

## Lucky Bride 105

### Chapter 105: You Are Pregnant

Yu Zhenzhen looked at Liu Sanniang and said, "Miss Liu, we're here for something."

They had asked around yesterday and found out that Liu Sanniang was a master hired by Magistrate Wei. Her ability must be extraordinary, and she was definitely not a liar.

Besides, they had experienced it personally themselves.

After Su Miaomiao consulted with her, she was completely different. She was no longer confused. They discussed it for a while and immediately asked the Bawd to let them come here.

Liu Sanniang asked them to sit down. Yu Zhenzhen smiled and said, "Let's start with Zi Yan."

Zi Yan did not refuse. She wanted her questions to be answered quickly, so she took the initiative to extend her hand.

Liu Sanniang held Zi Yan's hand and carefully read her.

Liu Sanniang looked at Zi Yan in shock. Liu Sanniang said, "You're pregnant."

Yu Zhenzhen covered her mouth. "How... how is that possible?"

Ever since they lost their virginity, the bawd had been giving them contraceptive pills. It was impossible for them to get pregnant.

The bawd did it for their own good. The men who came to the brothel were all looking for fun. If the girls were pregnant, those men would definitely not acknowledge it.

Zi Yan had also been taking contraceptive pills, so it was impossible for her to be pregnant.

Zi Yan's face turned pale. "Yes, I'm pregnant. It's been more than two months."

It was precisely because she was pregnant that she wanted to ask Liu Sanniang this question. She asked some fortune-tellers but they couldn't help her. However, after the first encounter with Liu Sanniang, she started to have hope again.

Liu Sanniang looked at Zi Yan. "What I am going to say will be exactly the same as what the fortune-tellers told you."

Zi Yan's hand trembled. "Why? He loves me so much. Why would he betray me? I don't believe it."

When Liu Sanniang let go of her hand, Zi Yan immediately stood up in anger. "You must be lying to me. I won't believe you. There's no such thing as fate. This isn't my fate."

After saying that angrily, Zi Yan walked out.

Yu Zhenzhen frowned. "Sister Zi Yan."

After Zi Yan left, Yu Zhenzhen sat down. "She doesn't believe you but I do. Help me. I really don't want to suffer anymore. I want to settle this once and for all."

Yu Zhenzhen reached out her hand. She was more determined than Su Miaomiao.

Liu Sanniang held Yu Zhenzhen's hand and read her.

They were all plagued by love.

They all thought that the man they loved was their dream lover. They were tempted, but they knew that they were not worthy of the person and were mentally tortured.

As soon as Liu Sanniang let go of her hand, Yu Zhenzhen asked impatiently. "Miss Liu, show me the way. Can I love that man or not?"

Liu Sanniang shook her head. "How strange! You all actually encountered the same thing. That man seems to be tailor-made for you, but he's not here to free you from misery. You've spent a lot of money on him. What he gave you is only a hollow promise."

Yu Zhenzhen bit her lip hard. "I love him to the core, but in the end, he's a liar."

Yu Zhenzhen was sad and angry. The girls in the brothel desperately hoped that someone would save them. When their dream lover came to them, he didn't come to free them, but to inflict more pain on them.

Yu Zhenzhen felt indignant. "What will happen if I continue to be with him? Will I die?"

Liu Sanniang said, "I'm not sure, but when you're with him, you are surrounded by darkness."

Yu Zhenzhen's eyes darkened. "Thank you. I know what to do."

Yu Zhenzhen took out some money. "This is for you."

Yu Zhenzhen stuffed it into Liu Sanniang's hands and was about to leave when Liu Sanniang followed her. "Wait a minute."

Yu Zhenzhen was not in a good mood. "Is there anything else?"

Liu Sanniang said, "Zi Yan is in danger. Keep an eye on her."

Yu Zhenzhen frowned. "What do you mean? Does someone want to kill her?"

Liu Sanniang shook her head. "Not necessarily. In short, keep an eye on her. I'm not sure about some things either."

Yu Zhenzhen thought for a moment and nodded. "Alright, I'll tell the bawd. Bye."

The bawd cared about these girls more than any men because they were the means by which she made money.

However, if the bawd knew that Zi Yan was pregnant, she would be very angry. This was also the reason why Zi Yan hid it.

After Yu Zhenzhen left, Liu Sanniang became even more confused.

She cleaned up, closed the door, and went to the government office.

“Miss, Miss, wait a second.”

Liu Sanniang walked quickly and did not notice that someone was waving at her.

When her shoulder was patted, Liu Sanniang turned around and took a few steps back. She looked at the man in front of her warily.

The man smiled warmly. “Miss, you don’t remember me?”

Liu Sanniang looked at him and remembered. “Oh, it’s you.”

The man smiled warmly at her. When he smiled, he revealed two canine teeth. He was really good-looking and gentle, which was really in line with Liu Sanniang’s ideal type of man.

“Miss, you remember now. I felt very guilty for bumping into you yesterday and prepared a small gift.”

The man took out a bamboo dragonfly and gave it to Liu Sanniang.

Liu Sanniang did not extend her hand.

The man blushed. “Miss, it’s just a small gift. Please accept it. My name is Wen Qinghua. I’m studying at Lin’an Academy. Don’t worry, I’m not a bad person.”

Liu Sanniang took the bamboo dragonfly and smiled faintly. “Thank you. It’s my fault for what happened yesterday. I still have something on. Bye.”

Without waiting for Wen Qinghua to speak, Liu Sanniang turned around and quickened her pace.

Wen Qinghua looked at Liu Sanniang’s receding back and couldn’t help but narrow his eyes. Soon, he retracted his gaze and returned to the book stall. There was a sign hanging by the side of the stall with the words ‘Help You Write’ written on it.

Liu Sanniang soon arrived at the government office. She was now a master of the government office and was not stopped when she was entering.

Wei Shilai was not at the government office. He had stepped out.

Instead, Zhu Zongyang was there. He looked at Liu Sanniang and said, “Master is out.”

Ever since the incident at the Zhou Mansion, Zhu Zongyang did not have a good impression of Liu Sanniang, but he did not dare to offend her.

Liu Sanniang said calmly, “I have something to tell Magistrate Wei. Since he’s not at the office, I’ll wait for him to come back.”

Zhu Zongyang looked at Liu Sanniang. “Then, feel free. I won’t be here to keep you company.”

Liu Sanniang did not mind. She just waited.

Not long after, Wei Shilai returned. He smiled when he saw Liu Sanniang. “Miss Liu, I was about to ask you to come over.”

Wei Shilai frowned after a moment. “Miss Liu, the scholar, who was in a relationship with Yan Lan, has already left. He’s really smart. I asked the people who lived around him and they all said that this scholar is very generous. They haven’t seen him for the past two days and don’t know where he went.”
