### 566 Unsolvable Conflict

Liu Sanniang asked her. "Then, what was I like in your imagination?"

Ye Niuniu replied bluntly. "The kind who wears a Daoist robe and is very serious..."

As she spoke, Ye Niuniu could not continue. Liu Sanniang was not like that. Ye Niuniu smiled in embarrassment. "I'm sorry, don't mind me. You're not like that."

It was all Liu Erlang's fault. She asked him what his sister looked like.

Liu Erlang couldn't describe it. He only said, "My sister is not an ordinary person. She can exorcize evil. She's amazing."

Before seeing Liu Sanniang in person, Ye Niuniu had always thought that Liu Sanniang would be dressed in Daoist robe, but after seeing her...

She was completely different.

Liu Sanniang smiled and shook her head. "It's fine. I don't mind. You're really cute."

Every time she looked at Ye Niuniu, Liu Sanniang could understand why Liu Erlang liked her. It was because who wouldn't like such a cute woman?

After being praised, Ye Niuniu looked into Liu Sanniang's eyes and was very embarrassed. However, she was very happy.

Ye Niuniu could not describe what she was feeling. She felt that Liu Sanniang's eyes were so warm. As long as she looked into Liu Sanniang's eyes, she would believe everything Liu Sanniang said.

When the elders in the room saw this, they all smiled.

Madam Zhao gently stroked Ye Niuniu's hair. "My Niuniu is really lucky. I'm relieved that you can be a family with someone like Madam Wei."

Ye Niuniu blushed. She liked the Liu family too. They were all so good.

Madam Liu smiled and said, "We're fated to be a family."

Now that the marriage of her three children was settled, Madam Liu was happy.

She firmly believed that one had to be good. She was willing to do good and believed that good would be rewarded.

Madam Liu was gentle and the Ye family was happy. Everyone chatted and laughed as they talked about the interesting things that happened when their children were young.

Old Madam Ye said to Ye Niuniu, "Niuniu, take Sanniang to your room. Sanniang's embroidery is excellent. Let her teach you."

Ye Niuniu nodded and held Liu Sanniang's hand. "Sanniang, let's go to my room."

Liu Sanniang nodded and the two of them went to Ye Niuniu's room.

Ye Niuniu's room was quite good. It was bright and spacious, filled with pink gauze curtains that girls liked.

On the embroidery stand was Ye Niuniu's embroidery work. She was a little embarrassed. "Sanniang, look at what I embroidered."

Ye Niuniu thought to herself. 'It's alright. Even if Sanniang says it's a hen, it doesn't matter. I'll tell her that it's a mandarin duck.'

Liu Sanniang glanced at the embroidery with two hens swimming in the water and said, "These hens are very cute."

Ye Niuniu's eyes widened. "These... are mandarin ducks..."

Liu Sanniang smiled. "It's not easy to embroider mandarin ducks. Hens are also very cute."

Ye Niuniu nodded. She was not sad or disappointed.

The men in the Ye family were mostly out doing business.

She had one biological brother and five cousins. All her brothers doted on her very much. The men in the Ye family got engaged late. The eldest brother was already 21 years old and had yet to get engaged.

Speaking of which, Ye Niuniu was the first among the juniors to be engaged.

From this, it could be seen how much she was doted upon.

The first, second, and third masters of the Ye family had yet to return, but they had already said that they would definitely make it back today.

Ye Niuniu held Liu Sanniang's hand. "Sanniang, I don't know what you like, but when my father comes back, you can choose the gift first. I like you so much, so don't stand on ceremony with me, okay?"

Liu Sanniang nodded.

In her previous life, she and Ye Niuniu had never been so close, but Ye Niuniu was a good person and had never quarreled with her.

After dinner, Ye Niuniu's father still did not return. People from the Liu clan had already gone back.

Liu Sanniang's family was the last to leave.

Ye Niuniu was a little unhappy. "Sanniang, my father must have been delayed by something on the way. When he comes back, I'll come to your house, okay?"

Old Madam Ye personally sent Liu Sanniang and the others to the door and said apologetically, "I'm really sorry. My sons must have been delayed by something on the way."

Madam Liu smiled and said, "It's fine, it's fine. Safety is the most important."

Mr. Liu was also a straightforward person. "When they get home, ask them to come to my house for dinner another day. I'll have a few drinks with them."

Liu Sanniang looked at Old Madam Ye. With just a glance, she could tell that Old Madam Ye's physiognomy had changed. Her family seemed to be troubled by something. Liu Sanniang looked at Madam Zhao, Madam Geng, and Madam Qiu to see if their physiognomy showed any signs of being affected.

Madam Geng and Madam Qiu had calm faces. They were both good people. Some small conflicts would not affect their family, but Madam Zhao's face showed that there was an unsolvable conflict in her family.

Liu Sanniang knew what was going on. She smiled at Ye Niuniu. "Niuniu, if there's anything you can't solve, you can tell me."
