!

Kylena Gale was a bit wronged.

When Young Master Jackson was in front of the old lady, although his voice was indifferent, at least he could hear a touch of gentleness.

But now, talking to her, it was so cold.

He is so unfair!

But she doesn't dare to lose her temper now, at least, she has to wait until Young Master Jackson loves her so much that she can be presumptuous.

Looking up at Hunter Jackson, Kylena Gale's face was forbearing and wronged.

"I... my waist hurts a bit, I'm sorry..."

She was holding the flower bed on the side with her hands, trying to get up, but her body only got up a little bit, and then fell back.

Still looking up at Hunter Jackson, tears came out of her anxiously.

"Sorry, Young Master Jackson, I...I can't get up, give me a little more time."

Hunter Jackson glanced at Qin, and Qin Yi immediately bent over and said, "I will help you."

Gale Kylena was a little discouraged. Didn't Mrs. Jackson agree to the old lady and protect her in the future?

Seeing her being bullied so much, he just taught her bully, but didn't take care of her.

Is this also a guardian?

She still looked at Hunter Jackson, as if she dared not do anything, she could only wait for his instructions.

But Hunter Jackson has turned around and walked in the direction of Wangjiang Pavilion.

I left her here, no matter what.

"Miss Gale, let me help you go back."

Qin Yi still stood by her side, reaching out to her.

Kylena Gale was finally convinced by herself.

Young Master Jackson now has a fiancée, even if she wants to take care of her, he can't be brazen.

After all, the Jackson family are still in this yard.

But he left his people to take care of himself, at least it can be seen that Young Master Jackson cares about her.

If you don't care, how could it be possible to lock Jackson Xueer behind closed doors for her.

Also, Jackson Mingyue was tortured so badly, all for her.

Wanting to understand this, Kylena Gale's mood suddenly improved.

Putting her hand in Qin Yi's palm, she gasped gently: "My waist...it hurts, please be lighter."

"Okay."

Qin Yi gently supported her and made her stand up.

"Are you going out? I'll take you to the garage."

"I...I can't go now, I..."

"Injured so badly?" Qin Yi thought that the girl is weak, and she should be kicked a few times by the girl.

It won't hurt anything.

But now that Gale Kylena looked like she was seriously injured.

"I haven't been in good health since I was a child, I'm sorry..."

Kylena Gale lowered her head, hiding her thoughts.

Qin Yi said hurriedly: "Then, Miss Gale, I will take you to Wangjiang Pavilion to have a rest first, and let the doctor show you."

"No, I just need to take a rest, no need to trouble the doctor."

Wangjiang Pavilion!

Kylena Gale's heart is in full bloom, and she has a kind of climb

The feeling of being at the pinnacle of life.

Everyone knows that not everyone can go to the Wangjiang Pavilion of Young Master Jackson.

The two Jackson Jia girls tried their best, and they were not allowed to take their friends.

But now, she can easily walk in.

After Hunter Jackson returned to Wangjiang Pavilion, he went directly into the study, and never came out again.

Kylena Gale is enjoying herself here.

From the words of the old lady in the past two days, she knew that Young Master Jackson had promised the old lady and would protect her in the future.

The loved one is always so confident.

After Jackson Xue'er was banned, no one would dare to touch her in Jackson's house.

At the moment of the euphoria, in the courtyard outside the hall, a slender figure suddenly came into view.

Oh, what a coincidence, I didn't expect to encounter it here.

Seeing Qin Yi also leave, Kylena Gale stood up.

Before Emily Gale could enter the door, she blocked her from the hall door.

"Why are you here?" Emily Gale has lived in the school for the past two days, and it is not clear what happened to the Jackson family for the time being.

Kylena Gale came three days ago, but she just didn't expect that she would still be there after three days.

The strange thing is that she was not in the old lady's back room, but appeared in the Wangjiang Pavilion of the young master Jackson?

When does this place start, anyone can come in?

"Joseph invited me, why can't I be here?" Kylena Gale raised her lips slightly, and she was willing to show her most beautiful side at any time.

Even when facing the person he hates most.

Emily Gale ignored her and wanted to pass her into the house.

Aspen Li sent her here, but he didn't know what Young Master Jackson asked her for.

It was only an accident to see Kylena Gale.

After a little surprise, she didn't feel much about it.

How could Kylena Gale let her leave like this?

She opened her arms and stopped her.

