

Love Through Time and Space

Chapter 351

Why is this person here?

The interaction between Emily Gale and Jiang Nan is not arrogant, nor is there any excessive behavior.

However, the feeling between two people is clearly only a couple.

Jiang Nan supported Emily Gale and sat aside, sitting with He Lingzhi.

After Emily Gale sat down, her hand and He Lingzhi's hand were held together and held tightly.

It has been more than two hours, the door of the operating room is still tightly closed, and no doctor has come in halfway.

No one knows what is going on inside, everyone's heart has been hanging.

It was the Su family, everyone was very nervous, but they were still thinking about how they could get along with Young Master Jiang.

This is a very rare opportunity, not only to meet Second Young Master Jiang, but also to talk to him.

If you miss this village, there is no such shop.

A big person like Jiang Ershao doesn't always have the opportunity to meet.

Su Mingrui and Liu Jingjing looked at each other and after pondering for a while, Liu Jingjing quietly pushed Su Mingrui again.

Su Mingrui plucked up the courage and walked to Jiang Nan, since he made a flattering smile.

"Jiang Er Shao, that, in order to thank you for sending our Xiaomi Mi, we hope that we can invite Jiang Er Shao to have dinner, it is better to just tonight..."

"Your daughter is there. I don't know if it's life or death, you Would you like to invite me to dinner now?" Jiang Nan did not expect that there are such shameless parents in this world!

Su Xiaomi usually looks carefree, very optimistic and very sunny girl.

Unexpectedly, he grew up in such an environment.

Her optimism and cheerfulness are hard to associate with such a family environment.

"I...I am also very anxious, but we can't control this matter..."

"Oh, of course we are worried about Xiaomi."

Liu Jingjing immediately grabbed Su Mingrui.

It seems that Jiang Er Shao and his family Xiaomi have a good relationship, probably because of Emily Gale.

Now, I am afraid that we have to establish a good relationship with Emily Gale before we can win over the second master of Shangjiang.

Liu Jingjing wanted to sit down beside Emily Gale, but there were other girls beside Emily Gale.

For a while, he couldn't talk to Emily Gale at all, so he could only pull Su Mingrui aside and keep quiet.

Wait to see what happened to Su Xiaomi before making a decision.

After another hour, the lights in the operating room suddenly dimmed.

Emily Gale breathed tightly and stood up abruptly.

I don't know if it was because of sitting for too long. When I got up, my legs were numb and I almost couldn't stand firmly.

Jiang Nan helped her and walked quickly to the doctor with everyone.

"Which is Su Xiaomi's family member?" "I am, I am her father!" Su Mingrui went over immediately.

Anyway, it's my own daughter, daughter

Now that it is so dangerous, he is actually really worried in his heart.

The doctor said: "The patient's condition is not optimistic.

Although the operation was successful, she suffered a severe brain injury.

She is currently transferred to the ICU. I don't know when to wake up."

Not sure I can wake up?" When Liu Jingjing thought about it, she suddenly hesitated.

"This...how long do I have to stay in the ICU?" "It's still uncertain. Maybe I will wake up in a few days, maybe half a month, or even a month..."

"Will I stay awake all the time? But come?" Liu Jingjing felt cold.

This is the second best hospital in Beiling City.

The cost of ICU for a day is not low.

Although it's not that the Su family can't afford the money, their business is really not so good recently.

If you can't wake up in a month, then the money is a lot.

Think about it, it hurts a bit!

Emily Gale looked at Liu Jingjing's expression, and the desolation in his heart became more profound.

She's at Gale's house, why is it not like this?

If you have to spend a lot of money, it will not necessarily save her. Perhaps the people who care for the family will not be willing to give her the only chance of survival.

Her lips trembled a little, and her heart trembled.

Money, many times it seems, is not that important.

But when it's critical, it's all about it.

"Doctor..."

"Then transfer to the ICU.

As long as it is good for the patient, any method can be used."

Jiang Nan glanced at Vince, and Vince immediately said: "I will arrange the treatment fee, the doctor, be sure to use it.

The best way is to make the patient get better."

"We can only do our best."

The doctor nodded and went in again.

Before long, a few people directly pushed Su Xiaomi into the ICU from inside.

They were outside and couldn't even see Su Xiaomi.

Jiang Nan held Emily Gale's hand, only to realize that her hands were almost cold.

Liu Jingjing and Su Mingrui have nothing to say, they have been transferred to the ICU, and the situation has stabilized.

When people enter the ICU, it is useless for them to stay, and there is no way to see the patient.

So... Liu Jingjing pushed Su Mingrui again.

Su Mingrui walked up to Jiangnan and brought up the old story again: "The Second Young Master..."

"Get out!" Jiangnan really didn't want to see these two people who were tempted by inflammation!

Their daughter was sent to the ICU. Whether she can wake up or not, even the doctor doesn't know.

What are these two people thinking?

Su Mingrui was taken aback and blushed suddenly.

Liu Jingjing held her breath in her chest, nowhere to vent.

Although they are small people, but Jiang Er Shao let them go, it is too shameless!

And this Emily Gale, isn't his classmate of Xiaomi?

I'm next to the Second Young Master Jiang

, Why are you so disrespectful to them?

It is too much!

"Second Young Master Jiang, it's not that we have to say that this classmate Emily Gale has been with Young Master Jackson before, you..."

Vince came over immediately and stood in front of Jiang Nan and Emily Gale.

"Two people, if there is nothing wrong, please go away!" "You...why are you? This is not your place!" After being driven away twice in a row, Liu Jingjing was on fire.

"Second Young Master Jiang, I'm telling the truth.

She has been with Young Master Jackson. This is always well known. What are you going to do with this kind of woman?" Emily Gale was expressionless, and He Lingzhi's eyes were red with anger. Up!

I couldn't help but pick it up and pointed at Liu Jingjing: "In this situation with Xiaomi, you are...you! It's too much!" Yang Yi was aside, holding a notebook and doing things, and a trace gradually appeared on that pale face. Silk can't believe it.

There was a problem with the monitoring of the mall, and Vince's people couldn't bring up the monitoring screen, but he could!

Although it was not all that was tuned out, it was just a little bit of the picture that made him capture something.

That person... That person...

"RJenni, Lingzhi, she..."

Emily Gale glanced over and saw the freeze frame on the screen.

Siniya Ye!

Today, Siniya Ye is in the mall!

The most important thing is that she has actually been to the seventh floor and appeared near the place where Xiaomi's accident happened!

Why did Xiaomi go to the seventh floor for no reason?

While setting up the event site, Siniya Ye went to the seventh floor where almost all the facades were closed today.

Could it be that the matter of Xiaomi has something to do with her?

Chapter 352

It's clearly a guilty conscience.

"Vince, let someone investigate immediately to see where Siniya Ye is now."

Jiang Nan knows this person. Emily Gale's father, McGraw Gale, is now his wife.

Regarding everything about Gale's family, Jiangnan naturally knows more than others.

Not long after, Vince put down his phone, frowned and said, "Second Young Master, Siniya Ye has gone abroad."

"Going abroad?" But now think about it, if things really have something to do with her, then going abroad will make sense.

"Yes, I left this afternoon."

Vince told them about the news received.

"I went to Lingzhou in the afternoon, and then left directly from Lingzhou. This shows that I went to Zhilan, but Zhilan does not have her entry record."

In other words, the person was completely hidden.

As for where it was hidden, I haven't been able to find out yet.

It is definitely not an ordinary person who can help her do all this.

"She is clearly doing a guilty conscience!" He Lingzhi stood up abruptly, anxious: "The matter of Xiaomi must have something to do with her? Second master, should we call the police?" "This matter, the police station has filed a case. Someone will go to investigate specifically."

Vince knew they were anxious, but now, without proof, there is no way to deal with Siniya Ye.

Things have to be done step by step.

After all, the picture that Yang Yi has restored cannot prove that the matter is related to Siniya Ye.

Siniya Ye and Su Xiaomi are not the only people who have been to the seventh floor.

Many people also went up because they wanted to see the layout of the activities on the seventh floor.

In short, this matter, now that Siniya Ye did it, really lacks evidence.

But Siniya Ye is going abroad at this time, isn't this a guilty conscience?

Emily Gale squeezed his fist, stood up suddenly, and walked to the elevator.

Jiang Nan chased her and pulled her back: "Are you going to find Kylena Gale?" Siniya Ye is Kylena Gale's mother, and most of what happened to Siniya Ye is probably related to Kylena Gale.

"She and Xiaomi do not have any hatred at all.

It is impossible to attack Xiaomi for no reason."

Emily Gale looked at him and bit her lip: "If it is really her, this matter is definitely related to Kylena Gale."

Su After Xiaomi's accident, she has been suppressing her emotions.

But at this moment, she could no longer hold back.

Xiaomi is a little girl who has nothing to do with the world. What impact can she have on Kylena Gale?

But in the last life, Su Xiaomi was kidnapped, rounded, and killed. This matter was related to Kylena Gale.

In this life, something happened to Su Xiaomi, and Kylena Gale's mother was on the scene.

Emily Gale knew that all his speculations were unfounded.

However, she just believed that this matter must have something to do with Kylena Gale!

She needs to ask exactly where Siniya Ye went.

She wants to find Siniya Ye and ask what she did to Xiaomi.

"Of course, don't be impulsive."

"No, of course there is no impulse. You must ask clearly about this matter!" He Lingzhi clenched his fist.

No matter what, Siniya Ye must be found first.

Jiang Nan knew that it would not be easy to stop them at this time.

So good friends, life and death are uncertain now, if things are really related to Siniya Ye, they have the urge to kill Siniya Ye!

It is him who wants to change, probably more impulsive than them!

A group of people left violently.

Su Mingrui and Liu Jingjing who stayed behind have no idea why.

"Look, what Emily Gale said just now that we don't care about Xiaomi, what about her?" Liu Jingjing looked at the empty elevator entrance with a look of disdain.

