

## Love Through Time and Space

### Chapter 27

"Yuxuan, my old acquaintance is here for the first time. I just want to see if I can help."

After finally catching Emily Gale's chance of making a fool of himself, how could Ye Fangfang give up easily? She smiled and said: "They may not know much about wine, what they say about SENDEVISION, CONSAICE, and meet each other, I can't watch them make a fool of themselves, right?"

Unexpectedly, Jackson Yuxuan's face became darker, and his voice sounded even more unhappy: "I said, come back!" "Yuxuan..."

"This lady, SENDEVISION in 1978 and CONSAICE in 1982, our hotels are both Yes, but there are only two bottles of each in the entire hotel."

The waiter Chong Ye Fangfang nodded, based on good professional training, his face still has a small smile, other than that there is no other expression.

After taking care of Jenni, the waiter's attitude was much better than before. He said: "I'm sorry, lady, these four bottles of red wine are from our hotel's collection.

They are...prepared for Mr. Jackson, so..."

Mr. Jackson! In the entire Beiling, who dared to use the title "Young Master Jackson", besides Hunter Jackson, who else? In Beiling, even if someone has the surname Jackson, even if he happens to be the eldest young master in the family, but outside, no one dares to say that he is the young master Jackson! Emily Gale smiled: "Since it's the love of Young Master Jackson, I don't want to be loved. Give me four bottles of Sprite."

The waiter nodded and placed the order. Ye Fangfang only felt cold all over, but he didn't expect that there are really these two kinds of wine in this world,

and this wine is still in the heart of Young Master Jackson! Regardless of whether these two wines are good or not, since they are something that Joseph likes, they must be top luxury items! She even made fun of Emily Gale in public for not knowing wine, and even said so loudly that there are no two kinds of wine at all. Now...

"Ha..."

Not far away, a girl couldn't help laughing.

At other dining tables, laughter gradually came. Of course, they were all laughing at her not only ignorant, but also wanted to use ignorance to make fun of others. Ye Fangfang was angry and embarrassed, her fingertips were constantly trembling, she wanted to say something, but couldn't say a word for a while.

It turns out that Jackson Yuxuan was so unhappy to let her go back just now because he saw through her ignorance! What a shame! Ashamed to make her want to cry! Ye Fangfang gritted her teeth and slid back to her position. Emily Gale must have heard of these two kinds of wine from Young Master Jackson, so he regarded himself as an expert! Didn't they order the meal? She just waited and watched, how would she cry and stay to wash the dishes when those dead and poor ghosts can't afford it! You can't afford to wash the dishes for such expensive dishes! She doesn't mind helping the police! Hundreds of thousands, enough for them to drink a pot. Jackson Yuxuan's face was not very good-looking, Ye Fangfang immediately took his hand, Nu Nu's lips acting like a baby.

"Yu Xuan, you know, the tutor is very strict. My father doesn't let me drink. I don't like this thing. How could I study drinks every day like those lowly girls?" She shook Jackson Yuxuan's hand, The voice was even more delicate: "Yuxuan, don't you like the kind of bad girl who goes to nightclubs every day and changes men every night?" Su Xiaomi almost couldn't help standing up and scolding him. Who changed men in nightclubs every day? Ye Fangfang, a b\*tch, one mouth is enough! Emily Gale pushed her back and smiled: "This is a

high-class place anyway, let's be quiet, don't learn from others making noises or being rude."

Her voice is not loud, but it is more than enough to be heard by the people around her. ! "b\*tch! Who are you talking about!" Who is Ye Fangfang, who grew up in the palm of his hand by the people of the Ye family, how can he stand this kind of grievance? Emily Gale wouldn't pay attention to her naturally, but the gazes around her became even more disdainful. If Ye Fangfang didn't get angry, he had to go over and argue with Emily Gale, but Jackson Yuxuan, who was at the same table, said, "If you don't want to eat, let's go."

He really felt ashamed! Originally, it seemed that this girl was sweet and lovely, and she was Kylena Gale's cousin. Based on his love for Kylena Gale, Aiwu and Wu also liked Ye Fangfang.

