

## Lucky Bride 132

### Chapter 132: The Dream Of The Sixth Sense (Part 1)

Sun Yarou was exhausted. "I only trust my own feelings. If they can't see anything wrong, it just means that they're not capable enough."

"When Magistrate Wei was in the capital, his talent was acknowledged by all his colleagues. However, because of his uprightness and his unwillingness to bend the rules, he was sent to Yong County. With his ability, he could have achieved something greater."

Sun Yarou looked at Liu Sanniang and addressed her.

Liu Sanniang and Chu Yan listened quietly.

Sun Yarou smiled. "If someone like Wei Shilai hired you, there's only one possibility. Your ability is outstanding."

Liu Sanniang listened to Sun Yarou's praise indifferently.

Sun Yarou looked away. "Miss Liu, please."

Liu Sanniang said, "I'll do my best."

Sun Yarou believed that Liu Sanniang would not disappoint her.

The servant who served Zhao Anhuai was quickly brought over. He was a handsome man about the same age as Zhao Anhuai.

Zhao Sheng smiled. "Madam, what can I do for you?"

Sun Yarou looked at Zhao Sheng indifferently. "How has Eldest Young Master been recently? You've served him since he was young, so you must know him the best. I don't have anything else to ask you. I just want to ask about Eldest Young Master's recent situation."

Zhao Sheng reported with a smile. "Madam, Eldest Young Master has been doing well recently. His studies are better than before."

Sun Yarou nodded. "Sit down."

Zhao Sheng smiled. "Madam, I wouldn't dare. If there's nothing else, I'll go back first."

Sun Yarou's expression turned cold. "I asked you to sit."

Zhao Sheng sat down with a smile.

Liu Sanniang looked at him and said, "Give me your hand."

Zhao Sheng looked at Liu Sanniang and blushed. "Madam, this... this is not appropriate. I'm not married yet..."

Liu Sanniang's expression did not change. She said calmly, "I'm a psychic."

Zhao Sheng was stunned. A psychic? No wonder she looked so calm.

Zhao Sheng still didn't extend his hand. He muttered. "Do you think I'm a three year old who can be easily fooled? Why should I believe you?"

Sun Yarou frowned and was about to reprimand him when an angry voice was heard outside.

"Ridiculous. Simply ridiculous."

Zhao Fengyun entered the main courtyard, walking straight to Sun Yarou. "Someone, kick these people out. Take Madam back to her room and get a doctor to take a look at her."

Sun Yarou's chest heaved as she said angrily, "Master, what do you mean? Do you think I'm crazy?"

Zhao Fengyun's nostrils flared, and his chest heaved violently. "Isn't that so? You're crazy."

The woman in red beside Zhao Fengyun reached out to support him. "Master, don't be angry. I don't think Madam did it on purpose."

Sun Yarou trembled in anger. "B\*tch, you b\*tch, you're trying to sow discord in front of me!"

Zhao Fengyun raised his voice. "Enough. There's no need for Li Ying to sow discord."

Sun Yarou was furious. She was middle-aged and old, so she naturally couldn't keep a man interested in her. She couldn't compare to a young woman. She didn't care if Zhao Fengyun wanted to have concubines as long as her status as the first wife wasn't challenged.

Li Ying had been in the residence for half a year but Sun Yarou had never taken her seriously. After all, Li Ying would grow old. In a few years, there would be women more beautiful than her to replace her.

Sun Yarou felt dizzy. The servant girl beside her immediately supported her. Zhao Fengyun frowned and seemed to realize that his tone was a little too harsh. He softened his tone. "I don't want to see such a thing again."

After saying this, Zhao Fengyun turned around and left.

Li Ying smiled at Sun Yarou and turned to follow while yelling coquettishly. "Master, wait for me."

Sun Yarou rubbed her forehead and waved her hand. The servant girl retreated.

Zhao Sheng had already sneaked away at some point.

The servant looked at Liu Sanniang and Chu Yan and said to Sun Yarou, "Madam, Master instructed us to send these people away."

Sun Yarou felt a headache coming on. She said impatiently, "Get lost."

Seeing that Sun Yarou was angry, the servants left silently.

After the servants left, Sun Yarou slowly said, "The more they stop me, the more uneasy I feel."

"Miss Liu, my husband was angry the last few times as well, but he has never stopped me like this. This time, I don't think it's a coincidence."

Sun Yarou had a serious headache. For some reason, she felt that her husband's abnormal behavior proved her suspicion.

Liu Sanniang nodded. "That's true."

Sun Yarou was stunned. "Miss Liu, what do you mean?"

Liu Sanniang said slowly, "Just now, I discovered that Zhao Sheng is even more guarded than Eldest Young Master. How can a servant be so guarded? If I want to break through, I'll have to spend some time here."

Her ability had increased. Ordinary people could not resist her at all. Only psychics could resist her.

Sun Yarou had a complicated expression and did not speak for a long time.

She looked at Liu Sanniang with a frightened expression. "Miss Liu, my son..."

Her son had been swapped. Where was her son now? Was he still alive?

Liu Sanniang looked at Sun Yarou and said, "If Madam wants to know the truth, you have to convince Lord Zhao."

Only when Zhao Fengyun stopped interfering would they be able to investigate the matter smoothly.

Sun Yarou sighed. "He doesn't listen to me now. He doesn't believe a word I say anymore. If it weren't for Huai'er, that bitch would be a clown in front of me."

Sun Yarou had been a rich young lady since she was young. She had seen how the difference between a legitimate wife and a concubine was like the difference between heaven and earth. Sons born to the legitimate wife had every right to inheritance.

In her eyes, the concubine was nothing. As long as she held the position of the first wife, there was nothing to be afraid of.

Sun Yarou looked at Liu Sanniang. "Miss Liu, stay in the residence for a few more days. I'll think of a way to find an opportunity. At least, as long as I'm still his mother, he won't dare to disobey me."

Liu Sanniang nodded. She would stay here to see what happened next.