"She doesn't run away now? She is ashamed to accuse others, is she really your daughter's friend?" Su Mingrui knows nowhere, he can't stop people from leaving!

"Anyway, it's a bunch of unscrupulous people who thought it was really good for Xiaomi, in fact, that's it! Bah!" Liu Jingjing thought for a while, and suddenly remembered something: "What did they just say? Go to Kylena Gale? Kylena Gale, are you with Young Master Jackson now?" "How do I know?" Su Mingrui never cared about the lace news of those big shots.

But Liu Jingjing usually pays attention to it.

The fight between the Gale family sisters for Young Master Jackson is so sensational in Beiling, don't you know?

She suddenly lifted her lips and smiled: "To put it bluntly, although Jiang Er Shao is powerful, he is still not as good as Jackson Da Shao."

"Since you can't be friends with Jiang Er Shao, then it is good to be close to Jackson Da Shao. ."

She took out the phone and turned it over for a long time before it found a useful one.

"What are you going to do?" Su Mingrui frowned.

In fact, Xiaomi is still in the ICU and he is really in a bad mood.

"Of course it is to do useful things, do you, like you, wait for death here?" Liu Jingjing has always looked down on this husband, she hummed, and put the phone on: "Hello, Mrs. Yang, do you know Kylena from the Gale family? Miss?" "Oh, nothing, it's just something about Emily Gale. I want to talk to Miss Kylena, um, good thing..."

... When Emily Gale found Kylena Gale, Kylena Gale was shopping in another mall.

Elder Gale is in the lounge, and only Kylena Gale is trying on clothes in the store.

"Where is Siniya Ye?" Emily Gale had scarlet eyes.

Su Xiaomi's accident has completely lost her mind.

Kylena Gale didn't seem to be surprised by her arrival.

Squinted

The man behind her glanced at the man behind her, and she lifted her lips and smiled and said, "What? Bringing a group of people over. Does this mean you want to fight?" "Where is Siniya Ye?" He Lingzhi also wanted to rush over, but was caught. A bodyguard in black clothes and trousers stopped him.

Kylena Gale was here alone, but in the dark, all were from Hunter Jackson.

Qin Yi was also there, and he personally stopped Jiang Nan: "Second Young Master Jiang, let them and the sisters speak for themselves."

When a woman talks to a woman, the big deal is a quarrel. Even if she does it, there will be nothing. Big problem.

Once they do it, they still have time to stop it.

As for men, they shouldn't have been involved.

Jiang Nan looked at the two girls not far away.

Although he did not participate, the people on Qin Yi's side did not come close, but no one suffered.

But now Emily Gale is too impulsive, he is still a little worried.

"Rjenni!" He Lingzhi thought about it, but was always stopped.

Jackson Tianyou wanted to do something, but more bodyguards rushed out in an instant.

Yang Yi grabbed him and said in a low voice, "God, don't be impulsive. In this case, we have to do it, but we are at a loss."

No one knew that Kylena Gale and her mother were involved in Su Xiaomi's affairs. What have you done?

But now, if they do it, they will hurt people in full view.

If this kind of thing gets into trouble and it makes trouble in the police station, they are also the wrong party.

Do it now and be fooled!

Chapter 353

Emily Gale, go to death, "Emily Gale, you brought so many people here, so fierce, shouldn't you tell me the old times?" Compared to Emily Gale's excitement, Kylena Gale looked elegant and comfortable.

She took the clothes and walked to the fitting room.

Emily Gale immediately chased after her, stood in front of her, and stopped her.

"Where is Siniya Ye? Say!" "What are you going to do with my mother? She did a fun thing today.

She is in a good mood and went abroad to play."

Kylena Gale's lips smiled and she looked at Emily Gale pale s face.

"That thing is really fun, it's like bungee jumping, don't you know it?" "You!" Emily Gale's heart clenched for a while, rushed over and grabbed her by the collar.

The surrounding salespersons were taken aback, and immediately came to stop them.

Who knows that Kylena Gale waved her hand improperly when she changed her normal state.

"Leave aside, I'm talking to my sister.

It's your turn to have troubles? Go away!" Everyone was a little surprised.

Their distinguished guests were bullied. Of course they wanted to help out to show their loyalty.

Otherwise, if you offend the distinguished guest, and will not come later, do you still want the bonus?

However, Miss Gale said that it was her sister...

"What's the matter? Our sisters can't talk, right?" Kylena Gale frowned.

"No... of course not..."

Several salespersons looked at each other, a little embarrassed.

Kylena Gale's face sank: "Then get away!" How dare you stay?

I hurried away.

Jiang Nan wanted to pass, but Qin Yi always stopped him.

From his perspective, two people can still be seen.

Now it seems that Emily Gale has the upper hand, but if he really wants to do it, he will pass immediately.

However, Kylena Gale didn't need help, which was beyond everyone's expectations.

Even the salesperson has gone far away.

At this meeting, there is really no one who can help her.

However, RJenni's skill was at least much better than Kylena Gale, a spoiled daughter.

The distance was a little far away, and the two people were not talking loudly, so everyone did not hear clearly.

Kylena Gale still had a smile on her face, and said lightly: "Emily Gale, this is a public place, you really have to do it, you are the one who suffers."

Emily Gale grabbed her collar, her fingers trembling all the time.

She is restraining her efforts.

She came here today just to ask where Siniya Ye is.

Even if she actually knew, Kylena Gale would not tell her, but she couldn't suppress her impulse.

"What do you want to do? Why do you want to treat Xiaomi like this? What kind of hatred does she have with you?" "Can Su Xiaomi have any hatred against me?" Kylena Gale shrugged, disapproving: "People who have always hated me, both It's you

what.

"She sneered: "If you have to make it clear, then you are actually involved in Su Xiaomi, don't you know?"

"You really did things?"

It's Siniya Ye, isn't it?

Emily Gale's hands trembled badly.

She actually still had some doubts.

She thought about Siniya Ye's appearance on the seventh floor and now going abroad. Maybe it was really just a coincidence.

After all, Xiaomi and them really don't have that much hatred. But now, What does Kylena Gale's words mean? She admits it, doesn't she? "Yes, we did it, so what can you do?"

"Kylena Gale!"

"With a thud, Emily Gale pressed her against the wall of the fitting room. Her eyes were scarlet, her face was pale, and her hands trembled, but the strength to press Kylena Gale was always so great! She exhausted everything on her body. With her strength, I can't wait to tear Kylena Gale to pieces! "Why?"

Any hatred, you can come to me, why are you looking for Xiaomi?"

"Kylena Gale's gaze swept over her body. This dead girl didn't bring a bag today, so she probably wouldn't be playing recording tricks. What's more, she was already prepared. What she said today is definitely Emily Gale was out of control. But anything she said, she never admitted that Siniya Ye had done anything to Su Xiaomi.

She didn't mention anything about Su Xiaomi's fall. Even if Emily Gale played tricks, she wanted to do something.

It is impossible for her to get any evidence of recording evidence. Being pressed by Emily Gale in front of the fitting room, Kylena Gale was a little bit out of breath. This dead girl's strength is greater than she thought! But she still faces I didn't change my face, and even smiled even more proudly.

"You are Xiaoqiang who can't kill you, Emily Gale, I've been trying to f*ck you for a long time, but I can't do it, so I can only find your friends.

"You don't know, this time is considered light to her.

A long time ago, I wanted to find some men to play with her.”

” “you dare!

“Emily Gale is about to lose control completely. Kylena Gale doesn’t know, what she said, is stab her in the weakest and most desolate part of her heart! In her last life, Su Xiaomi was bullied by a few gangsters and was abandoned by the sea. That’s the pain in Emily Gale’s heart forever! Unexpectedly, Kylena Gale actually had such thoughts! This vicious woman, how could she be so malicious and cruel! “If she can’t die this time, I will dare, do you want to? Try it?

“Kylena Gale!”

“Unless you kill me, otherwise, your friends, I will find someone to greet you one by one.”

“You still have a good friend called He Lingzhi, isn’t it?

Although it looks a little ugly, those men should still be willing to play hard.

“Kylena Gale!”

you dare!

I will kill you!

“Kylena

Today, Zi is not afraid of her anger at all.

It is obvious that the two of them are here and she has no help at all, but she is actually very calm.

Emily Gale couldn't understand her intentions, just because her sanity today has been completely messed up.

She didn't have any energy at all to analyze the reason why Kylena Gale was so abnormal.

After confirming that they had reached the door of the fitting room, Kylena Gale's smile on her lips suddenly stopped after reaching a place that the surveillance could not capture.

Her eyes were cold and her face was sullen.

A bright knife was taken out of her bag by her.

With a gloomy expression on her face, she stared at Emily Gale, gritted her teeth and said: "Not only do I want them to die, I want you to die! Emily Gale, go and die!" The knife stabbed at Emily Gale... Jiangnan already The two people in front of the fitting room are no longer visible.

He pushed Qin a hand and was about to pass.

Not seeing Emily Gale, I always feel unsure in my heart.

Qin Yi didn't expect him to suddenly do something, but he didn't pay attention to it, and was pushed back by two steps.

However, he quickly greeted him and stopped him again.

"Ms. Kylena, there is no helper, Second Young Master Jiang, I assure you."

He is making arrangements for everyone. If there is none, he will not deceive him.

"They are sisters. If you have any words, let them make it clear. Second Young Master Jiang, why do you want to mix in?" "Get out!" Jiang Nan said with a

cold face, "Don't let me, don't blame me for doing it!" He will definitely not stop other girls talking to Emily Gale.

But, Kylena Gale is cruel!

What's more, Emily Gale was too impulsive today, and he did not guarantee that she would do anything.

"Second Young Master Jiang...you!" With a bang, Jiang Nan's iron fist fell on Qin Yi's face, and Qin Yi was repelled several steps on the spot.

He staggered and fell on one knee.

No one thought that the second young master Jiang, who has always been gentle and elegant, would hit so hard!

