

Lucky Bride 126

Chapter 126: I'll Weave You A Dream Too (Part 3)

When Jiang Bing regained consciousness, he realized that he was actually a woman.

His name was no longer Jiang Bing, and his body was no longer weak.

He had become healthy and his name was Yan Lan.

Even though he had escaped Jiang Bing's identity, he still couldn't escape his miserable fate. He became a whore and hoped that someone would really love him.

When a man named Song Yu appeared, he fell in love with him with all his heart. However, he was let down and lost all his hope eventually.

Jiang Bing was in extreme pain. When he woke up again, he realized that he was still a woman. This time, his name was Zi Yan.

He wanted to live a good and ordinary life blessed with a healthy body. However, no matter what he did, he still ended up being a whore in the end. Everything seemed to be destined.

He had fallen in love with a man again. He thought that an older man would be able to give her a home and rely on him for the rest of his life.

But... he was let down again. He had no hope of surviving and killed himself.

When he woke up again, he was still a woman. His name was Yu Zhenzhen.

He struggled in despair and prayed that the heavens would let him off this time. He was already miserable enough.

However, no matter what he did, he still ended up being a whore. When that man appeared, he fell in love with him without hesitation and gave his heart.

But in the end, the man betrayed him. He swallowed gold and committed suicide. It was extremely painful.

Jiang Bing was in so much pain that he wanted to die. He opened his eyes and looked around blankly. Many images appeared in his mind. He was silent, and tears of regret fell from the corners of his eyes.

So, this was the dream Liu Sanniang had created for him.

Jiang Bing couldn't help but laugh at himself. This was his retribution. He had a chance to live well, but he didn't cherish it.

But now it was too late.

Too late.

Seeing that Jiang Bing had woken up, the constable immediately became vigilant. However, when he saw Jiang Bing crying and laughing, the constable sighed and shook his head.

When Jiang Bing woke up, the constable reported it to Wei Shilai immediately.

Wei Shilai said calmly, "Don't be afraid. Miss Liu said that he's harmless now."

Three days later.

Wei Shilai was handling paperwork at the county office when a constable ran in from outside. He knelt down and reported, "Sir, someone from the capital is here."

Wei Shilai became serious. "Who came?"

The constable said, "It's the Third Prince's man. He's already at the government office. He wants to see Jiang Bing and take him back to the capital."

Wei Shilai thought for a moment and immediately stood up. "Then, quickly bring Jiang Bing over."

The constable went to bring Jiang Bing.

Wei Shilai was about to go out to receive the guest when footsteps came from outside.

"Is Magistrate Wei here?"

Wei Shilai went to welcome him. "I am here."

Wei Shilai cupped his hands and bowed.

It was the Third Prince's personal guard, Jiang Wei. He had rushed over after receiving Wei Shilai's urgent letter.

Jiang Wei looked at Wei Shilai and said, "Magistrate Wei, thank you for investigating this case. Where's Jiang Sheng?"

As soon as the letter reached the capital, the Third Prince immediately volunteered to handle this case in the royal court. After the emperor gave his permission, the Third Prince sent his man to Yong County to take over the criminal.

Wei Shilai said, "I've already gotten someone to bring him over. Please wait a moment."

Jiang Wei was the Third Prince's personal guard. He had a higher official ranking than Wei Shilai and was a martial artist. He had a bad temper and was impatient.

Jiang Wei's expression was cold as he nodded.

Wei Shilai said, "Sir, this person's real name is Jiang Bing, not Jiang Sheng."

He still did not know Jiang Bing's true identity when he sent the report three days ago. Jiang Wei, who came from the capital, naturally did not know that Jiang Sheng was actually Jiang Bing.

Jiang Wei frowned and did not say anything.

Jiang Bing was quickly brought over.

Jiang Wei looked at Jiang Bing who looked like he was on his last breath. "Him?"

Wei Shilai nodded. "It's him."

"Thank you, Magistrate Wei. I'll take him away now."

Wei Shilai was surprised. "Sir, you came all the way here. Aren't you going to rest?"

Jiang Wei said calmly, "No, I have to go back and complete my task."

He had to bring back Jiang Bing as soon as possible.

Wei Shilai did not insist on him staying. "Then, stay safe."

Jiang Wei nodded and left with the man.

Wei Shilai also had other cases to deal with, so he naturally didn't have the time to think about anything else. Fortunately, not all cases were so complicated.

Liu Sanniang rested at home for a few days.

When the dream she gave Jiang Bing ended, she could feel that Jiang Bing was repentant. Liu Sanniang felt some golden light fly into her body, and the internal injuries she had suffered during the time, were healed. Her power had also increased quite a bit.

After obtaining Jiang Bing's ability, she now could also create dreams for others.

Madam Wei had seen how tired her daughter was these past few days. She did not ask about it. Instead, she cooked a lot of nourishing food for Liu Sanniang to nourish her body.

Mr. Liu and her older brothers did not inquire about it either, but Liu Sanniang could feel the concern in their eyes.

Therefore, Liu Sanniang created a good dream for them.

A beautiful dream could make one feel good.

Madam Wei's mood improved a lot and she was less worried. She dreamed that Liu Sanniang married Chu Yan and had two children.

Liu Dalang, on the other hand, dreamed of marrying Tang An.

Liu Erlang also had a beautiful dream. He looked at Liu Dalang and was stunned. "Brother, you, you also..."

Liu Dalang glared at him. "Shut up."

Liu Erlang nudged Liu Dalang and asked with a smile. "Brother, what did you dream about? Tell me, hehehe..."

Liu Dalang could not be bothered to talk to Liu Erlang.

Liu Erlang said to himself, "Brother, why don't you cancel the marriage? I'll go and help you find someone you like."

Tang An was not worthy of his brother. A good wife had to be the voluptuous kind whom he dreamed of.
