

Lucky 564

564 Sweet Dream (Part 2)

Although Su Yanyu was still a virgin, it was not that he wasn't popular among girls. He was just not interested.

Listening to the shameful sleep talk for the entire night, Su Yanyu could not sleep at all.

However, he felt that if Liu Erlang woke up and realized that he might have heard everything, Liu Erlang would be very embarrassed, so he pretended to be asleep.

Liu Erlang got up early, changed his clothes, and went out.

Su Yanyu barely slept for a while, and felt very awkward. He did not understand why Liu Erlang would have a wet dream, but he did not.

In the morning, Madam Liu made noodles. Seeing that Su Yanyu was not in good spirits, Madam Liu asked with concern. "Yanyu, did you not sleep well last night?"

Su Yanyu couldn't help but blush. "I'm just a little unused to a strange bed."

Of course, he was too embarrassed to say that he didn't sleep well because he had been listening to Liu Erlang sleep talk all night.

After dinner, Tang An went to the clan school to help. She was now helping cook at the clan school.

Madam Liu was still working as a chef in the restaurant.

Liu Yuanyuan and Hu Yu both felt that Liu Sanniang did the right thing to establish a clan school. In a clan, there would be a lot of children. It would be a great thing if they could produce a scholar.

At noon, Liu Erlang returned. He went to the kitchen to drink water and came out. He said to Liu Sanniang, "Sanniang, you already know I'm... Right?"

Liu Erlang was a little embarrassed to say the word 'engaged'.

Liu Sanniang nodded. "In the letter that Mother sent to me, she mentioned it. Second Brother, congratulations on getting what you wanted."

In her previous life, her eldest and second brothers' marriages were extremely good. Her two sisters-in-law were also very good. Now, they could continue their previous marriages.

After experiencing many things, Liu Sanniang knew that things were constantly changing.

What remained unchanged were people.

Every choice she made would cause countless changes.

Her family was already very lucky.

Liu Sanniang looked at Liu Erlang with a smile in her eyes.

Liu Erlang scratched his head in embarrassment. "I have something to tell you. Niuniu and her family are preparing to move to Yong County."

Today, he woke up early and went out. Ye Niuniu's eldest brother, Ye Tiancheng, came to tell him this personally. This news could not be wrong. Ye Tiancheng said that there was still some unfinished business at home. In any case, they would definitely move over before the new year to spend the new year here.

Liu Sanniang was a little surprised. "Is that true?"

The news that Ye Niuniu and her family were moving to Yong County was too shocking...

She was just thinking about things being constant when a huge change came.

Liu Erlang nodded. "It's true. Niuniu's eldest brother told me himself and even asked me to help them move. I don't know how to tell Mother, afraid that she will be unhappy."

Ye Niuniu was the only granddaughter of the Ye family. Other families did not care about female younglings, but in the Ye family, she was a treasure. Liu Erlang felt that the reason why the Ye family moved over was because they felt that they would not be able to see Ye Niuniu after she was married. They were afraid that Ye Niuniu would be bullied.

Of course, he would not bully Ye Niuniu, but the Ye family was afraid that Madam Liu would think that Ye Niuniu was too delicate and finicky.

Thinking of this, Liu Erlang was worried.

Liu Sanniang smiled. "Don't worry, Mother won't be unhappy. As long as you have a good life, she will be happy. Only when you have a bad life will she be unhappy."

This was how good Madam Liu was.

Madam Liu loved the three of them, so as long as they were doing well, she would be happy.

Liu Erlang looked at Liu Sanniang. "Really?"

Liu Sanniang nodded. "Really, I promise."

Liu Erlang was relieved.

At night, he told Madam Liu and Mr. Liu about the move. Madam Liu smiled. "Then, you have to be careful. If you make her cry, Niuniu's six brothers will beat you up together."

Liu Erlang glanced at Liu Dalang. "I have a brother too."

Liu Dalang waved his hand. "No, I can't beat them alone."

Mr. Liu smiled, and so did Madam Liu.

Su Yanyu was really envious. He did not have any brothers and never joked with his family like this

When he saw this heart-warming scene, he was envious.

Like Su Yanyu, there were also Liu Yuanyuan and Hu Yu.

After eating, Liu Erlang and Su Yanyu went out to play with General Black.

Liu Sanniang went to get the embroidery stand and prepared to embroider something.

Liu Yuanyuan and Hu Yu stood on both sides. "Venerable Liu, is there anything you don't know?"

Liu Sanniang smiled. "There are still many things I don't know."

"I'll take you out to play tomorrow."

Although Liu Yuanyuan and Hu Yu were both a few hundred years old, one of them did not like to go down the mountain, and the other had been sealed previously.

Liu Yuanyuan and Hu Yu nodded. "Okay."

The fox was naughty and lively.

The snake was cold and calm, and liked to be quiet.

Since it was night, Liu Erlang and Su Yanyu returned quickly.

Tonight, Madam Liu did not sleep with Liu Sanniang. Before she fell asleep, Liu Sanniang called her family's name again.

Liu Dalang hugged Tang An and heard her sobbing. He said in a low voice, "I will finish soon..."