The number one master next to Young Master Jackson, the moment he saw him take a shot, he was already evading at the fastest speed!

But Jiang Er Shao punched too fast, he couldn't escape it!

Chapter 354

Reluctant to embarrass her, the entire counter shop was silent for a while.

Jiang Er Shao shot and hurt Qin Yi.

The bodyguards from Qin Yi's side rushed in, and Vince also rushed in with someone.

The two people gathered together, and no one did it first.

Jiang Nan hurriedly wanted to walk towards the fitting room, but behind him, a cold whistling voice came from him casually.

“What’s the matter, it is worth the Second Young Master Jiang’s fight and hurt my person?” Young Master Jackson!

This place, this time!

How could Hunter Jackson come here?

Jiang Nan’s face was pale, and as soon as he turned his head, he heard another voice: “Jiangnan, why are you here?” Jiang Nan’s gaze crossed Hunter Jackson and fell on the man who was walking not far behind him.

He frowned, “Zyden?” “What’s the matter?” Zyden Gale and the old man from the Gale family came together.

They were waiting in the rest area, and their subordinates reported the situation here, and the two hurried over.

Jiang Nan originally made an appointment with a very good friend today to have a dinner. This person is the eldest of the Gale family, Zyden Gale.

The two have been close friends for many years. Every time Zyden Gale comes to Beiling or Jiangnan to Lingzhou, the two will meet.

If it weren’t for Su Xiaomi’s incident today, the two of them had already gathered.

Jiang Nan later said that he could not keep the appointment if he had something to do. Zyden Gale could only continue to follow his father and go shopping with Gale Kylena.

It was boring enough at first, but I didn’t expect that I would meet the second master Jiang who broke the appointment here.

“Young Master Jackson, are you here?” This world is really small.

Originally planned to go to visit Hunter Jackson with the old man after meeting Jiangnan.

When they went to Wangjiang Pavilion, Young Master Jackson happened to be away, so they clarified the matter with Kylena Gale directly and took Kylena Gale to the hospital for identification.

After all, Kylena Gale has always lived in the place of Young Master Jackson. What the old man meant is that no matter what the relationship between Kylena Gale and Young Master Jackson is, he must visit him seriously.

Unexpectedly, this time, they all gathered together.

Elder Gale looked at Hunter Jackson, this young man was so energetic, his charm was really hard to describe, and he knew that he was not an ordinary person.

Even he, an old man who has been in the business world for so many years, can't help but look at Hunter Jackson's temperament and can't help but cheer for him!

Young Master Jackson is indeed not as well-known as meeting, it's brilliant!

However, their family Kylena and Joseph together?

But this aura seems to be completely incompatible.

Will Young Master Jackson really like them Kylena?

The old man has seen people for decades, and he has been regarded as semi-personal.

The temperament of the two people is really difficult to blend, and they don't look like a pair.

"Young Master Jackson, this is the old man of our Gale family."

Zyden Gale introduced.

Hunter Jackson and Lingzhou Gale family had it

Business contacts, but the people in contact are Zyden Gale.

Mr. Gale, it's really unusual.

He nodded, stretched out his hand, neither humble nor arrogant, just habitual indifference and indifference.

"Master Gale, I'm glad to meet."

Grandpa Gale immediately stretched out his hand and shook his hand:

"Fortunately, Young Master Jackson is indeed the dragon among the people, not bad."

Hunter Jackson smiled and accepted his praise generously.

Zyden Gale looked at Jiangnan again, and introduced to Old Man Gale,

"Grandpa, this is the friend I often mention to you, the second young master of Jiang family."

"We have met, boy, how are you doing recently?" The old man looked at Jiangnan. , A smile on his face.

Jiang Nan remembered Emily Gale in his heart, and only replied with a soft smile: "I'm fine, old man, can I be healthy?" "It's OK."

However, what does this situation... mean?

How come the people from Young Master Jackson and Young Master Jiang confront each other?

Jiang Nan didn't have the energy to explain, and said hurriedly: "My friend has something to do, I'll..."

But before he finished speaking, a woman screamed suddenly over there.

Jiang Nan felt tight and walked quickly.

Don't want anyone to be faster than him, the mysterious black figure instantly passed him and came to the fitting room for the first time.

"Ah... it hurts!" In front of the fitting room, Emily Gale held a small knife in his hand, with scarlet blood still on the tip of the knife.

As for Kylena Gale, her arm was injured, blood oozing along the sleeve of the dress, dripping to the ground.

She frowned, and when she saw Hunter Jackson coming over, she slammed her head into his arms without thinking about it.

"Joseph, save me, save me! She...she wants to kill me!" Kylena Gale stumbled, she was about to crash into Hunter Jackson's arms.

Hunter Jackson gave her a hand, supported her shoulders with both hands, and held her steady.

Kylena Gale's eyes darkened, and Young Master Jackson still didn't want to let her lean in his arms.

This man really avoids women and never let women approach him!

However, why can Emily Gale not only put him in his arms, but also be crushed by him, wantonly love?

This man is too partial!

However, Kylena Gale's face turned pale due to pain.

Those jealous and resentment, but dare not express at all, she is very fragile now.

"Joseph, she wants to kill me, she wants to kill me, it hurts, ooh..."

Hunter Jackson Senhan glanced over Emily Gale's body, and finally locked her eyes with scarlet bloodshot eyes because of anger. eye.

Her hands were still trembling, and she did have the tip of a knife in her hand, which was dripping with blood.

She really stabbed Kylena Gale!

"Of course, it's dangerous, put the knife down."

Jiang Nan rushed over, fearing that she would hurt herself, and quickly took the knife in her hand.

Snatched the past.

"RJenni!" He Lingzhi and Jackson Tianyou both broke in.

The originally spacious storefront suddenly became crowded.

"Ranran, what...what's going on?" He Lingzhi saw the injury on Kylena Gale's arm, and he was immediately taken aback.

However, no matter how impulsive it is, it is impossible to do such a thing.

It must be Kylena Gale!

It must be her, who said something excessive to Ranran!

"She confessed, she confessed..."

Emily Gale grabbed Jiang Nan's sleeve and red eyes: "She confessed that Xiaomi was killed by them!" "You..."

He Lingzhi clenched his fists and waited. He punched Kylena Gale in the face.

But Kylena Gale is now protected by countless people, they have no chance at all!

"I don't know what you are talking about!" Kylena Gale paled with pain, shaking her lips, crying: "She said that I had taken her man away, but...but I didn't. I and Joseph were sincere. In love."

She looked at Hunter Jackson, but Hunter Jackson remained expressionless.

Kylena Gale gave up crying to him and turned to look at the anxious old man Gale.

"Grandpa, she hurt me for no reason, grandpa, I hurt..."

The old man felt very embarrassed inexplicably.

Her granddaughter was injured, so she should be taken to the hospital immediately, and the person who injured her granddaughter should be brought to justice.

However, the person who hurt Kylena turned out to be!

This girl didn't know why, he didn't want to embarrass her at all.

"Go to the hospital first to dress up."

Hunter Jackson's voice was always cold, like Hanchuan.

"Aspen Li, call the police."

Chapter 355

You ask me?

Call the police?

Young Master Jackson actually wants to call the police?

Is he joking?

How could he really let Aspen Li call the police?

That was...his former fiancée, the girl who was bullied by him not long ago?

But, will Young Master Jackson make a joke?

He was never a joke!

He wants Aspen Li to call the police, and he wants people from the police station to deal with Emily Gale.

It's true!

When Master Jackson was gone, Aspen Li looked at Emily Gale, a little at a loss.

The young master certainly wouldn't be joking, but he really wants to call the police and send the young lady to the police station by himself?

Kylena Gale is still injured. Father Gale loves her granddaughter.

Although he has pity for Emily Gale, he can't let go of her granddaughter.

After hesitating, Mr. Gale and Hunter Jackson also sent Kylena Gale to the hospital to treat the wound.

"Jiangnan, this matter..."

Zyden Gale glanced at Emily Gale in Jiang Nan's arms, and couldn't even hate her.

The girl didn't know what was irritated, but when she looked at it, she seemed to be losing control.

"I'll contact you later."

Jiang Nan glanced at him.

Zyden Gale nodded then, following in the footsteps of the old man.

Aspen Li was really embarrassed to death, but before he could finish his embarrassment, someone had already called the police.

It's Qin Yi.

Aspen Li knew that Qin had always been towards Kylena Gale, no matter how he evaluated Kylena Gale, Qin Yi felt that Kylena Gale was kind and elegant.

The young master asked to call the police, but if he didn't report, Qin Yi did it for him.

Emily Gale was taken back to the police station.

Even if Jiangnan wants to be released on bail, it will not be possible for the time being, at least it will take 24 hours.

As for how Kylena Gale would sue, because the person was in Hunter Jackson, Jiang Nan couldn't find any news.

Can only wait.

This wait is half of the night.

He was just very worried. Emily Gale was kept inside alone, not knowing how he was now.

After four o'clock in the morning, a few figures appeared at the door of the police station.

No one knows why Young Master Jackson suddenly came here, but he didn't seem to have come alone.

There is also a girl with a disheveled hair. I can't tell if it's injured, but she seems to be in a bad state of mind.

The place he went was not in the same place as Jiangnan, so the two did not meet.

As for Emily Gale, when he sat quietly until four o'clock alone, he was suddenly taken to another room.

"Now the prosecutor said that if you have a good attitude and sincerely change, he can withdraw the prosecution."

Emily Gale did not know if he understood what the other party said.

The staff member saw that she had no spirits in her eyes, and seemed to not listen to her words at all, and did not want to talk to her too much.

When she was taken to the door of the room, the staff looked at her.

Seeing that her face was pale, she didn't look like she was brutal

Evil.

He persuaded: "You are still a student at your age. You have a good future. You must know how to seize the opportunity."

"If you can solve the problem peacefully, try to solve it calmly. Otherwise, once you leave it on the file The case will have a great impact on your future, understand?" Emily Gale was still expressionless and did not react at all.

