

Lucky Bride 237

Chapter 237: The Unknown Woman

Liu Dalang looked at her worriedly. He was not in a hurry to ask, but his worried expression said it all.

Liu Sanniang said slowly, "Brother, I can't read your face very well. Give me your hand."

Liu Dalang extended his hand.

Liu Sanniang held Liu Dalang's hand. Her expression was calm as she gently released her power to envelop Liu Dalang. Under this power, Liu Dalang relaxed.

He felt soothed. It was a strange feeling. He felt as if he was bathing under the warm sun. It was very comfortable. He forgot about all his angst and was at his most comfortable.

Liu Sanniang carefully sensed Liu Dalang's memories and said slowly, "I saw a woman who is often around you. Her gaze is on you wherever you go. Who is she?"

Liu Dalang looked confused. "Who?"

Liu Sanniang retracted her hand. In Liu Dalang's memory, that woman was faceless because Liu Dalang never paid attention to her. However, when that woman looked at him, her eyes were filled with indignation.

Liu Sanniang looked at Liu Dalang and was able to read his face better this time. She said, "I saw many love affairs."

Liu Dalang frowned. "Love affairs? How is that possible? I'm not that kind of person. I..."

Liu Sanniang interrupted Liu Dalang. "I know you are not."

Liu Dalang only had eyes for Tang An. He did not care about other women, but that didn't stop other women from having feelings for him.

Liu Dalang's love affair was a dangerous one. This was the reason why the rope connecting Liu Dalang with Tang An was burning at one end.

Liu Dalang was anxious.

Liu Sanniang smiled. Now that she had found the reason, she was no longer afraid. She said to Liu Dalang, "Brother, go to see Tang An as often as you can during this period of time. At the same time, watch closely to see which woman is always staring at you and looks suspicious. Find her as soon as possible. It's you who brought this danger to Tang An."

Liu Dalang and Tang An were engaged. How could the woman who liked Liu Dalang be willing to give up so easily? She would vent her anger on someone. As for who she would vent her anger on, it was obviously Tang An.

Liu Dalang pondered. He really couldn't remember who it was, but as long as he found this person, she wouldn't be able to harm Tang An. Liu Dalang said seriously, "I'll pay attention. Thank you, Sanniang."

Liu Sanniang nodded slightly. "Let me know when you find some clues."

Liu Dalang smiled. "Sanniang, thank you."

Liu Sanniang felt warm in her heart. This was her family. In her previous life, she was protected by them. In this life, she would be the one protecting them.

This life was completely different from her previous life, and the future was also different. However, no matter what difficulties there were, she was not afraid. She would find the root and solve the problem.

Liu Dalang went out. Liu Sanniang continued to make clothes and only slept when she was tired.

Early the next morning, Liu Dalang went to Tang Village.

Firstly, he wanted to protect Tang An. Secondly, he wanted to find that woman as soon as possible.

He had always liked Tang An and did not want to have anything to do with any other women, especially those who had ill-intent.

Early in the morning, Tang Yu couldn't wait to bite open the wound and drip blood on the doll's stomach. Seeing that the doll's stomach had grown bigger, she bit her lower lip and thought to herself. 'Tang An, I'll ruin your reputation and make you suffer for the rest of your life.'

In the morning, Tang An did not eat much as her stomach was still upset and she kept vomiting.

Tang Yuan looked worried. "Sister, what's wrong?"

Tang An drank some water and said, "I don't know. I just feel like vomiting. Everything I eat makes me feel nauseous."

Tang Yuan said anxiously, "Sister, go and see a doctor."

Worried that seeing a doctor's fees might cost a lot, Tang An waved her hand. "I'm probably just tired. I'll cook some porridge later."

Tang Yuan walked towards the kitchen. "Sister, go back to your room and rest. I'll cook porridge for you and take care of you today. If you're still feeling unwell tonight, we'll go to the doctor."

Tang Yuan knew that Tang An did not want to spend money. He did not know what was going on with Tang An either.

Tang Yuan went to make porridge. Soon, it was ready.

Tang An ate the porridge and did not vomit.

Tang Yuan heaved a sigh of relief.

Liu Dalang came while Tang Yuan was washing the dishes. He did not see Tang An and asked Tang Yuan. "Yuan, where's your sister?"

Tang Yuan replied, "My sister isn't feeling well today. She's resting in her room."

Liu Dalang immediately became nervous. "What's wrong? Why is she not feeling well?"

Tang Yuan smiled. "She's fine. She just vomited this morning. I'll stay at home to take care of her today."

Liu Dalang was worried. He said, "I'll go take a look."

Tang Yuan nodded. "Go ahead."

Liu Dalang knocked on the door and entered after getting permission from Tang An. She asked, slightly embarrassed. "Why are you here today?"

Liu Dalang looked at Tang An, who looked sick and pale. "An, are you feeling unwell?"

Tang An blushed. "Other than an upset stomach, I am fine."

Liu Dalang was worried that Tang An would hold things back from him. He held Tang An's hand and said seriously, "An, if you feel unwell, you have to tell me, understand?"

Tang An nodded. "I will."

She had accumulated eight lifetimes of good deeds to have such a good husband.

Liu Dalang's concern warmed Tang An's heart.

Seeing that Tang An was fine, Liu Dalang got up and went out. He took the hoe and said, "Yuan, stay at home and take care of your sister. Leave the land to me."

Tang Yuan nodded. "Okay, Brother-in-law."

His brother-in-law was really good.

Liu Dalang thought that since he was already here, he would plow the land and go back at night just in case Tang An felt unwell again this afternoon.

After instructing Tang Yuan to take good care of Tang An, Liu Dalang carried the hoe and left.

What Liu Dalang did not know was that a pair of eyes followed him until he was out of sight.

Tang Yu closed the door, feeling uneasy. Why was Liu Dalang coming over more and more often?
