

## Lucky Bride 114

### Chapter 114: Don't Lose Hope

If she wasn't a psychic, she would definitely be infatuated with him.

Chu Yan's gaze landed on Liu Sanniang, and his eyes darkened.

So she liked scholarly men?

Wei Shilai looked at Liu Sanniang. "Miss Liu, you have to be careful. Don't fall into his trap."

Liu Sanniang nodded and said, "Sir, we have to capture this man. He probably doesn't know who I am yet. I'll use myself as bait to capture him."

Wei Shilai frowned. "No, what if he hurts you?"

Liu Sanniang was still a young girl and that man was definitely not easy to deal with.

Liu Sanniang frowned slightly. "Sir, we have to capture this person. His ability is getting stronger. After Zi Yan's accident, his ability has increased. If he gets away, what will he do?"

He would treat the entire world as his playground.

Wei Shilai felt a heaviness in his chest.

He looked at Liu Sanniang and saw determination in her eyes.

Liu Sanniang smiled at Wei Shilai. "Sir, don't worry. What I want is to have a clear conscience."

For this, she was willing to die without regrets.

Wei Shilai gritted his teeth. "Alright, we have to capture this man."

This was a serious case. If this man's ability increased, it was unimaginable what would happen.

Su Miaomiao and Yu Zhenzhen's faces were very pale. The bawd gave them everything that Zi Yan had left for them. Holding the things, the two of them felt like a heavy stone was pressing down on their hearts.

Wei Shilai looked at the two of them and said, "Ladies, if they come looking for you, you must find a way to keep them."

Su Miaomiao and Yu Zhenzhen were flustered. They were very afraid just thinking about it. They didn't know that the person they loved was in fact a devil.

The hope in their hearts was shattered. They felt like they had lost their souls and did not know what to do.

Liu Sanniang walked forward and reached out to hold their hands. She said calmly, "Remember, no matter what happens, don't lose hope."

Su Miaomiao and Yu Zhenzhen looked at Liu Sanniang. They were different from Zi Yan and Yan Lan. They were more determined and knew their hearts better.

It might be difficult to let go of this love, but they knew in their hearts that it was really not worth to die for a man like that.

Su Miaomiao looked at Liu Sanniang. "Miss Liu, did you... see something?"

Su Miaomiao's words made Yu Zhenzhen widen her eyes and look at Liu Sanniang nervously.

Since Zi Yan had committed suicide, what about them?

Yu Zhenzhen also became nervous. "Miss Liu, will we die too?"

At the thought of dying for such a man, Yu Zhenzhen and Su Miaomiao felt a little uncomfortable. They didn't want to die like this. What they were afraid of was that they couldn't control themselves.

Liu Sanniang smiled. "No, I've told you before. Leave him and you will see hope."

Su Miaomiao and Yu Zhenzhen heaved a sigh of relief. They believed what Liu Sanniang said.

After leaving the brothel, Wei Shilai withdrew most of the people, leaving only two constables to watch the place.

At dawn, many people came out of the brothel one after another. They had happy expressions on their faces. Before they left, they were still laughing and chatting with the girls. Once they left, they did not look back.

They disdained the girls for being prostitutes and thought they were dirty.

However, they never knew that the girls also yearned for true love, to be loved and cared for.

After leaving the brothel, Wei Shilai got Lin Zheng to change into plain clothes and have him bring people to protect Liu Sanniang.

Liu Sanniang stopped Wei Shilai. "Sir, don't send too many people for the time being. His strength has increased. If we alert him, he might not show up."

After all, the man was just looking for pleasure. If he sensed danger, he'd just change the target.

Wei Shilai thought for a moment and said with a serious expression, "Miss Liu, your safety is the most important."

Wei Shilai looked at Chu Yan. "You and Miss Liu live very close to each other. I'll leave Miss Liu's safety to you."

Chu Yan nodded. "Yes."

Liu Sanniang could not help but blush.

Wei Shilai already knew about what happened between her and Chu Yan.

He smiled when he saw that Liu Sanniang was shy.

After coming out of the office, Liu Sanniang couldn't help but ask. "Why did you become a constable?"

Chu Yan chuckled. "Didn't I tell you?"

Liu Sanniang blushed. "But you didn't make it clear."

Remembering that she told him it was good to be a constable back then, Liu Sanniang wanted to cry.

She wanted to take that sentence back. Instead, she wanted to tell him to continue his trade as a blacksmith because there was nothing good about becoming a constable.

At first, she thought that after Chu Yan became a constable, he would be very busy and they would not meet often. In the end, Chu Yan became a constable who would be assigned to protect her in the future!

Chu Yan said huskily, "It's you who said it's good to be a constable."

Liu Sanniang did not want to speak at all.

Chu Yan smiled. "So... you like scholars?"

Liu Sanniang didn't want to answer him. When Chu Yan asked that, for some reason, she felt like she was caught cheating by her husband.

Chu Yan smiled. "Make white clothes for me."

In white, he would look like a scholar too.

When Liu Sanniang heard this, she was stunned for a moment. She looked up at Chu Yan and found it unbelievable. Did Chu Yan mean what she thought he meant?

The image of Chu Yan dressed in white appeared in her mind. He indeed looked good in white. His face was cold and intimidating, but when he smiled, he was gentle and likable.

Liu Sanniang walked on the street with Chu Yan beside her. Liu Sanniang's heart beat faster. Suddenly, Liu Sanniang felt a wave of power. She couldn't help but turn around and look at the busy street, but there was nothing.