The staff sighed and didn't know what irritation the girl was.

This mental state seems really bad.

Finally, he opened the door of the room and gently pushed Emily Gale in.

She thought that after going in, the person she saw would be Kylenea Gale.

She is even ready to die with each other.

But she never expected that the person sitting in the room was Hunter Jackson.

Emily Gale was pushed by the staff, walked to the chair in a daze, and was pushed down.

"Communicate, if you have any questions, call someone immediately."

Young Master Jackson did not speak, the staff nodded at him and left.

The door was closed, and suddenly there were only two of them left in the room.

Hunter Jackson's gaze fell on her face.

Her face was as pale as paper.

Although she had seen it several times in the past few days, she seemed to have lost a lot of weight after not being together for a month.

In the past, there was not much flesh on his body, but now, it is more like the wind can fall down.

Followed by Jiang Er Shao, did Jiang Er Shao not feed her enough?

He wanted to smoke a bit, his index finger moved slightly, but this is a no-smoking area.

"Ask me?" Hunter Jackson's thin lips moved, his voice indifferent.

Emily Gale didn't speak, but looked at him lightly.

She seldom behaves so quietly in front of him.

But today, the nerves seem to be exhausted.

"Heh, plan to never speak, that's it?" Hunter Jackson raised his eyebrows, "Are you afraid of going to jail?" Emily Gale pursed his lips, still not speaking.

After changing to the usual Young Master Jackson, he had already lost patience and left the door.

But tonight, his patience seems particularly good.

Even, unexpectedly good.

He leaned back in the chair, suddenly curled his lips, and smiled: "You don't care about your future, should you care about your friends?" "What is the girl's name? He Lingzhi?" How is Lingzhi?" Emily Gale slammed forward on the table.

Hunter Jackson could see clearly that her hands were handcuffed.

The cold handcuffs had a pair of pale and feeble little handcuffs inside her, which was unspeakably pitiful.

The cold light in his eyes deepened again, but he would never feel sorry for her.

“She deliberately hurt Kylena Gale, and she is staying in the police station just like you.”

Emily Gale felt cold, knowing that He Lingzhi had also listened to her words and was impulsive.

Kylena Gale admitted that it was her own harm

Xiaomi.

She will be impulsive, so will He Lingzhi!

Xiaomi is their friend!

When she was away, Xiaomi and He Lingzhi were together every day, and their feelings were as close as sisters!

“Kylena Gale is a murderer, she is a murderer just like her mother!” She held her hands tightly, staring at Hunter Jackson, short of breath!

“You don’t distinguish between right and wrong! You are all blind!” Hunter Jackson didn’t care at all, resenting and scolding casually, he still had an attitude of nothing to do with him.

“You came to me, what do you want to do?” Emily Gale is not stupid. If Young Master Jackson wants to sue her, he doesn’t need to come by himself.

What does he want to do?

"What do you want to do?" Joseph Bei Xing squinted slightly and looked at her with a smile.

"Little thing, you seem to like to ask this question, but every time I give you an answer, isn't it straightforward enough?" Emily Gale suddenly cowered.

She remembered the treatment she suffered in his car the first two times!

"Remember it?" Hunter Jackson's smile made people feel so cold.

He suddenly leaned forward and approached her.

Emily Gale was scared to retreat subconsciously by the cold breath he suddenly approached.

Hunter Jackson said indifferently: "If you step back, you won't be able to hear anything about your classmates."

Emily Gale squeezed her palms, tried to suppress his fear of him, and forced herself to face him.

"The matter has nothing to do with Lingzhi.

She just listened to what I said and was instigated by me. I will bear all the charges for any charges."

Chapter 356

You only have ten seconds to "take one effort?" Hunter Jackson seemed to hear a particularly funny joke.

The corner of his lips smiled, disapproving: "You hurt someone with your hands. Whether you are instigated or not, the case will fall."

"Young Master Jackson!" "Come here."

Hunter Jackson narrowed his eyes and stared at her. Marks on the neck.

I don't know if it is the trace he left, or it belongs to another man.

Vague, not particularly clear, but it cannot be completely hidden.

The picture of her crying under her body returned to her mind again.

The man's breathing became a little heavier, and he realized more and more that his desire for her body seemed to be poisoned.

But he quickly suppressed his impulse, and his plain tone was completely inaudible. He had just thought of something exciting.

Emily Gale squeezed her fingers tight, and finally leaned in for He Lingzhi.

"That's good."

He stretched out his hand and stroked her long fingers across her face.

Just when Emily Gale immediately wanted to escape, wishing to escape far.

Hunter Jackson's indifferent voice fell in her ears: "I can withdraw the prosecution against He Lingzhi."

She was taken aback and looked at him, wondering whether to believe this man.

An unpleasant cold arrogance gleamed through Hunter Jackson's eyes, this woman dared to doubt him!

However, his mood soon improved again.

Staring at her earlobe, with a voice that only two people can hear, she said flatly: "Be my woman for three months."

"I don't!" Emily Gale was frightened and fled away suddenly and sat down with a thud. Back to his chair.

She panicked, as long as she thought of those two nights where she had escaped from the dead, her fingertips trembled in panic.

How could he be so shameless?

How could he become like this!

"My patience is limited. Ten seconds is the time you can consider."

"Hunter Jackson..."

"There are still nine seconds."

The girl fell silent all of a sudden, holding her palm firmly, unable to calm down. But had to calm down.

Hunter Jackson did not continue to speak, but the second hand of the clock on the wall was beating.

Eight, seven, six, five, four, three, two... He stood up and was about to leave!

Emily Gale bit her lip hard, looking at his cold back.

He is no longer the old Young Master Jackson, and he will no longer have any pity for her.

If he wants to do something helpful to her, she must pay the price.

She may not care about her future, but what about He Lingzhi?

At the moment when Hunter Jackson was about to stretch out his hand and open the door, the girl behind him trembled and said in a low voice:
"I...promise you."

...

The bail time is twenty-four hours later.

At the end of the twenty-four hours, Jiangnan immediately sent someone to deal with it.

Then he was released on bail.

I don't want to, before Vince had time to complete the handover with the staff, Emily Gale followed another staff member.

"Ranran!" Jiang Nan walked over quickly, holding on to her fragile shoulders:
"What's the matter? You..."

"The other party withdrew the complaint, and she can go back now."

The staff who brought Emily Gale out said blankly.

"Kylena Gale withdrew the complaint?" All the information in the bureau is not released to the public. Who is suing Emily Gale? Jiang Nan doesn't know yet.

However, the other party withdrew the complaint, which he did not expect at all.

He has found the best lawyer, and has also asked him to call out all the monitors that can be transferred in the counter.

Now, Emily Gale was released without guilt.

In another room not far away, a girl with a disheveled hair came out.

"Lingzhi!" Emily Gale walked over quickly and grasped her hand: "You..."

She wants to ask many things, but it is not convenient to ask here.

He Lingzhi's prosecution was also withdrawn, and Vince simply handed over, and everyone could finally leave this place.

When I left the police station, there was a faint whiteness in the east.

It's almost dawn.

"I was too impulsive, which made you tired."

Emily Gale shook He Lingzhi's hand. Her hand was very cold, with almost no temperature.

"I am not optimistic about Lingzhi, it is my fault."

Yang Yi blamed himself.

At that time he was with He Lingzhi, and Jackson Tianyou followed Jiang Nan, wanting to see how to get Emily Gale out.

Unexpectedly, there was no news from Emily Gale, and something happened to He Lingzhi.

No one noticed that He Lingzhi actually listened to Emily Gale's words, knowing that after Kylene Gale admitted that he had hurt Xiaomi, he went directly to the hospital with them.

Fortunately, although she wanted to kill Kylene Gale, she fell into the hands of the young Master Jackson and did not suffer any harm.

He was just taken to the police station.

Now that both of them can come out safe and sound, it is everyone's greatest comfort.

"I'm sorry, I won't do it anymore.

At that time, my head was blank. I only knew that Kylena Gale and her mother admitted that they hurt Xiaomi."

He Lingzhi fell into Emily Gale's arms and started crying quietly.

"Of course, what should I do? Xiaomi is like this, I'm so flustered, can Xiaomi still wake up? I'm really flustered!" Emily Gale felt sad, patted her on the back, her eyes were red, but she was still strong Endure tears.

"Don't panic, Xiaomi can definitely wake up. Now, we can't be impulsive anymore, we have to calm down."

She had been impulsive once, and she knew her mistake.

Only at the time, I was stimulated by Kylena Gale's words, and I couldn't control it when I remembered the tragedy of Xiaomi in my previous life.

Up.

"We won't be impulsive anymore, okay?" Emily Gale took a deep breath, hugged He Lingzhi, and his eyes fell on the morning sun outside the car window.

Stop being impulsive, impulsive, it hit Kylena Gale's arms.

That woman is really bad, worse than she thought!

Even if she didn't argue about many things, Kylena Gale would not let her go.

In this case, it is better to fight back!

The car stopped in front of the apartment building. Emily Gale looked at Yang Yi: "You send Lingzhi back, I have something to say to Jiang Er Shao."

"Okay."

Yang Yi gently pushed Jackson Tianyou's arm. .

Although Tianyou wanted to stay with Emily Gale, she also knew that she didn't need herself at this time.

After everyone left, Jiang Nan looked at Emily Gale and said softly: "Go up first."

Emily Gale thought for a while before nodding.

But the first thing she did after going up was to take out the duffel bag and pack her own things.

Jiang Nan grabbed her busy hand and was anxious: "Ranran, are you angry with me?" "Why should I be angry?" Emily Gale looked at him, puzzled.

"Are you angry that I can't bail you out the first time?" Emily Gale looked at him for a long time, then smiled faintly.

"I know you are very good to me. You can only be released on bail after twenty-four hours. I don't know."

What's more, how long she stayed inside and how long he waited outside, he didn't leave for a second.

