

Lucky Bride 239

Chapter 239: Put A Snake In Her

After Tang Yu got used to the darkness, she saw what Granny Zhou looked like. She was an old woman who seemed to be extremely old.

Madam Wu took out two taels of silver with a smile and placed them on the table. "Granny Zhou, I need your help with something. Can you put something in her stomach? It'll be more real that way. Otherwise, no one would believe it."

Granny Zhou reached out her old hand and took the silver. "Then what do you want her to give birth to?"

Madam Wu was stunned. "Can, can we still choose?"

Tang Yu instantly imagined countless scenes in her mind. She gritted her teeth and said, "Bugs, rats, snakes, and so on."

At the thought of countless insects coming out of Tang An's body, Tang Yu felt extremely excited. At the sight of her wife giving birth to a swarm of bugs, Liu Dalang would definitely be disgusted and abandon her.

Granny Zhou looked at Tang Yu coldly.

Tang Yu looked at Granny Zhou and avoided her gaze in fright.

Madam Wu smiled and said, "Granny Zhou, don't joke with us. It doesn't matter what she gives birth to. Anything will do."

Granny Zhou lowered her eyes to conceal the viciousness in her eyes. Her voice was like that of a withered tree as she said, "I'm not joking. Other than humans, everything else is possible."

A virgin could not give birth to a human.

Madam Wu felt her hair stand on end. How could a human give birth to bugs and reptiles? And Granny Zhou could actually make people give birth to those. This idea was too terrifying.

Tang Yu was a little excited. "Snake, I want her to give birth to a snake."

When the time came, she would get all the villagers to gather around to watch it.

Granny Zhou looked at Tang Yu. "Give me the voodoo doll."

Tang Yu immediately handed the doll over. Granny Zhou took the doll and stood up slowly with her walking stick. She turned around and entered the room behind her.

Tang Yu and Madam Wu only heard the sound of bottles and jars clanking. Then, Granny Zhou came out with the voodoo doll that had already turned black. She handed it to Tang Yu and Madam Wu. "It's done. In three days, the snake will be born. Catch the snake and send it to me."

Madam Wu was stunned. "Catch, catch the snake..."

She didn't have the courage to catch a snake that came out of a human.

Granny Zhou looked at Tang Yu. "It is fed with your blood essence. If you don't catch it and give it back to me, the consequences will be very serious."

A trace of ruthlessness flashed across Tang Yu's eyes. "It's just a snake. What's so scary about it. I'll catch it."

Granny Zhou nodded. "You must send it to me."

Tang Yu nodded, but Madam Wu was a little worried. "Granny Zhou, will there be an accident?"

Granny Zhou smiled. "It's best if there is none. Otherwise, the snake will come out of your daughter. Whether you want to use this method or not is up to you."

Madam Wu wanted to say no, but Tang Yu held the doll and said fiercely, "Granny Zhou, you have work ethics and won't lie to us, right?"

Tang Yu was not afraid. Granny Zhou was the one who performed the witchcraft. As long as she didn't turn around to help Tang An, nothing would go wrong.

Granny Zhou smiled. "Don't worry, little girl. I value work ethics more than anything else."

Tang Yu pulled Madam Wu. "Mother, let's go back."

It was almost dark. Madam Wu couldn't help but think that if her daughter was engaged to Liu Dalang, they would be able to stay at the Liu family's house for a night. She heard that Madam Wei was a chef and was good at cooking.

Madam Wu pulled Tang Yu and said, "Yu, when you marry Liu Dalang, you have to work hard and get pregnant as soon as possible. I heard that Liu Dalang's mother, Madam Wei, is a good cook. When the time comes, you can get her to cook for you. Liu Dalang's sister is not married either. At that time, the entire family will center around you and I will also come to take care of you."

Tang Yu smiled shyly. "When you come, I won't let you do the chores. You just have to sit back and enjoy the food my mother-in-law makes for you."

1

Madam Wu nodded. "Okay, okay."

This was exactly what she wanted.

Tang Yu smiled. She had never been to the Liu family before. Anyway, it was already dark. If they wanted to go home, they had to travel at night and it was dangerous to do so. Tang Yu thought for a moment and said, "Mother, let's go to the Liu family. We're relatives with them now. It's not inappropriate to stay there for a night."

She could also get Madam Wei to cook something for them to eat.

Madam Wu thought for a moment and nodded. "Okay, let's go."

The person who would marry Liu Dalang in the future would definitely be Tang Yu.

In the future, they would be in-laws. Even now, they were considered relatives. With that thought in mind, Madam Wu asked around to find out where Willow Alley was.

When Liu Dalang returned home, Madam Wei was cooking and Liu Sanniang was making clothes in her room. Liu Dalang knocked on the door. "Sanniang, I have something to tell you."

Liu Sanniang put down the needle. "Come in."

When Liu Dalang came in, Liu Sanniang said, "Did you find something?"

Liu Dalang nodded and frowned. "I'm not sure. I just feel something strange. Tang An's uncle and aunt have a daughter called Tang Yu. She's about the same age as Tang An. Today, I was plowing the land when she came to give food to me and said something strange."

Liu Dalang's face darkened. When he thought of what Tang Yu said, he could not help but feel angry.

Liu Sanniang looked at Liu Dalang's dark face. "Brother, you..."

Just as Liu Sanniang was about to speak, she heard a knock on the door outside the courtyard. At the same time, a shout was heard. "Is this where Liu Dalang lives?"

Before the Liu family could respond, another voice was heard. "Brother Liu, are you home?"

Liu Dalang's face darkened. "Why are Tang Yu and her mother at our house?"

Hearing Tang Yu's voice, Liu Dalang felt uncomfortable and had a strange urge to hit her.

Outside, Liu Erlang heard a knock and went to open it. "Who is it?"

When he opened the door, Tang Yu and Madam Wu looked at Liu Erlang and knew that they were in the right place.

Liu Erlang scratched his head. He had an impression of these two people. They were his future sister-in-law's relatives.

Madam Wu looked at Liu Erlang and smiled. "Erlang, where's your eldest brother and your mother?"

Madam Wei came out of the kitchen. "What... brought you here?"

Madam Wei did not have a good impression of Madam Wu. If not for the sake of the fact that they were related to Tang An, she would have chased the two of them out.

Tang Yu went forward and held Madam Wei's arm. "Auntie Wei, we came to town for something today. It's already dark and we don't have anywhere to stay. We're relatives now, so we thought we'd drop in to see you."

Madam Wei retracted her hand uncomfortably. "Take a seat then."