"Joseph is working, are you going to disturb him?" "Young Master Jackson asked me to come, why can't I go to him?" Emily Gale was expressionless.

"Of course, it's not that I said you, you have to know how to look at your face. Now I'm here, this place doesn't need you anymore."

Emily Gale finally fell on her. How could this woman always be so self-righteous.

"I am not needed in this place, I am afraid it is not your turn to make a decision."

She was about to go, and Kylena Gale stepped forward, and the two immediately ran into each other.

Kylena Gale was bumped to the ground, and she whispered in an instant, "Ah! Of course, why are you bullying?" Emily Gale was so sick of this kind of trick that she wanted to vomit on the spot.

By the way, someone is stupid and can't tell right from wrong!

Qin Yi just came out of the hall and rushed to see Kylena Gale lying on the ground.

"Vi

Miss Zi, what's the matter?

Where is it hurt?

"Young Master Jackson called her Miss Kylena! Emily Gale's eyebrows twitched, but didn't say anything. Qin Yi helped Kylena Gale up, and the look in Emily Gale's eyes was a little more defensive.

"Madam Young, Kylena."

The young lady is a distinguished guest of the eldest master, in the future... please be kind to her.

" "what did you say?"

"Emily Gale's face darkened. What do you mean to be polite to Kylena Gale? Did Kylena Gale be fooled by this acting skill? The first master of Joseph's side, heh, the eyesight is really good! Qin Yi I know that my own words will definitely cause the young lady to be uncomfortable. But this is the task that the elder master confessed. He said indifferently: "From today onwards, Miss Kylena is the goddess of the eldest master. From now on, to bully Miss Kylena will be against her. Young master's provocation.

"Goddess! Kylena Gale was shocked.

She didn't expect her to be in such an identity. What kind of goddess, she is a woman of Young Master Jackson! It seems that the old lady just wants him to protect herself.

It's not enough! Before that, she must get rid of Emily Gale! Otherwise, there will be endless troubles! But for Emily Gale, the identity of the goddess is like a sharp blade, which instantly cut a piece in her heart. Bloodstains. What do you want to do with your brother and sister? What good things can you do in the future? In these years, what kind of so-called brother and sister have a truly pure relationship? Other women, she Emily Gale can endure , And Young Master Jackson will definitely not belong to him in the future. But she can't! In the last life, this woman killed herself! Kylena Gale, absolutely not!

Chapter 155

If you want, I won't stop Emily Gale from walking towards the hall without looking at Qin Yi and Kylena Gale.

"You can't stop Young Master Jackson, he is really busy."

Kylena Gale wanted to stop.

Qin said, "It's the eldest master who invited Mrs. Young to come over.

It's not a hindrance."

"Oh!" Kylena Gale replied lightly, and then asked, "What did Joseph do with her?" Qin Yi thought this problem was true.

It's a bit weird.

They are unmarried couples. Isn't it normal to find Mrs. Young?

However, facing Kylena Gale, he was particularly patient.

"This is the matter of the young master and the young lady, I don't know."

Kylena Gale said nothing, she probably knew that this question of herself was a bit too high for him.

Qin Yi saw that her complexion didn't seem very good, and thought she was saddened by Emily Gale's anger just now.

He comforted: "The eldest master said, you can find him if you have anything in the future."

"Really?" Kylena Gale looked surprised, "Then, I can also tell others, is he my brother?" Brothers and sisters or something, although not the result she wanted.

However, Young Master Jackson has a fiancée for the time being. Before this fiancé disappeared, it was a great honor to be Young Master Jackson's god-sister.

Qin nodded: "Naturally."

In this way, everyone can take care of the girl more for the sake of the young master.

Kylena Gale was finally satisfied for the time being.

She looked at Qin Yi and smiled softly: "Thank you for helping me just now. If you didn't show up in time, Emily Gale, she..."

She lowered her head, bit her lip and did not continue.

No, the effect of this is not to mention endless reveries.

It's like, she's usually at Gale's house and she's been bullied by Emily Gale all the time.

This girl was beaten by someone from the young master at Gale's last time, but Qin Yi was actually there.

At the time, I felt that she was indeed innocent.

Looking at her like this now, she suddenly felt sad for her.

He sighed slightly, and said seriously: "From now on, no one will dare to bully you."

"Yeah."

Kylena Gale nodded, her little face smiled contentedly.

A soft and gentle smile, in the sunshine, it is indescribably beautiful.