How could she not understand this kind of sentiment.

However, at this time, it is useless to understand.

"Jiangnan, I don't want to be with you anymore, let's break up."

Chapter 357

Suddenly, he became a lonely one, he actually had a hunch.

Although I don't know why I have such thoughts, since Emily Gale came out from the inside and can go home without guilt, he felt a strange anxiety in his heart.

"He went to find you, didn't he?" He should have thought of it long ago.

Apart from Hunter Jackson, who else can make Kylena Gale withdraw the complaint?

Who else can let her leave there immediately and return to her place?

"What the hell did you promise him? He wants you to come back to him?"
"Isn't this what I always wanted?" Emily Gale gave him a light push, smiling a little indifferently.

"Actually, I was his woman from the beginning.

At that time, I pretended to be with you on the island and left him because of him."

"Now, we are relieved, and he is willing to be with me again. This Not the perfect ending?" Jiang Nan couldn't refute Emily Gale's words.

They were together again, originally, the most perfect thing.

There is nothing wrong, nothing wrong.

But why is it so uncomfortable in my heart?

So upset?

"Are you sure, he really wants to be with you again?" He didn't know what he was thinking, wanted her to say yes, wanted to see her happy.

But, I hope she said no, at least...at least he still has a chance!

Emily Gale didn't answer this question head-on, just looked at him, gently held his hand on his shoulder, and pushed it away again.

"Jiangnan, we are friends, and you are my best friend."

"Just friends?" Jiang Nan felt desolate.

"From the beginning, didn't you just help me and Joseph?" She knew that this was very hurtful, but the relationship between the three people would always be hurt.

Young Master Jackson would not let himself be injured. If he was injured, he would definitely hurt everyone.

He will let everyone go to hell with him, and he will let them all be buried with him!

Therefore, it is better to hurt him.

"I'm sorry, I thought you were really helping me."

Emily Gale's expression became a little cold, it seemed, very disappointed.

The disappointed look was like a sharp knife, piercing Jiang Nan's heart fiercely.

"I...I want to help you."

He suddenly wanted to laugh, but he was so bitter that he couldn't laugh at all.

"Thank you."

Emily Gale didn't seem to see the pain in his eyes.

After smiling softly at him, she continued to pack her things.

"He will come to pick me up soon, and I have to go back to my apartment to clean up."

"Jiangnan, thank you, I wouldn't know how to get through if you weren't there for these days."

"But now, it's raining.

The sky is clear, Joseph forgave me, and reconciled with me, we will always be fine in the future, don't worry.

She turned her face away. When she walked out with a duffel bag, her eyes were sore and her heart was sore. Jiang Nan looked at her slender figure and walked towards the door step by step. He even forgot to go and help her carry it.

A bit of luggage. I also forgot to open the door for her to make her walk more relaxed. He forgot about everything, just because he found that his heart was bruised at the moment when she was far away. Emily Gale's hand falling on the handle of the door, breathing was messy, and eyes were astringent.

"I'm leaving, and I will contact you again.

She decided not to look back, because when she turned her head, tears might fall and her voice might become hoarse.

She couldn't look back.

The handle of the door was twisted by her.

The man rushed over, before she opened the door. , Hugged her tightly from behind.

"Don't go... can you?"

Can you stay?

Emily Gale was stiff, didn't say a word, and didn't look back at him. Jiang Nan buried her face on her neck, her neck was chilly, just like his face.

"Sorry, I know I shouldn't stop you," This is originally all you want.

"They are reconciled, they settle their suspicions and reconcile.

They will live a happy life again. This time, there is no power to separate them. From now on, their lives will only be more satisfactory! He really Shouldn't stop, he stopped, he is a bad guy! But he can't bear it, he can't bear his heart, he will tear away his body alive. Emily Gale, his heart.

She is gone, his heart is gone! "Sorry ..."

Jiang Nan's voice was a little low, very deep and heavy. He hugged her tightly, and burying his face between her neck and neck.

"Sorry...but don't leave, of course, don't leave me, sorry!"

do not leave me!

"Emily Gale's hand trembled, the door knob bounced back, and the door was locked again.

She knew she should leave, but his voice was so hoarse, his body trembled so badly, he... People feel distressed.

She bit her lip and raised her head. If she lowers her head, tears will definitely roll down.

"Don't go, RJenni!

He didn't want to give up! After giving up for so long, he can't give up any more now! "Don't leave me, I love you, I love you, don't leave me!"

"Emily Gale's thin body shook suddenly. He broke the whole person, and he pressed him behind the door with a bang. His hot lips pressed hard, she turned her face away, and finally escaped, he But her k*ss fell on her neck. Vaguely, she seemed to see the light flashing under his eyes. That was the unique tears belonging to a proud man. Emily Gale was completely shocked.

Now, she didn't know what to do, she didn't know that her departure would cause him so much damage!

But... But if she stays, the damage to everyone will only be greater!

What's more, she still has a lot to do!

She wants revenge!

Emily Gale's eyes sank suddenly, and suddenly, he pushed him hard!

"RJenni..."

Jiang Nan looked incredulous, she really... pushed him away.

"You know that the person I like is Young Master Jackson, why do you want to do this?" Emily Gale glared at him, with resentment written in his eyes: "You are like this, you are forcing me, you are embarrassing me! Why?""

She suddenly made a cold accusation that made him completely unable to react.

He didn't know... he had been forcing her and embarrassing her.

He doesn't know anything, he just wants to be with her...

"I owe you, Second Young Master Jiang, I know I owe you too much, but don't use kindness and guilt to kidnap me! The person I like It's Hunter Jackson, not you!" With a click, the door was opened by her, and after that, it was slammed.

What is left to Jiangnan is a door without temperature, a space without temperature.

She left, walked without hesitation, walked without nostalgia!

After he exhausted his courage and confessed to her.

He leaned behind the door, there was no expression on his face, and he was indescribably quiet.

I don't know how long it took before he walked to the balcony blankly and looked down at the parking lot in front of the apartment building.

It was as if he had a hunch to meet the people he wanted to meet.

Looking down, I saw the low-key Maybach parked in the square below.

And the girl, quietly handed the luggage to Aspen Li, quietly, and got into the car.

After a blast of engine noise, the car drove out of the square and disappeared without a trace in the blink of an eye.

She really left, and finally returned to Hunter Jackson's side.

At the very beginning, and at the end, they have Qingren finally married.

Only he, suddenly became a lonely one...

Chapter 358

Perhaps, only Aspen Li was the only one who picked up Emily Gale from the Jiang clan in revenge.

Today Hunter Jackson is not here, and Wangjiang Pavilion has no guests either.

However, when the servants saw Aspen Li returning with Emily Gale, they were all dumbfounded, completely unaware of what happened.

After all, I came back with luggage and looked like I was going to live here for a long time.

Emily Gale remained the same as before, nodding and smiling with the servants.

After that, with the help of Aspen Li, the servant was asked to move the luggage to the second floor.

She lived in her original room.

I thought I had been away for so long, this room was probably occupied by Kylena Gale.

However, Emily Gale did not issue any questions about these.

As if she just came back to live for a while, as for Kylena Gale's matter, it had nothing to do with her.

"Miss Ranran, the eldest master returned to Jackson's family today, and he may come back very late."

"Are you not going to help him?" Emily Gale put the notebook on the table and opened it, without looking back at him.

"I'm going now, Miss Ranran, I've already greeted the servants. If you need anything, you can just find them."

Aspen Li was afraid. Kylena Gale has been here for so long, and the servants' hearts have been turned towards she was.

I wonder if Emily Gale will suffer when he comes back?

Therefore, he specifically explained to everyone that Emily Gale is a distinguished guest of the young master, and no one is allowed to give her the slightest expression.

The servants are temporarily bluffed by him, but in Wangjiang Pavilion, whoever can win the favor of the young master is the one everyone wants to please.

Therefore, the young master has the final say on what life Emily Gale can live in Wangjiang Pavilion in the future.

"I see, I can live well by myself."

Emily Gale finally turned around and glanced at him: "Aspen Li, thank you."

This thank you is sincere.

Aspen Li treats her as benevolent.

When Hunter Jackson asked him to call the police, he hesitated.

In fact, in the end, it was not the police he called.

Aspen Li nodded, and after greeting her, he turned and walked outside the door.

Aspen Li looked a little haggard today, as if he hadn't slept all night, dark circles under his eyes were floating.

At the moment he went out, Emily Gale said lightly: "She is not in danger for the time being, but, as the doctor said, I don't know when I can wake up."

Aspen Li was shocked and looked back at her abruptly.

Emily Gale was already looking at the notebook, tapping on the keyboard with his slender fingers.

"In the future, you can go to the hospital and ask her about her condition by yourself, just say it's a friend, there is no need to secretly inquire."

"Yeah."

Aspen Li nodded, without saying anything.

Su Xiaomi fell from the building, and he only found out when Emily Gale and the others went to find Kylena Gale.

When I think of that silly little guy, he is still lying down

On the bed in the intensive care unit, his heart seemed to be gripped by something, and it was uncomfortable.

When he walked to the door and was about to close the door, Aspen Li couldn't help but glanced back at her.

Emily Gale's back is very thin, he was thin before, but now he is not only thin, but also looks fragile.

He calmly said: "Kylena Gale was with the old man from the Gale family all day yesterday. Her mother did not go abroad, but I don't know where it is yet."

"Aspen Li!" Emily Gale was breathing in confusion and looked back at him. ,
The eyes are full of surprise.

"You are the young lady in my heart, although you are not willing to admit it."

Aspen Li looked a little lonely and helpless.

Since knowing that Su Xiaomi had an accident, he has never smiled sincerely.

"I can't guess the mind of the young master now. I don't think anyone can guess it."

At least, as far as the current young master is concerned, it is really so deep that people can't see through.

And all this, I dare not say 100% because of Emily Gale, but at least, most of it is because of her.

In the past, the young master really liked Emily Gale, and he could see this clearly.