Although she was charming before, Jackson Yuxuan felt that this was the unique cuteness of the little girl, so she let her behave like a baby. But today, in front of the girl named Emily Gale, he actually felt that Ye Fangfang was like a clown! Although Emily Gale looks really ugly, with indescribable freckles on her face, she is elegant in conversation and has a blue temperament! This kind of aura is not something that ordinary girls can cultivate. If it weren't for Kylena Gale to look a hundred times better than her, he really wants to think that Emily Gale's current temperament is not even comparable to her! Now looking at the girl sitting across from me, I really feel disgusting! Ye Fangfang knew that he was angry, even if he was wronged in his heart, he did not dare to continue the trouble.

The dishes were brought up at the right time, Ye Fangfang kept his mouth flat.

Although it was not troublesome, he just didn't eat it! She was wronged! She is sad! She was bullied! Jackson Yuxuan didn't even console him, and even blamed it! She just doesn't eat it! Although, the deep-sea lobsters, fumigated king crabs, and Jipin abalone with royal sauce all looked mouth-watering. But

if Jackson Yuxuan didn't coax her, she would not eat it! On the other hand, Su Xiaomi and Yang were restless for two seconds at the table next door.

After seeing the dishes that came up, they couldn't help it anymore and feasted on them. By now, the food is served, and you have to pay if you can afford it! In this case, it is better to eat a hard meal, and then think of a way after eating.

At most, pawn all the property! Let's talk after eating! "It's delicious! The meat of this king crab is smooth and tender. I have never eaten such a delicious big crab!" Su Xiaomi was so happy that she almost shed tears. Yang Yi also ate completely disregarding his image: "It's delicious, it's so delicious!" Even the calmest Jackson Tianyou immersed himself in the pain, with a rare smile in his eyes. Top hotels are expensive.

Although they are really expensive, eating the food here is definitely a great enjoyment in life! Not only the ingredients are very fresh, but the cooking techniques are also world-class! good to eat! It's so delicious that I even forgot the last name. Emily Gale hasn't eaten so happy in a long time.

Although after marrying Hunter Jackson in my previous life, I have tasted all the delicacies of mountains and seas, but eating it alone is completely different from eating it in a group. In the last life, even if Hunter Jackson accompanies her to eat, he still cherishes ink at the table.

She really didn't understand what she was pursuing at that time, and gave up everything she once had for a man who didn't love her. One-hearted and single-minded just to please him, but in the end, there is nothing, is it worth it? The answer is obvious.

"A group of hungry ghosts reborn!" Not far away, Ye Fangfang rolled his eyes at the few people and snorted coldly. However, Jackson Yuxuan has not coaxed her until now, she is almost starving to death! What is this man doing? With great difficulty, until Emily Gale's table was clean, she immediately stood up and walked towards them.

"Have you eaten? It's time to check out, right?" The smile on his face looked very sweet, but in fact it passed by a touch of coldness.

"After eating so much, this meal is very valuable, Jenni, do you have the money to check out? Do you need help?"

## Chapter 28

what do you say, go home and talk about this woman, mentally disabled, vulgar, vicious, nauseating . Emily Gale leaned back in the chair and glanced at her sideways: "It seems that Miss Ye wants to settle the bill for us, so well, I can hardly ask you to ask it once."

The waiter heard that the bill was going to be settled, and was already ready. In fact, although he also saw people like Ye Fangfang not pleasing to his eyes, he was most worried about the four boys and girls not having the money to pay the bill.

After all, it's really not cheap! Hearing Emily Gale's words, the waiter immediately walked to Ye Fangfang. Ye Fangfang blushed and looked disgusted: "Sorry, I forgot to bring cash today."

"It doesn't matter, just swipe the card. In these days, who is willing to bring cash out of the house?" Emily Gale said with a smile. Su Xiaomi also smiled crookedly, and cooperated seamlessly with Emily Gale: "I said Miss Ye, would you not have money to invite us to dinner?" Yang Yi immediately said, "Since there is no money to invite us to dinner, just Don't always dangle in front of us to brush your sense of existence, thinking you are so generous."

Although Jackson Tianyou didn't speak, there was a smile in his eyes. Once this person who is cold and accustomed to laughs, it looks pretty good. But now, where does Ye Fangfang think to see whether a person looks handsome or ugly? She didn't expect that she had originally wanted to watch a joke, but dug a hole and jumped down.

