

Heat 2

Chapter 45

Lucian's pov

I was confused when she said we needed to go to our room right away until I smelled her heightened scent, the first thing I did was link Fred to remove the unmated males from the top 3 floors. I can not have them anywhere near her.

I wasn't sure what to do when I got her up there, I so badly wanted to touch her it was painful. I didn't want to push her too soon and ruin things. When she told me to fu.ck her I just about choked I was so shocked. I needed to be sure it wasn't just the heat talking.

When she threatened to bring Luca out to deal with her instead my control broke. He can have his turn later, for now she is mine, and I will be taking my time with her. Daddy definitely wants to play. The naughty little minx is so impatient that I couldn't resist having her ride my face.

I want her fully ready to take me so it hurts as little as possible. I needed a release first as I was so painfully hard with her scent and divine body that I

wouldn't last a second of being inside her if I hadn't.

I lay her on her back as she had her breath back and rubbed my hard co.ck between her folds, coating it in her juices before positioning myself at her entrance. I slowly push into her wet tight hole, letting her adjust as I go until I reach her barrier. She is so fu.cking tight. She is gripping me like a vice.

I thrust in the rest of the way, getting the pain over with. She flinched slightly, and a single tear slipped down her cheek that I kissed away. I stay still letting her adjust to me. This is fu.cking torture. It feels so good, I want nothing more than to fu.ck her into oblivion, but I need to be gentle as it is her first time.

"You can move, please move" she groans.

Thank fu.ck, I think as I slowly pull out and thrust back in as she wraps her legs rounds my waist. She starts to thrust into me, upping the pace. My baby doesn't want slow then. I start to fu.ck her faster and harder as she claws my shoulders and makes the most delicious moans.

"Fu.ck baby, you are so fu.cking tight. Your pu.ssy is gripping me so hard. Do you like daddy fu.cking

you hard" I growl at her between thrusts.

She keeps on moaning, not answering, so I slow my pace

"Faster please"

"But you didn't answer daddy, and bad girls don't

get what they want, now do you like daddy fu.cking you hard" I say the last bit thrusting hard on each word as she moans loudly.

"Fu.ck yes daddy I like it when you fu.ck me hard" she says breathlessly

"We beg me then, like a good girl" I growl huskily

"Please daddy, please fu.ck me hard" she moans

I rapidly start ploughing into her at a punishing pace and use my hand to rub her sensitive cl.it as she mewls in pleasure.

"Fu.ck Aurora, such a good girl taking daddies co.ck so well, now c.um" I demand rubbing hard on her cl.it as she soaks me in her juices and screams profanities.

"Well my sweet girl has a naughty mouth, if you keep that up I may have to put something in it" I say flipping her on her knees and pushing her shoulders down on to the bed.

What a fu.cking amazing sight, her sexy ass up in the air, and her tight, wet pu.ssy on full display for me. I swear she is the sexiest woman in existence. I thrust into her in one go, getting much deeper in this position and using her hips for leverage as I fu.ck her hard.

Sex with your mate is the best feeling in the world. Everything that came before just pales in comparison. The pleasure is immense. I can feel myself getting close as I lift one of her legs around my waist, getting even deeper and better access to her cl.it. I rub it furiously determined to get another orgasm from her before I c.um.

She moans into the pillow as her walls rapidly tighten round my co.ck and I roar out her name, her tight walls milking me of every last drop as I c.um harder than I have ever done in my life. I roll to the side and pull her into my arms so I don't collapse on her and crush her.

"How are you doing, my love" I ask, kissing her head

"Fantastic" she says, tiredly smiling at me.

I fill up the bath and then carry her through, I want to soothe any aches from her first time before her heat sets in again and change the sheets for her. After I carry her through and place her in the tub, I link the kitchen and ask for food to be brought up and plenty of drinks. I need to keep her energy up and her fluid levels.

I join her in the bath once the new sheets are on.

I can feel her temperature rise again as I am rubbing my hands over her large soft breasts, even under water. I can smell her arousal in the air. She turns quickly and straddles me in the tub, impaling herself in one quick thrust, making me moan deep at the sensation.

She quickly finds a rhythm as she bounces and grinds on my co.ck her breasts jiggling in my face

mesmerising me as the water runs off them. I can't help sucking one of her hard nipples into my mouth as I caress the other mound. Her skin is so soft that it feels amazing in my hands and against my mouth.

She is drilling me harder than a jackhammer trying to get what she needs from me. She is so fu.cking wild and passionate. I feel her kiss and nibble at my neck as her walls start to clamp around me, making me moan. Then pain and the best fu.cking pleasure I have ever felt in my life as I fill her with my seed, I swear I have never c.um this much in my life. I realise she has just marked me as Luca is purring proudly in my head.

"We need to mark mate back" he says

"Oh we will, don't worry" I say, totally in shock and awe.

I can't believe she marked me. I thought she would make me wait longer. The happiness I feel right now is indescribable. This is the first time in a long time I have felt close and in sync with Luca. For years, we have pushed against each other, disagreeing on what we wanted in life. Now we both want the same thing, and I have somehow managed to salvage things.

I know I will never screw things up again, I can not lose this happiness, I can't lose this amazing woman. I don't deserve her or my wolf, but I will spend every day from now on showing them how much I appreciate them.

I carry her out of the bath quickly, trying to dry us on the way to the bed, then lay her down before entering her again. She feels amazing the way her tight pussy grips my cock is the sweetest torture I have ever experienced. It is not even just sexual. To be inside her and have her in my arms feels like home.

I start hard and slow, looking at her filled with love as I gradually pick up my pace, I lift her feet onto my shoulders and go hard and fast staring into her beautiful eyes. As I feel her walls start to flutter around me, I kiss and suck on her spot before sinking my teeth in and marking her as mine as she clamps down hard on my cock milking me dry.

"I love Aurora and you Athena" I say through our link.

"We love you too" she says back.

I eventually release her and slowly pull out, put on some joggers, and collect the trolley with various

snacks, food, and drinks for us. Aurora looks exhausted, I make her sit up and feed her some food and make her drink some water before letting her rest, and quickly eating and drinking myself. I then wrap her up in my arms and get some much needed rest before the heat hits again.