But now, even he doesn't know.

Because, very likely, it is just a way for the young master to retaliate.

Maybe, just because of hate.

Who knows?

"I'm with the young master. I can't handle things that the young master doesn't like."

"I know."

Emily Gale stood up and stared at him: "You can tell me this, I'm very happy, Aspen Li, thank you, thank you so much." Aspen Li nodded, as he said, he is a man of the young master, and there are many things that he can't do and can't do.

Siniya Ye's message ended in a foreign country, so everyone would think that she must have gone to other places when she was abroad.

But in fact, based on the information he has, Siniya Ye has not left the country.

As for whether it is in Beijing or not, he does not know.

He left, only Emily Gale was left in the room.

She sat back in the chair and stared at the laptop screen for a long time before logging into the communication tool and sending a message to Yang Yi alone.

After nine o'clock, Emily Gale ate the breakfast delivered by the servant, and immediately posted the recently written script to the work group.

The atmosphere of the group suddenly became serious but active again.

In fact, everyone didn't say anything, just because Emily Gale was back at work.

This is the senior executive group of their September media. Emily Gale typed the next paragraph: "Although Xiaomi is absent for the time being, work must continue."

After that, she assigned tasks and re-arranged the work for the next three months.

Because of Su Xiaomi's situation, she allocated Su Xiaomi's work.

After that, he gave He Lingzhi a new job.

Except for most

To take over Su Xiaomi's business, we must train new backbones.

With such a heavy workload, He Lingzhi definitely has no time for sadness.

When Xiaomi was away, if she messed up Xiaomi's work, she would be disappointed when Xiaomi came back.

Therefore, in addition to working hard, He Lingzhi will never have any extra thoughts to think about other things.

There will be no energy left to trouble Kylena Gale again.

With Lingzhi's current strength, there was no way to compete with Kylena Gale.

Let alone fight against the mysterious power behind Kylena Gale.

He Lingzhi is not in his turn to do this kind of thing.

Emily Gale was busy all day long.

At night, Hunter Jackson still did not come back.

After having dinner alone in the room and letting the servants clean up, Emily Gale opened the closet door.

The clothes in the closet still remained the same as when she left, all of her own.

She picked a pajama that was pushed to the corner.

That was the kind that Aspen Li prepared for her shortly after she first came here.

It was very pink and tender but very s*xy.

She took off her nightdress and walked into the bathroom.

Half an hour later, the girl in pink and white pajamas came out of the bathroom.

With long hair dripping with water, the whole person is refreshing, without any makeup, but as beautiful as a white orchid.

Drying her long hair, she sat on the chair, opened her book and looked at it seriously, watching and waiting.

Yes, she is waiting.

There was something like that yesterday, and Hunter Jackson must not be the only one who came back tonight.

So she waited.

Finally, after nine o'clock in the evening, the sound of the engine came from the courtyard...

Chapter 359

This man, it was my Maybach who stopped outside the Wangjiang Pavilion hall.

Aspen Li got out of the car and opened the door to the two people in the back seat.

As Hunter Jackson took his long legs, the tall figure immediately appeared in front of everyone.

Kylena Gale stepped down gracefully at the left door.

However, Kylena Gale looks very fragile today, with gauze wrapped around her arms, and her walking pace is a bit messy.

It's like being so fragile that it will be blown down by a gust of wind at any time.

"Miss Kylena, is the wound still hurting?" Qin felt a little bit reluctant to see her frowning.

"It hurts..."

Kylena Gale glanced at Hunter Jackson.

But Young Master Jackson had already walked to the hall, and didn't seem to care how she was hurt.

Kylena Gale was a little upset, but today, Young Master Jackson made an exception and let her rest in his office for a whole day. For Kylena Gale, it was considered progress.

Originally planned to have dinner with McGraw Gale and the others, they returned to Lingzhou with the old man.

But now, she is hurt, and she wants to stay with Young Master Jackson for a few more days to enjoy the feeling of being pampered.

"Prepare tea for Young Master and Miss Gale."

Aspen Li said just as he entered the door.

The servant immediately made tea and brought it to them.

After Hunter Jackson came back, he had the habit of drinking tea in the lobby.

But tonight, I want to go upstairs immediately.

However, he suppressed the urge to go upstairs and sat on the sofa casually sipping tea.

Aspen Li wanted to say something, but Kylena Gale didn't seem to be able to mention it here.

He doesn't want Emily Gale to be wronged here, but now, it is obvious that Young Master is more willing to stand on Kylena Gale's side.

Emily Gale was always a little weak in Wangjiang Pavilion.

He only hoped that Emily Gale could have a easier time during this period.

"Young Master, if there is nothing to do..."

Aspen Li hadn't finished speaking, but from the corner of his eye, he saw a slender figure slowly slowing down at the corner of the stairs.

She is wearing a pink and white nightdress, and the V-neckline is a bit low.

The white swan neck was s*xy and fragile, as if it would break when pinched, so fragile that a man could not wait to hold it in his arms and protect it.

Her collarbone was looming in the tulle nightdress, which opened slightly with her pace, and even the large areas of skin below her neck could be seen.

Emily Gale...Why come down in such a s*xy nightdress?

Aspen Li almost looked dumbfounded, and after reacting, he immediately retracted his gaze.

Quietly glanced at Hunter Jackson. Fortunately, the eldest master was too awkward to see, and he didn't realize that he was also watching.

"Young Master, my...I will go back and rest first."

Emily Gale dressed like this, and Aspen Li felt that if he didn't leave quickly, he didn't know if his eyeballs would not be able to keep it.

Hunter Jackson did not speak, Aspen Li hurriedly lowered his head,

Go up the stairs.

When meeting Emily Gale, he still didn't even dare to look up, and whispered, "Miss Ranran, I'm going up first."

"Yeah."

Emily Gale nodded.

Aspen Li didn't matter if he went up by himself, and immediately called the housekeeper: All the male servants, all of them left the hall, including the housekeeper himself.

Soon, there were only two maids waiting in the entire hall, as well as Emily Gale, Hunter Jackson, and Kylena Gale.

Kylena Gale was stunned for several seconds before reacting violently.

She stood up suddenly, pointing at Emily Gale, her fingers trembling: "Why is she... how could she be here? What's the matter?" Isn't Emily Gale taken to the bureau and couldn't come out for a long time?

Why is she coming out now?

It doesn't matter if you come out, why do you still appear in Wangjiang Pavilion?

What is going on here?

This... Suddenly, her face darkened, and she quickly walked towards Emily Gale.

"What are you doing here? Who else do you want to hurt? You want to hurt me again, don't you?" Emily Gale looked at her, her eyes dimmed to no waves.

Kylena Gale walked quickly to her and grabbed her hand.

In fact, Kylena Gale's strength is limited, but she is angry and grabs her faster.

Emily Gale was unstable and slipped on her feet, almost slipping down the stairs.

She tightly grasped the carved ancient wooden handle of the stairs, and didn't let herself roll down.

However, the nightdress on her body was torn off by Kylena Gale.

The thin shoulders suddenly appeared in everyone's sight, and they were indescribably beautiful.

There is also the matching suspender nightdress inside.

The belt is shifted, and a large area of white skin is exposed. On the top, you can still see the traces of the man!

Kylena Gale was frantic with jealousy. Did Hunter Jackson leave this trace on top?

However, she raised her hand to give Emily Gale a slap!

But he stretched out his hand, but immediately took it back.

She forgot that Young Master Jackson is still here.

She couldn't show her violent and rude side in front of Young Master Jackson.

"I just... want to come down and find something to eat."

Emily Gale glanced at her lightly, then looked at Hunter Jackson, but quickly withdrew his gaze.

Everyone could tell that she was so scared that she was so afraid that she didn't want to appear in front of him.

Kylena Gale stomped her feet with anger. Was the dead girl's fragile posture intentional?

Can a shrewd person like Master Jackson see it?

"Don't pretend to be here, what on earth are you doing?" Is this the place where Emily Gale can come?

She had been driven out by Young Master Jackson a long time ago, so she still has the face to come back?

Emily Gale gave her a light push. In order to show her weakness, Kylena Gale naturally couldn't keep holding her.

But she has so little strength to push out, since

I want to pretend to be pushed down by her, but I can't!

After all, Young Master Jackson is not such a foolish person.

Thinking that Emily Gale would quarrel with herself sturdily and arrogantly as before, but she didn't expect that after taking a peek at Hunter Jackson, she seemed to be frightened, and quickly turned around to go upstairs.

Kylena Gale grabbed her: "You can't go, make it clear! What are you doing here?" Emily Gale bit her lip without answering, her indifferent gaze fell on the figure sitting on the sofa in the distance.

"Come here."

Hunter Jackson's voice sounded more indifferent, and his eyes swept over her messy nightdress.

The surprise just now has been completely concealed by him.

He said blankly: "She came here to be a maid."

Maid?

Kylena Gale looked at Emily Gale, and Emily Gale lowered her head and walked slowly towards Hunter Jackson.

What maid!

She Kylena Gale was the first to not believe it!

Will the maid dress like this and wander around in front of the host?

This is clearly attracting Young Master Jackson!

Also, why don't the maids work?

Why can I go to the second floor?

Emily Gale is definitely not a maid here!

Emily Gale walked to Hunter Jackson and squeezed the heart of his fist, clearly very nervous.

"Young Master Jackson, do you have anything to do with me?" Hunter Jackson's eyes were locked on her.

The lips are red, the teeth are white, and the pink makeup is jade, as tender as a baby!

The delicate skin, as if being pinched, can pinch water out!

This girl, dressed like this, is just to hook him!

I want to treat it as invisible, but I can't help but lock my eyes on her body.

Emily Gale felt the scorching heat in his eyes, and subconsciously pulled the tulle nightdress that he had slipped down.

The action of retreating slightly to escape made the man tight, and his throat became dry!

This girl!

Want to escape?

He stood up suddenly!