For a time, even Qin Yi looked a little lost.

Kylena Gale knew how beautiful she was, and she knew what a man's eyes meant.

But she pretended not to see anything, and approached Qin Yi two steps, both her breath and voice were so gentle.

"Thank you for helping me just now. If I get into trouble in the future, can I find you?" "Dang, of course."

Qin Yi stepped back two steps in a hurry and distanced herself from her.

But the moment of closeness just now made his breathing a bit messy.

The fragrance of her body, her breath, was remembered by him

Up.

Seeing his blushing face, Kylena Gale knew that the goal had been achieved, and smiled at him again.

"Then, can I walk around in Wangjiang Pavilion and take a look at the surrounding environment?" "You are the god-sister of the young master. You will naturally be able to enter and exit freely in Wangjiang Pavilion. No one will stop you."

"Thanks. Now."

Kylena Gale turned around and walked towards the backyard.

The bright smile instantly became a proud breath when she turned around.

It turned out that after being valued by Young Master Jackson, life really seemed to be broken.

This feeling is really cool and cool!

Thanks to Emily Gale's blood sample obtained later that day, after the identification, she knew that she was really related to the old lady.

Otherwise, she would not take such a steep plan to let Siniya Ye perform such a play in front of the old lady.

The old lady is really old. Not only is she dying, she is so old that she doesn't even have the ability to distinguish.

As long as the old lady believes that he is her granddaughter, he will never leave the old lady's "only blood relative" as long as Hunter Jackson owes it to the old lady.

And this only blood relative, now, has become her.

Life is simply wonderful.

... When Emily Gale walked into the study, Hunter Jackson was still working.

Seeing this girl, she was a little depressed, and she seemed to lose it.

He said: "Come here."

There is a design drawing in his notebook, which is a garden design plan for the backyard of the villa.

It has been done for a whole week, and it was delivered today.

I originally planned to show it to this girl after returning to the villa, but I don't know why, in order to let her see it earlier, Aspen Li directly sent the person over.

Hunter Jackson didn't know what his mentality was, and he couldn't even wait for half a day.

Just think about it, after this girl moved to the dormitory, she really didn't want to come back.

He seems to...have not seen her for several days.

Emily Gale walked to his side, did not look at the drawings in the notebook, but looked at his profile.

Since the last time he saw him and Daniel Jackson in the yard near the back room of Jackson's house, they seemed to have never seen each other again.

She also deliberately wanted to avoid it for a while, she was in a bad mood, and she didn't want to go back to face his anger.

Moving to the dormitory, in fact, is a bit of escape.

Since he asked Aspen Li to bring her this time, he was originally thinking about explaining what happened that day.

But she didn't expect to hear such an explosive message as soon as she came: he recognized Kylena Gale as a goddess.

"She can't."

Emily Gale calmly said before Hunter Jackson spoke, "I won't stop any woman you want, but Kylena Gale can't!" She won't stop any woman you want?

Joseph North Fingertip One

Suddenly, his eyes moved away from the design drawing and fell on her face.

This sentence extinguished his enthusiasm just now.

"You asked me to ask for another woman?" He squinted.

Emily Gale knew he was upset, but now it is him who is with other women's brothers and sisters!

Is he still upset?

Heh, the status is honorable, is it so great?

"Kylena Gale has a vicious heart.

It's definitely not as meek and innocent on the surface!" "And then?" Hunter Jackson dropped the mouse, his long legs overlapped, so he could look at her in time.

But he didn't look like he really wanted to listen to her.

On the contrary, obviously resisted.

"I know she is beautiful, but she is really not a good person. Even if you want a woman, please keep your eyes open and find someone with a better mind."

"For example?" He kept saying that he was looking for a woman. Now, he
What woman did you find?

He was angry at the last time about her and Daniel Jackson's affairs. Thinking back, he knew that it was not her fault.

With Daniel Jackson's character, it's not surprising that he deliberately pissed off him.

But he didn't expect that everyone had separated and calmed down for a few days. When she came, she said he was looking for a woman?

"A better-minded woman, for example, are you?" The man's words were emotional, but Emily Gale became angry when he heard it.

In his mind, can he be compared with those women?

The scene of the tragic death in the previous life suddenly returned to his mind.

What did she say?

Before she died, she told herself that if there was an afterlife, she would never fall in love with this man again.

But what is she doing now?