She looked at Emily Gale, her face sank: "Miss Gale Jia, I don't know you so well. Since you have no money, don't come to such a high-class place."

Emily Gale didn't look at her, just looked at her.

A little friend: "Do you want to stay in this hotel tonight?" The three little friends immediately shook their heads. How much would it cost to stay here for one night? Do not! I can't even think about it! I don't know how to solve this meal yet! "I think."

Emily Gale took out a card from his bag and handed it to the waiter: "It seems that my so-called friend has no money to help me settle the bill. I'm so sorry for a long time. I didn't expect to be a poor ghost."

You help me see if there are any suites in the hotel, which can accommodate four people."

She didn't want to live in Jackson's house tonight, and of course she didn't want to look back at home, so it is a good choice to live here. No matter how savage Daniel Jackson's people were, they would not make trouble in such a high-class hotel. This Beiling is still a place ruled by law! With sharp eyes, Ye Fangfang saw a black diamond card on the waiter's plate! Diamond black card! That is a limited edition! The minimum limit for each card is 50 million, and there is no cap! How could Emily Gale this poor ghost have such a card? After the waiter saw the diamond black card, the expression on his entire face changed instantly, and he immediately bowed and laughed, "I will arrange a luxurious suite for the lady."

"Wait a minute! This is impossible!" Ye Fangfang stopped in front of the waiter. , Said anxiously: "Do you know who she is? It's just an unfavored lady in the Gale family!" "It's impossible for anyone in the entire Gale family to have such a diamond black card. Can she have a despised young lady? This is unscientific. !" Although the minimum limit of this diamond black card is only 50 million, in fact, 50 million is nothing to the wealthy of the upper class. However, this does not mean that you can open it with 50 million.

The number of black cards in each bank is limited, let alone diamond-level. Let's put it this way, ordinary banks are unwilling to issue you a diamond black card if the value is less than ten billion! The total wealth of their entire Gale family is far away from tens of billions. Can people in the Gale family issue diamond black cards? joke! "This card must be fake, you can check it out!" The eyes of the three friends also fell on Emily Gale. Of course, they did not suspect that the card was fake, but how did this card come from? The people around also stared at Emily Gale and looked at her head to toe.

The diamond black card is more advanced than the black card. With so many people present, no one is qualified to own one. This little girl with freckles and freckles is ugly or even a bit ugly, where's the card? If it's not fake, it's...stolen? The waiter was about to say something. Suddenly, a low magnetic bass came over: "Meaning, my card is fake?" His card... Everyone's eyes swept over. Emily Gale's fingertips tightened, but he didn't expect to meet him here! How could it be so coincidental! Young Master Jackson, followed by Aspen Li and Ye Han, came out of the stairwell and walked towards this side surrounded by the hotel manager and several waiters.

The waiter with the tray recognized it for the first time and immediately greeted him. He greeted him with a bow: "Young Master Jackson, this, this is your card?" Hunter Jackson did not speak, the waiter picked up the card carefully. On the back of the card, the diamond's customized name is exactly Hunter Jackson! Everyone was stunned! This girl with freckles has something to do with Young Master Jackson! "RJenni..."

Su Xiaomi secretly pulled off Emily Gale's hand. Could it be that what Ye Fangfang said about her relationship with Young Master Jackson and Young Master Jackson, is it true? However, she didn't believe that Jenni would do such a thing. Emily Gale suddenly stood up and looked at Hunter Jackson: "Young Master, can I take a step to talk?" "I have something to do. I will go home later."

Hunter Jackson just glanced at her indifferently and turned to Go to the box. Late... I'll talk about it when I go home! Come back home! Could it be that this

girl and Young Master Jackson... live together? Who is she? Could it be that Emily Gale, the girl who escaped from marriage on the night of his engagement with Young Master Jackson two days ago? Many people in the business world know this, but Su Xiaomi and others are not business people, and the news is not so well informed. Emily Gale never liked to talk about her at Gale's family.

They didn't know that Jenni was going to be engaged to Young Master Jackson. But now, Mr. Jackson's words meant that Emily Gale was his. Who dares to offend his people! Ye Fangfang was dumbfounded.