Before Kylena Gale could react, she turned her head and saw Hunter Jackson General Emily Gale carried on her shoulders and strode upstairs.

And Emily Gale, lying on Hunter Jackson's shoulders, was as soft as a little sheep.

When Joseph went upstairs north, Emily Gale suddenly raised her head and glanced at Kylena Gale.

With a sneer at the corners of her lips, her thin lips opened slightly, clearly declaring war on Kylena Gale-this man is mine!

Chapter 360

Knowing it was intentional, but still hooked?

Kylena Gale was almost vomiting blood!

What does this woman say?

What is she saying?

She even said that Young Master Jackson is hers!

shameless!

She, a woman who was abandoned and driven out, why did she say this?

"Joseph..."

She wanted to catch up.

However, Hunter Jackson was clearly carrying a person, so he could walk so fast.

When Kylena Gale chased to the second floor, Hunter Jackson had already carried Emily Gale into the room.

The door slammed shut, and the inside and outside of the room were completely two worlds.

Kylena Gale didn't give up and wanted to knock on the door, but she didn't have the courage.

Young Master Jackson was tolerant to her most of the time.

She knew it was because the dead old lady trusted him on his deathbed.

But sometimes, there are things that even she can't do.

For example now!

Kylena Gale could obviously feel that if she disturbed herself, Madam Jackson would be very angry, and even hate her!

She was standing outside the door, but the soundproofing effect of the room was so good.

As long as the people inside were not talking loudly, she didn't know what they said or even did.

"Miss Gale, what's the matter?" Aspen Li didn't know where he came out.

Kylena Gale really hates this man!

Every time she stood at the north gate of Joseph, he would emerge like a ghost at any time.

His only purpose in coming out is to drive her away!

This damn bastard!

He is clearly Emily Gale's lackey!

Kylena Gale bit her lip and clenched her fist, her anger nowhere to vent.

Finally, as he passed by Aspen Li, he couldn't help but greeted him with a punch.

She is really angry!

Why?

Why is this?

She lived here for two months in the room of Young Master Jackson, but the number of times she went in was pitiful.

Even not long after entering each time, he would be "invited" out by Hunter Jackson.

She never stayed in his room for too long, let alone overnight!

Never!

Aspen Li didn't care about her embroidered legs at all.

However, Kylena Gale herself, accidentally, hit the injury on her arm.

There was a heart-piercing pain in her arm, which made her grin and almost couldn't help crying.

Aspen Li shrugged at her, opened his hands and looked innocent.

"Miss Gale, I haven't touched you, don't frame me as my own."

He meant something, how could Kylena Gale not know?

This bastard didn't believe that Emily Gale would hurt him at all. He was suggesting that it was Emily Gale she framed!

Sure enough, it was the person sent by Emily Gale, a useless dog!

She left, and closed the door not far away with a bang.

Aspen Li did not dare to stay outside the young master's room for too long.

As soon as Kylena Gale walked away, he immediately returned to her self.

Own room.

Do not listen to assault.

Hunter Jackson's room.

Emily Gale was thrown on the bed by him.

After the slender body bounced slightly on the firm mattress, it fell quietly between the bedding.

She looked at the man standing by the bed, the panic in her eyes was not disguised.

If you say that when I was in the hall just now, I deliberately wanted to steal a man from her in front of Kylena Gale.

So now, facing Young Master Jackson alone, her ease and disguise are completely gone.

The little man fell into the dark-colored bedding, and his fair skin looked particularly delicate.

She grabbed the quilt and lay halfway on the bed, looking at him.

Hunter Jackson was possessed and stared at her face, with a condescending posture, like a superb king.

"Where was the courage to hook me just now? Now, it's gone?" He pulled the tie, and the gold-studded tie was pulled aside by him.

He also tore off a few buttons on the collar.

Evil, wild, scary, but also fatally attractive.

Emily Gale knew that any method used in front of Young Master Jackson could not escape his eyes.

She bit her lower lip, still a bit stubborn: "Since you know I did it on purpose, why bother to get the bait?" The desire for her under his eyes is not fake.

Hunter Jackson's eyes fell on her Hungarian mouth, and her s*xxy Adam's apple rolled down.

"Bring you back, it was originally for playing, is it a bait? What's the difference?" Emily Gale squeezed his palms, this is really hurtful!

However, she seems to be able to get used to Joseph's irony.

Since it is here, what dignity is needed?

In front of Young Master Jackson, what is self-esteem?

She was lying on the bedding, looking at him, her thin lips opened slightly, her voice was soft, and her whole body was as soft as boneless.

"Can... be lighter?" ... Hunter Jackson was a little depressed.

He has never been a person who is easy to lose control, but this girl's words completely messed up his breath.

For more than an hour, he couldn't control himself at all.

After it was over, the pissed Master Jackson went into the bathroom and took a bath directly with cold water.

There was a faint sound of falling into the bathroom.

Emily Gale fell on the bed, still breathing slightly.

His whole body's strength was completely drained by him, and I don't know where this man's good physical strength, the steady flow of physical strength, is as if he can never run out.

I was so tired that I couldn't even lift my hands.

She obviously didn't do anything, why is she the one who is tired?

I don't know how long it took, the bathroom door was opened, and the wet young Master Jackson came out of it.

Senhan's breath filled the room as he came out.

He walked to the wine cabinet and poured himself a glass of red wine.

The sound of cold and no temperature overflowed from his teeth, ruthless and cold.

"This is not your room."

Emily Gale knew, and Young Master Jackson wanted to drive her away.

However, she didn't care.

From the time when he had no warmth and told himself to play for him for three months, she knew that humiliation was indispensable for these three months.

Anyway, she was angry with Kylene Gale tonight, enough.

Emily Gale stretched out a trembling hand and picked up the torn nightgown back.

After finally putting it on herself, she lifted the quilt and wanted to get out of bed.

The legs are really sore and uncomfortable!

Even the simple movement of getting out of bed is very difficult for her now.

Hunter Jackson heard the squeaky voice behind him, and when he turned his head, he saw her slowly sliding down the side of the bed.

The legs are straight and slender, and they are still shaking slightly now.

When she first landed, her legs softened and she almost fell to the ground.

Hunter Jackson's fingers holding the goblet tightened sharply, and he had already stepped out.

But when she saw her kneeling on the ground, she took it back slowly.

He leaned against the table, staring at her difficult and bitter movements and s*xxy Adam's apple, and couldn't help rolling again.

This time, she definitely didn't mean it!

Emily Gale helped the bed to stand up slowly, and was about to turn around and leave, but he didn't want to.

As soon as he turned around, he saw Hunter Jackson's tall body blocking her.

"Young Master Jackson..."

She backed away subconsciously.

The man hit the bed and fell over accidentally.

Chapter 361

Reluctant?

The Arabian Nights!

This time, Emily Gale was frightened by herself.

Hunter Jackson was right in front of her, and she even dared to fall back on his bed.

Emily Gale hurriedly wanted to get up, but he pressed both hands and wrists.

Hunter Jackson leaned over and pressed her wrists to both sides.

He squinted his eyes and stared at her with a small face filled with horror: "Intentionally again?" "Young Master Jackson, how can you not be able to see that you are such a shrewd person? I really want to leave you now. Room?" Has been tossed for nearly two hours, saying that she was deliberate, unless she wanted to die!

"I said you did it on purpose, you are!" Hunter Jackson announced strongly, with sharp eyes staring at her like an eagle.

"Since you are such a enthusiastic invitation, I can't justify you if you are not satisfied."

"I am not! Young Master Jackson...well!" She was turned over by him... Emily Gale fell asleep.

This time, even if Major Jackson kicked her out of bed, she would not have the strength to get up and get out of his room.

Even if she was kicked down, she would have to sleep well before talking.

Very tired, so tired that my body is completely different from my own.

Hunter Jackson was not worried.

He didn't know whether it was her or himself who brought this girl back.

It's just two times.

Are you so tired?

If it weren't for her breathing evenly, he would have thought that he had fainted her.

Looking at her sleeping face, Hunter Jackson was a little irritable.

He wanted to get up and smoke a cigarette, but Emily Gale was resting on his arm.

As long as he moves, maybe it will wake her up.

But why should he be afraid of waking her up?

This woman, let her roll back to her room when she wakes up, isn't it just right?

He wanted to pull his arm out again, but as soon as he moved, Emily Gale followed.

Hunter Jackson's heart tightened and immediately calmed himself down.

Emily Gale in his sleep seemed to have found a comfortable position again and nudged him in his arms.

After that, it was as quiet as a chicken for a second.

She is really tired, otherwise, she won't let herself sleep in his arms.

She was scared of him, so scared, anyone could tell.

The delicate and soft body clung to his body tightly, and the delicate touch made his breathing start to mess up again.

From the slight chaos at the beginning, to a mess!

The hand fell on her shoulder, wishing to push her down and continue to do what she likes to do.

But, she slept so peacefully... Hunter Jackson suspected that he was crazy, and even cared if this woman was too tired and could sleep well.

Did he forget how she and other men hurt him?

But he tried to harden his heart several times and let himself be cruel to do whatever he wanted with her.

But in the end, there was still some softness.

Probably, I am tired tonight.

Jackson Da Shao

After finding an excuse, he lay back gently beside Emily Gale.

Pulling the quilt on her body, the action was not so gentle, but it was definitely not as rude as he was.

The long arm was around her waist, although he was still eager, but he forced himself to close his eyes.

He was just a little tired, not because he couldn't bear to toss her again.

A woman who has betrayed herself, what can't you bear?

Reluctant?

Oh, a fantasy.

... Emily Gale actually spent the night in Young Master Jackson's room!

That night, Kylena Gale did not sleep well at all.

Throughout the night, she had come out countless times, and every time the door of Madam Jackson's room was closed.

The most unbearable thing is that she sneaked by the door several times and heard all the shameless cry of that slut!

She didn't believe it and didn't want to believe it.

Young Master Jackson hates women being close, how could he really want that b*tch?

