

Lucky Bride 238

Chapter 238: Showing Her Feelings

Tang Yu was so angry that her heart hurt. She clenched her fists and told herself to endure for a few more days.

Since Liu Dalang came over every day, he would soon realize that Tang An was pregnant. At the time, he would definitely flare up.

Madam Wu came out of the house and saw Tang Yu's dark expression. She frowned and asked. "Is Liu Dalang here again?"

Tang Yu nodded. "Mother, what do you think Tang An did to bewitch Liu Dalang and make him treat her so well?"

Tang An was not good-looking by any standards. Why was he so concerned about her and liked her so much?

Tang Yu could not understand it. Tang An couldn't compare to her in terms of look and figure. What was more, Tang An was parentless and had a brother who needed support. Was Liu Dalang blind?

Neither could Madam Wu understand his preference. She said with a smile, "Don't think too much about it. In any case, at the end of the day, you'll be the one marrying Liu Dalang."

Tang Yu pursed her lips. Even her mother said so, she still didn't feel better.

After Liu Dalang disappeared from her sight, Tang Yu walked back to the kitchen.

She was going to make some food and bring it to Liu Dalang. Without Tang An around, she didn't believe Liu Dalang would still ignore her. When his eyes landed on her, he would find how much better she was than his fiancée.

Tang Yu prepared some food and left.

At noon, Liu Dalang was sitting by a rock to rest.

"Brother Liu."

Tang Yu cleared her throat and called out to Liu Dalang sweetly. The weather was a little cold and there was no one around. It was the perfect opportunity.

Liu Dalang frowned when he heard the voice. It was Tang Yu, the daughter of Tang An's uncle and aunt.

She was about the same age as Tang An.

Tang Yu quickly walked up to Liu Dalang. She squatted down and placed her knee on her chest to accentuate her breasts. Even under the thick clothes, her figure was still visibly good.

"Brother Liu, you must be tired from working. Tang An and Tang Yuan are really bad. You are not even married yet, but they keep asking you to work for them. I really can't stand it."

Tang Yu said gently. She removed the cloth from the basket to show the delicious food she had prepared. "Brother Liu, I made these. Try some."

This was the first time Liu Dalang looked Tang Yu directly in the eyes. When Tang Yu met Liu Dalang's gaze, her legs felt weak. She smiled, and for some reason, tears welled up in her eyes, as if she had been wronged. She said softly, "Brother Liu."

Her sweet voice made Liu Dalang shiver. His eyes were cold as he said, "I'm not hungry. Take these and go back."

Even if he was hungry, he only wanted to eat food made by Tang An.

Seeing that Liu Dalang treated her so indifferently, Tang Yu was a little displeased. She wiped the corners of her eyes and said, "Brother Liu, do you have a misunderstanding about me? Did Tang An and Tang Yuan say something bad about me? You must not believe them. I'm a good girl."

Liu Dalang frowned. He looked at Tang Yu and had a terrifying guess.

Tang Yu realized that Liu Dalang was looking at her and immediately smiled. "Brother Liu, I'm really a good girl."

Liu Dalang's eyes turned cold. "What does it have to do with me whether you are a good girl or not? In my eyes, you're not comparable to Tang An. Get lost."

At the thought that Tang Yu might be the woman who would harm Tang An, Liu Dalang wanted to strangle this girl to death, let alone talk to her.

Tang Yu did not expect Liu Dalang to say that. She was stunned for a while before fighting back her tears and retorting angrily. "Liu Dalang, you'll regret it. Tang An can't compare to me. She's not worthy of being compared to me."

Tang Yu took the basket and ran away.

Liu Dalang frowned and was no longer in the mood to plow. He had to go home and tell Liu Sanniang about this.

He did not want to have anything to do with Tang Yu at all.

Tang Yu returned home with a dark expression. She was so angry that her tears fell non-stop.

After crying, Tang Yu went to complain about it to Madam Wu. "Mother, I am in agony. Even if their engagement is terminated, Liu Dalang still won't like me."

Madam Wu frowned. "What's wrong? Why wouldn't Liu Dalang like you? You're better than Tang An in every aspect. Why wouldn't he like you?"

Her daughter was much better than Tang An. If Liu Dalang liked Tang An, how could he not like her daughter?

Tang Yu was ashamed and indignant. "Mother, take me to see Granny Zhou. Let's find another way, okay?"

Madam Wu was a little hesitant. Voodoo Doll was already too creepy for her to handle.

Tang Yu cried and said, "This is all fake. Even if the ten days are up, Tang An won't be able to give birth. No one will believe that she can get pregnant in ten days. This is useless."

Madam Wu was also a little helpless. "How about you just forget Dalang? Actually, Liu Erlang is quite good too."

Madam Wu was about to persuade her when Tang Yu said in a sharp voice, "No, I have to marry Liu Dalang. Tang An is not qualified to take away what I want."

In Tang Yu's opinion, if she couldn't marry Liu Dalang, it was equivalent to losing to Tang An. She didn't want to hear any persuasion. She had to marry Liu Dalang.

Tang Yu held Madam Wu's hand. "Mother, I beg you. Granny Zhou is so capable. She must have another way."

Madam Wu thought for a moment. "Alright, stop crying. I only have one daughter. How can I watch you suffer?"

Tang Yu smiled. "Mother, thank you."

Madam Wu quickly brought Tang Yu out.

Madam Wu knew where Granny Zhou lived. Every time she went there, she would spend a lot of money. Thinking of this, her heart ached a little. However, in order to make her daughter happy, she wouldn't hesitate to spend more money. She knocked on the door. "Granny Zhou, are you at home?"

Granny Zhou said in a hoarse voice, "Yes, come in."

This was the first time Tang Yu had come to such a place. The house was very dark and there was a strange smell. It smelled like incense but not exactly so and gave off a sinister feeling.