Although he knew that Emily Gale and Hunter Jackson were related, didn't they mean that the relationship was not good at all? The cousin Kylena Gale also said that the person that Mr. Jackson hates most is Emily Gale. But just now, although Young Master Jackson didn't say anything to Emily Gale, the tone of his speech was clearly the feeling of a family. How could this be? "Yuxuan..."

Seeing Jackson Yuxuan coming, Ye Fangfang seemed to see the life-saving straw, and wanted to rush over. Jackson Yuxuan didn't even look at her, and quickly caught up with Hunter Jackson: "Brother, you are here too, it's a coincidence."

"Yeah."

Hunter Jackson nodded, but did not stop. Aspen Li smiled at Jackson Yuxuan and said, "Young Master has an appointment with a few friends, can Young Master Yuxuan come with me?" "I... can I?" Jackson Yuxuan was flattered, watching Hunter Jackson's eyes full of admiration! "of course can."

Jackson Yuxuan immediately followed Aspen Li, and Ye Fangfang was thrown down by him, unable to hold even a look. Who doesn't know that the people who can eat with Young Master Jackson are all big figures in Beiling. If you have a meal with Jackson Da, you don't know how much you can expand your network. Who doesn't want to? "Yuxuan..."

Ye Fangfang chased after him, "You are gone, what should I do?" "I'll talk about it later."

Jackson Yuxuan pushed her away by holding her hand in disgust, and quickly followed the first few people.

"Yuxuan..."

Ye Fangfang wanted to chase, but was stopped by the hotel manager. Ye Fangfang stomped anxiously as they watched them enter the high-level VIP box.

At the other end, Su Xiaomi smiled and said: "Oh, Miss Ye, your sponsor is gone, but it seems that you haven't paid for this meal yet?"

## Chapter 29

Parking garage, ten minutes, Ye Fangfang froze for a while and turned around. Look.

At the place where they were sitting, most of the food was eaten, but Jackson Yuxuan had already left.

"This, this is not me...I eat."

Ye Fangfang was a little uneasy in fright. This table costs at least a hundred thousand.

"That's... it's what Master Yuxuan ate..."

"However, Master Yuxuan didn't seem to explain anything. You are at the same table with him. Isn't it a matter of course to check out?" Su Xiaomi put her hands around her chest and looked down with disdain. On her face: "You are Miss Ye Family, you can't even afford to pay for a meal, right?" It's really Feng Shui, what did Ye Fangfang just say? Now, Su Xiaomi returned to her as

it was: "After eating so much, this meal is very valuable, Miss Ye, do you have money to check out? Do you need help?" "You..."

Damn Su Xiaomi! How dare to make fun of her with her words! "Heh, but, we won't help you check out! If you don't have money and want to eat Overlord's meal, I can help call the police."

"Who said I have no money?" Ye Fangfang is a young lady from the Ye family, with a private house of more than 100,000.

She still has money. But it hurts! Hundreds of thousands, you can buy two or three good bags in one go! How could this be? Jackson Yuxuan, that bastard, took her out to eat, but slipped away by himself and asked her to pay! What Young Master Jackson, it's sh\*t! Women have to pay for meals, which is too much! Seeing the bill from the waiter, Ye Fangfang wanted to cry without tears. Hundreds of thousands, it hurts her to die! "If it's really embarrassing, I can treat you to this meal."

Emily Gale, who had just stood up, suddenly said. Ye Fangfang wanted to say, who wants you to please? However, there are hundreds of thousands and mianzi...no one here knows me, mianzi...that is, just lost here.

After leaving, everything here has nothing to do with her, right? "You, you are raised by Young Master Jackson, so rich, everyone... I don't mind if you want to invite me for a friend."

She squeezed her palm, and immediately said to the waiter: "She said she would please, Anyway, she has a black card, just swipe her card!" Ye Fangfang turned and left! Emily Gale, that stupid woman, actually paid her for the sake of face, an indifferent face, but hundreds of thousands! She went out, does anyone know about this? Even if these people mentioned it later, she didn't admit it, who would believe it? Ye Fangfang made up his mind and left immediately. Su Xiaomi pulled Emily Gale's sleeve and looked unconvinced: "Why do you want to settle the bill for her? Hundreds of thousands!" It hurts!

"It's okay, isn't Yang Yi still filming the video? I will post it to all major platforms tonight."