However, reality gave her several slaps!

Hunter Jackson not only wanted the slut, but almost the whole night!

In the end, she couldn't listen, and fled from outside Hunter Jackson's door.

After inquiring about the guest room Emily Gale lived in, she went straight to Emily Gale's room and waited.

But I didn't want to, wait until dawn the next day!

They really stayed together all night!

When Emily Gale woke up, there was only one person in Young Master Jackson's room.

The room has been cleaned up, and a set of clean clothes is stacked on the bedside table.

Of course it was not prepared by Young Master Jackson for her, she just didn't expect that she would fall asleep so hard.

Even the maid had come in to clean up, she didn't notice.

After all, I was young, recovered quickly, slept, and returned my strength.

She changed her clothes and went back to her room.

As soon as I walked in, I saw an extra figure in the room.

The woman was sitting on the chair, staring at her with a cold and bitter stare.

"What are you doing in my room? Want to see if I will be driven out by Young Master Jackson?" Emily Gale sneered, not proud, just disdainful.

"Heh, I'm sorry, I let you down."

Ignoring Kylena Gale who was staring at her, she turned and walked into the bathroom to wash.

"b*tch! You have to be shameless! You are already with other men, and now, looking back to Joseph, do you want to be so cheap?" Kylena Gale chased after the bathroom door and stared at her. Back view.

On the collarbone of this dead girl's neck, there are all traces left by men.

So obviously, even if she tried to pretend to be invisible, she couldn't!

"Why? Now that Young Master Jackson wants me and doesn't want you anymore, you're angry?" Emily Gale just took care of his own affairs without even looking at her.

"You..."

Kylena Gale squeezed her fist, almost couldn't hold it back several times, and shook her out forcefully!

"Who said that Young Master Jackson didn't want me? He just got into trouble with me and used you to stimulate me!" "Really?" Does Emily Gale want to believe?

No, I didn't believe a word.

Let's not talk about the relationship between Hunter Jackson and Kylena Gale now. Even if they are really together, they want to use one woman to stimulate another woman. Such a boring thing, Joseph can't do it.

She was still unmoved, washing her face and combing her hair, very casual.

Kylena Gale can't wait to tear that face that pretends to be pure!

She held back her anger, and suddenly raised her lips: "Oh, you are here with Jackson Da Shaoqing, but I don't know, is your friend Su Xiaomi dead now?" Emily Gale instantly clenched his fists.

Kylena Gale smiled, not missing the flash of haze under her eyes.

Emily Gale is right to be angry, she can't keep herself aggrieved.

If Emily Gale dared to come here to find Young Master Jackson, he should have the courage to endure harm.

"Falling from such a high place, oh, it must be impossible to live, even if you don't die now, you will be a vegetable in the future."

"b*tch, I am really worthless for your friend! She has no grievances with us, We don't want to hurt her either."

"But, she is your friend! As long as it is your friend, I want to kill her, what do you say?" Kylena Gale stared at her slightly scarlet eyes and smiled.

The face is arrogant.

Emily Gale had better lose control again, had better hurt her!

This time, as soon as she did, she immediately called the police.

She wants to personally accuse her of deliberate murder!

At that time, even Mr. Jackson cannot protect her!

Chapter 362

Not to mention, but even more aggrieved the last time Kylena Gale was injured, it was Qin Yi's police.

The prosecutor is Hunter Jackson.

Kylena Gale still thought that the things that Young Master Jackson did for her must be because she cared too much.

But now, she reacted violently.

Did Hunter Jackson deal with these things on his own, to keep this b*tch?

If it falls into her hands, Emily Gale wants to get out of the game, it is definitely not that easy!

But now, Young Master Jackson let her out.

If he insists on getting her in, he is openly trying to beat the young master in the face.

She dare not yet!

But if you do it again, she Kylena Gale, she must let this b*tch squat in it for three to five years!

Emily Gale stared fiercely at the woman leaning on the door.

The scorching gaze was filled with hatred that could not be hidden.

However, Kylena Gale always smiled and looked at her graciously.

"I heard that she is still in the intensive care unit.

She is very pitiful. Maybe she will wake up one day, right?" "But, even if she wakes up, I will f*ck her again. Even twice, huh!" She covered her lips and smiled happily: "Make her crippled and make her die! Are you saying it's fun?" "Really?" Emily Gale put down the comb and suddenly turned back to Gale. Kylena came.

Obviously, this was the moment she was waiting for, but when she walked towards her, Kylena Gale was still a little panicked instinctively.

Do not!

Why is she afraid of this b*tch?

She wants to hit herself, it's best to hit harder!

She was going to be ruthless before she had a chance to call the police to catch her!

"What do you want? Do you want to kill me? Okay, come on!" Kylena Gale reached the door, unwilling to back down.

"If you have the ability, kill me, otherwise, I will definitely kill your friend!" "Not only Su Xiaomi, but also He Lingzhi, and..."

Emily Gale has come to her, Leng Sensen Kylena Gale's gaze was frightened and Kylena Gale swallowed subconsciously.

But she!

I will never be afraid of her!

"Hit me! b*tch, if you have the courage, hit me! Heh...ah!" With a slap, Emily Gale actually raised his hand and slapped her face!

"You..."

Kylena Gale was stunned, this b*tch actually hit her!

"Why? Didn't you want me to beat you?" Emily Gale sneered, walked out of the bathroom, and walked slowly to the big bed.

"I really haven't seen such a mean person, I begged others to beat her, heh, it's really funny."

"You...you..."

Kylena Gale's slap was actually not painful.

But this is slapped!

Even if the strength is not so great, even if it is not so painful, she is completely dumbfounded!

"b*tch! Do you dare to hit me!" Kylena Gale, who realized with hindsight, finally found that she was pitted!

That b*tch turned out to be

Really hit her!

She grew up so big that even her parents had never slapped her like this!

Slapped several times, all because of this b*tch!

The grievances that lasted all night, finally couldn't help it at this moment, and it broke out!

Kylena Gale rushed over and slammed Emily Gale's neck who was walking to the bed!

"b*tch! Do you dare to beat me! I want you to die!" Emily Gale's knees originally wanted to rise, but after hearing some movement, he suddenly fell back and fell directly on the bed.

Kylena Gale did not expect that she would be so fragile today, this slut sometimes can't resist!

"b*tch, aren't you very powerful? You are resisting! Ha!" Even if you don't choke her to death, let her know that her Kylena Gale is not something she can provoke!

"Dare to come back and grab a man from me! You must have the courage to bear the end!" "Don't think that Young Master Jackson is willing to want you, he really likes you, he just treats you as a plaything! Understand?" It's just for a man It's nothing to vent, but I dare to be arrogant in front of her!

"You..."

Suddenly, a cool breeze hits behind him.

Before Kylena Gale could react, her wrist tingled.

She pinched Emily Gale's hands and was suddenly pulled apart!

The person's strength was not particularly great, but he still pulled her back two steps.

Before she could see who it was, Kylena Gale immediately fell to the ground with a bang in her usual posture.

The arrogance just now disappeared instantly, and now he was a pitiful victim.

"You..."

After seeing the man in front of him clearly, Kylena Gale was taken aback for a while, but couldn't completely react.

She thought it was Aspen Li!

Here, there is only the bastard Aspen Li who helps Emily Gale deal with herself every day.

But why... why is it him?

"Big, big cousin?" Zyden Gale just glanced at her, then stretched out his hand to help Emily Gale who was lying on the bed up.

Seeing her still panting, he was a little anxious: "How's it? Are you hurt?" Emily Gale coughed a few times, shook his head, and wanted to talk, but because of his shortness of breath, he couldn't make a sound.

"Don't talk first, let your anger down!" Zyden Gale said immediately.

Emily Gale opened her mouth, still panting, and didn't rush to speak.

"Big cousin... Grandpa?" Suddenly feeling that there were two figures at the door, Kylena Gale turned her head and saw the Gale family father standing by the door.

Next to him is Aspen Li who brought him up.

"Miss Ranran, are you okay?" Of course Aspen Li could see that Emily Gale was not injured.

But he still wanted to ask, he asked, to remind everyone how hateful Kylena Gale is!

The old man walked a bit slowly just now, maybe he didn't have time to see that scene.

Both he and Zyden Gale could see clearly!

Kylena Gale pinched Emily Gale's neck and said what a plaything she was!

She clearly wants to kill!

"Well, it hurts..."

Kylena Gale's face changed when he said it changed.

The shock just now suddenly became aggrieved.

"Grandpa, my wound hurts, she...she wants to hit me."

Grandpa Gale looked at her for a while, and didn't know how to respond.

Because Kylena Gale was still too "fragile", she struggled for a long time on the ground, and finally got up.

She walked up to Old Man Gale and blinked a pair of wronged eyes.

"Grandpa, she...

She scolded me, saying that I was not qualified to be the granddaughter of Gale's family.

She said she was qualified, and I was out of breath..."

I don't know how much they heard when they came up.

But for Kylena Gale, no matter how much they listen to, they still have to say that it is not her fault.

She mumbled her mouth and whispered: "She hit my wound, and she wants to kill me. I am a legitimate defense."

No one spoke.

Most afraid of the air suddenly becoming quiet.

The atmosphere suddenly became weird.

Believe it?

Don't believe it?

But she is her granddaughter, what can she do?

Finally, the old man nodded, said "Um," and walked in.

Kylena Gale was aggrieved immediately.

What does his reaction mean?

Grandpa doesn't believe in yourself?

The old man passed Kylenea Gale and walked to Emily Gale's.

Emily Gale sat on the bed and looked up at him without speaking.

The old man suddenly felt sour, the girl still had a red mark on her neck, but her stubborn manner of not talking was really uncomfortable.

Are you wronged?

But she didn't say a single word of grievance.

It is precisely because of not saying this, that makes the old man feel even more uncomfortable.

He couldn't help but asked softly: "Is there any injury? Does the neck still hurt?"
