

Lucky Bride 219

Chapter 219: Revealing The Truth (Part 4)

Liu Sanniang reached out and grabbed Concubine Yun's hand. She did not restrain her strength at all and poured her power over Concubine Yun like a landslide.

Concubine Yun instantly felt threatened and put up a mental defense to resist Liu Sanniang's invasion.

She widened her eyes and looked at Liu Sanniang. "Get lost. It's not a place for you to meddle into."

Concubine Yun was trembling. A sharp pain arose in her spiritual sense, causing her face to instantly turn pale and her pupils constrict.

Liu Sanniang's power morphed into a sharp blade, attacking Concubine Yun and crumbling her mental defense.

Concubine Yun was covered in deep fear. Other than her, no one knew the terror she was experiencing.

Liu Sanniang said slowly, "The abandoned well in the mansion."

Liu Sanniang looked at the sky and saw that it was about to rain. She looked at Su Qiong and frowned. "Go and find him quickly."

Su Qiong's heart skipped a beat. When she heard Liu Sanniang's words, she immediately gave the order. "Quick, everyone, go and find him."

Gradually, Liu Sanniang felt a force coming from the depths of Concubine Yun's spiritual sense. It was like a poisonous snake lurking in the dark, instantly devouring Concubine Yun's spiritual sense.

Liu Sanniang opened her eyes to see blood flowing down from the corner of Concubine Yun's mouth. Concubine Yun smiled coldly. "You won't be able to find him."

Concubine Yun fell to the ground and ceased breathing. She looked at Su Qiong with wide eyes, indignant that after scheming for more than ten years, all her efforts were in vain.

Su Qiong did not expect Concubine Yun to be so ruthless that she was even prepared to commit suicide.

Liu Sanniang looked at the black blood at the corner of Concubine Yun's mouth. Was Concubine Yun also a member of the organization? As the poison hidden inside her was activated, Concubine died almost instantly, along with all her memories.

No one present expected Concubine Yun to commit suicide so decisively. They looked at Liu Sanniang in shock and fear.

What did Liu Sanniang do to make Concubine Yun commit suicide?

They only saw that as Liu Sanniang grabbed Concubine Yun's hand, a look of deep fear crept up on Concubine Yun's face. Thinking of the face reading technique Liu Sanniang mentioned, they lowered their heads in unison.

Lu Shiming was stunned. He felt that everything was like a dream.

Concubine Yun didn't hesitate to commit suicide, but he couldn't. He was a coward. Lu Shiming looked at Su Qiong with deep regret in his eyes.

He was not satisfied with what he possessed because he had only taken a little of the big pie. He wanted to take the whole pie.

Lu Shiming struggled to crawl towards Su Qiong. "Madam, Madam, this is all Concubine Yun's doing. I was bewitched by her."

Lu Shiming, who realized that losing Su Qiong was equivalent to losing everything, was deeply afraid at this moment.

The concubines looked at Lu Shiming in disdain. They were attracted to him back then because he was powerful and generous, but in the end, he was worse than a dog.

Su Qiong was not in the mood to care about Lu Shiming at all.

She had lost her son for thirteen years, and before she could reunite with him, she was about to lose him again. Moreover, she might not be able to find him for the rest of her life. She was in so much pain and anxiety that she felt like dying, but she still had to hold on.

The servants searched the entire Lu Mansion, shouting as they searched, but they could not find him.

When they returned to the main courtyard, they knelt down one after another. "Madam, we searched the entire Lu Mansion but couldn't find Fourth Young Master..."

The Lu Mansion was very big. There were more than a hundred servants. Together with the constables brought by Zhu Changyuan, they searched carefully but did not find any abandoned wells.

The sky darkened, and black clouds gathered, starting to send down small drops of rain.

Su Qiong knelt down weakly. She looked at Liu Sanniang and kowtowed. "Miss Liu, please think of a way."

At this time, despite having enormous wealth and power, she was still helpless.

Liu Sanniang helped Su Qiong up. She looked at Su Qiong but couldn't bring herself to tell Su Qiong what she saw. The star that represented her son was flickering weakly. By the time it stopped flickering, it meant that their reunion was no longer possible.

The rain was getting heavier.

Liu Sanniang looked up at the sky. The sky was already pitch-black, just like the despair Su Qiong was experiencing.

Liu Sanniang did not notice that her hand was getting cold and her eyes were unfocused until a hand grabbed her, giving her warmth and spreading throughout her body.

Liu Sanniang's eyes lit up.

She looked at Su Qiong and said, "Go and find an undergarment that Fourth Young Master usually wears. Be quick."

Upon hearing that, Su Qiong's eyes lit up with hope as she looked at Liu Sanniang like a person looking at a driftwood in the middle of the ocean.

The maidservants immediately went to get it.

The drizzling rain started to pour. Zhu Changyuan brought his people into the house, and the concubines also brought their children into the house.

Lu Shiming was left unattended. His knee was broken, and it was difficult for him to move.

The maidservants quickly came back with an undergarment.

Liu Sanniang looked at Su Qiong. "Madam, I'm going to take a drop of your heart blood to guide us. I'll take you around the entire Lu Mansion. When you reach a place that makes your heart ache, stop."

Su Qiong said with difficulty, "Alright, I'll do whatever you say."

Liu Sanniang reached out and pressed her fingernail against Su Qiong's chest. Su Qiong's eyes widened. She felt a sharp pain in her chest, as if something was sucked out.

Liu Sanniang retracted her hand and there was a drop of blood on the tip of her finger. She dropped the blood on the undergarment.

The white undergarment turned red at a visible speed. She stuffed it in Su Qiong's arms and said, "Madam, hold it tightly. We'll start searching from the main courtyard."

Su Qiong carefully held the undergarment like she was holding a peerless treasure. She followed Liu Sanniang and walked through the main courtyard step by step. Slowly, they went out. There were more than ten independent courtyards in the Lu Mansion. They searched each one thoroughly.