Emily Gale smiled softly and took out the diamond black card again. Yang Yi smiled and said: "Don't worry, in less than an hour, everyone will know that Miss Ye Family Ye Fangfang has no money to eat, so I can help check out."

"Emily Gale, what do you mean?" Ye Fangfang was about to walk to the elevator.

After a meal, I immediately walked back! "You dare to slander me! I want to call the police!" "Did we slander you? I'm swiping the card for you now, isn't it true?" Emily Gale shrugged and looked innocent: "I didn't fabricate the facts. Now, we still have a video to prove it."

"You...you...you...too much!" Ye Fangfang was so angry that his fingertips were shaking, and he hurriedly opened his bag and took out a card.

"I'll pay for it myself! Who wants you to please? You are so ugly, you just want to please, and I still don't want to eat it! This freckled face is disgusting and undead!" Only a hundred thousand! It's not that I can't afford it! These b\*tches are too much! Seeing Ye Fangfang swiping his card angrily and annoyed, the four friends smiled knowingly, and the surrounding guests were happy. In the end, Ye Fangfang gave Emily Gale a fierce look, and when he turned and left, he burst into tears. Hundreds of thousands, several brand-name bags, but not even a bite of food! To deceive people too much, really deceive people too much! "Let's go, stay in a high-end hotel."

Emily Gale put away the diamond black card, in a good mood.

The waiter immediately sent them in respectfully.

The two-bedroom and one-living suite is not at the presidential level, but it is luxurious enough.

"God! The sofa is so soft, the room is so big, and the bathtub can be washed by several people..."

After Emily Gale gave a blank look, Su Xiaomi immediately stopped, but still grinned: "Anyway, it's so big and big! "I have never stayed in such a high-class hotel in my entire life."

Yang Yi touched here and there, I couldn't believe it. Right?

A lot of information kept flashing through Su Xiaomi's head. Suddenly, she opened her eyes wide and stared at Emily Gale.

"No, right? Isn't Jackson Da Young just engaged?

It's not right.

It seems that the fiancée escaped from marriage and the engagement banquet was cancelled... Of course, you won't..."

Emily Gale looked at her, thinking she had guessed it. No, Su Xiaomi said shockedly: "It's not that Mr. Jackson was dumped. , When you were in a bad mood, you happened to take advantage of the loopholes to comfort him, so... So you just became his woman?"

Jackson Tianyou stood in front of the French window, staring at Emily Gale silently.

"With such a good imagination, why not write a novel?"

"Emily Gale almost rolled her eyes at Su Xiaomi."

"What the hell is going on!"

"Su Xiaomi also felt that Yi Ranran was like this... Cough, Zili, even if she wanted to comfort Young Master Jackson, she probably wouldn't have her

turn. But now, Master Jackson said to “tell her at home”, they are family members. People! Yang Yi also stared at Emily Gale, without letting go of her every expression: “Did you really...follow him?”

Everyone was curious, but Emily Gale looked like it didn't matter to him.

She stood up and walked into the room: “A bunch of idiots!”

“Hey!

You can make it clear, who is an idiot?

“Yang Yi was very unconvinced, they just didn't care about the lives of those big people. Emily Gale ignored them and closed the door to sleep.

After a while, Yang Yi and Su Xiaomi exclaimed in exclamation: “Ranran.”

, So you... You are the fiancée who escaped marriage!

“Emma! With such a hot news, I now know how to search for related lace news on the Internet.

The second lady of Gale's marriage escaped at the engagement banquet, and the engagement banquet was postponed to three days later! In other words, the day after tomorrow, she will be with Young Master Jackson. Re-engagement! She will soon be the fiancée of Jackson Da's young man! Damn, someone in their small team finally got rid of poverty and became rich! Emily Gale still ignored them, just looking at the black card in his hand. When Aspen Li prepared her for her life needs today, he handily gave it to her, of course, it was the intention of Young Master Jackson. Even in her previous life, Young Master Jackson was very generous to her, and she could not use up more money. For the rest of her life, she never expected to continue to use other people's money for no reason. This money is always to be repaid.

She put the black card away, closed her eyes, and went to bed. I don't know how long she slept, and suddenly, the sound of a mobile phone text message. Wake her up from her diving sleep. When she picked it up, it turned out to be Hunter Jackson's message: "Parking garage, ten minutes."
