Chapter 136: Believe In Heaven's Wrath (Part 1)

Liu Sanniang said calmly, "Come and sit down. Just extend your hand."

Zhao Anhuai walked towards Liu Sanniang, sat down, and stretched out his hand. He rolled up his sleeves, revealing a pair of fair and slender hands. One could tell from his hands that he had been living a luxurious life.

Zhao Anhuai looked at Liu Sanniang and said, "Miss, if you do something against your conscience, you will be punished by the heavens."

Liu Sanniang's expression did not change. She reached out and grabbed Zhao Anhuai's wrist. "It's good that you believe in punishment."

Zhao Anhuai's expression did not change. He slowly exhaled.

Liu Sanniang released her power and wrapped it around Zhao Anhuai. Zhao Anhuai was like an iron wall, hard and impenetrable.

Liu Sanniang was not in a hurry. Her power was not sharp. It was more like a hot spring that could relax people. Jiang Bing's case had inspired her. There were many ways to use one's power.

When the other party resisted strongly, she didn't have to force her way in. Instead, she could slowly and gently make them lower their guard and not let them feel any hostility.

Convert the power of others to her own use.

After Liu Sanniang grabbed Zhao Anhuai's wrist, she stopped moving.

An hour passed.

Sun Yarou could not wait any longer. However, after waiting for an hour, she felt that Liu Sanniang was about to do something. She did not dare to be distracted.

The servants relaxed from their tense state.

Sun Yarou did not even dare to leave.

Another hour passed, and Sun Yarou's expression became calm.

Sun Yarou did not look at Liu Sanniang anymore. She looked at Zhao Anhuai. She wanted to see some panic or despair in Zhao Anhuai's face, but she could not.

Zhao Anhuai's expression remained the same.

Time passed bit by bit and Sun Yarou waited quietly. The room was so quiet that one could hear a pin drop. The servants were all numb, but no one dared to leave.

It was already dark outside. Zhao Fengyun had already returned to the residence. He asked. "How is Madam now?"

The servant had a complicated expression. "Master, it's hard to say. Go over and take a look at it for yourself."

Zhao Fengyun thought for a moment and decided to go to the main courtyard. A beautiful figure walked out. Zhao Fengyun looked at Li Ying and smiled. "Why are you coming out?"

Li Ying said sweetly, "I miss you, Master."

Zhao Fengyun was very pleased with Li Ying's coquettishness. He smiled and said, "Go back to the courtyard and wait. I'll come and find you after returning from the main courtyard."

Li Ying took Zhao Fengyun's arm. "No, I want to go with you. Madam called Eldest Young Master over today. I haven't seen him all day. I want to see him too."

Zhao Fengyun couldn't bring himself to reject her. "Alright, come with me."

When it was dark, the servants prepared food and brought it in. Sun Yarou waved her hand.

Sun Yarou looked at Chu Yan and whispered. "Mr. Chu, does Miss Liu want to eat something?"

Chu Yan shook his head.

Sun Yarou asked the servants to take the food away. If Liu Sanniang didn't want to eat it, she didn't want it either. She was waiting for Liu Sanniang to finish. If she didn't get an answer, how could she have the appetite to eat?

Zhao Anhuai looked at Liu Sanniang and said, "Miss, when are you going to let go? Isn't a day enough?"

Liu Sanniang's power was gentle. She opened her eyes and looked at Zhao Anhuai. "It might be enough for others, but not for you."

Zhao Anhuai's expression turned cold. He could feel that Liu Sanniang's power was wrapping around him. He had no choice but to fight back mentally. However, Liu Sanniang's power was getting gentler and gentler. He could barely feel it.

Once he could no longer feel it, it would be the most dangerous moment. In the beginning, he did not take Liu Sanniang seriously, but now, he had to be vigilant.

Zhao Fengyun came to the main courtyard with a gloomy expression. He looked at Liu Sanniang and said angrily, "What are you trying to do? Don't you understand that men and women should not touch each other?"

Sun Yarou stood up and said coldly, "Miss Liu is a psychic. Didn't you say that you will allow me to do whatever I want this time?"

Zhao Fengyun frowned. "It's been a day. Isn't it enough?"

Sun Yarou looked at Liu Sanniang and said firmly, "It's not enough, not enough. As long as Miss Liu doesn't stop, it's not enough. Since you said you won't interfere this time, go back. It's getting late. Don't you have beauty waiting for you in bed?"

Zhao Fengyun had come in with Li Ying. At this moment, Sun Yarou was in a bad mood, and the fact that Zhao Fengyun brought along his concubine simply made it worse.

Li Ying looked at Sun Yarou and leaned into Zhao Fengyun's arms. "Master, it's been a day. Eldest Young Master hasn't even drunk any water. How uncomfortable is that?"

Zhao Fengyun was furious. "Stop immediately. This matter ends here. No one can swap my son."

Sun Yarou's eyes turned red with anger. "Whoever dares to try it will have to walk over my dead body!"

"He didn't drink any water, but did I drink any water? I didn't eat or drink anything either. I can take it. Why he can't?"

Sun Yarou looked at Zhao Anhuai coldly.

Zhao Anhuai frowned. He could no longer feel Liu Sanniang's power.

Just now, while listening to the commotion, he was distracted. After pulling himself together, he could no longer sense Liu Sanniang's power.

Zhao Anhuai tried to pull his hand out of Liu Sanniang's grasp, but Liu Sanniang's hand grabbed his wrist tightly. He could not break free.

Liu Sanniang's expression was calm. She had already fused her power with Zhao Anhuai's power. What was his was hers, so Zhao Anhuai naturally could not feel it. His power was used by her, so he naturally could not resist her.

Liu Sanniang moved her lips and said, "Madam, please take a good look."

When Sun Yarou heard Liu Sanniang's voice, she immediately stopped arguing with Zhao Fengyun and looked at Liu Sanniang.

Zhao Fengyun frowned and looked at Liu Sanniang.

Li Ying looked at Zhao Anhuai and her eyes darkened.

However, everyone's attention was on Liu Sanniang and Zhao Anhuai, so they did not notice.

Zhao Anhuai could no longer remain calm. He looked at Liu Sanniang sinisterly and wanted to break free from her grip, but he seemed to be unable to exert any strength. In Liu Sanniang's hands, he was like a fish on the chopping board.

Liu Sanniang was very powerful. She transmitted the memories she sensed to everyone present.

Zhao Fengyun, who was still angry, immediately changed his expression.

Sun Yarou was the same. Her expectant look slowly turned into a fearful one because she saw a familiar place.
