

## Lucky Bride 322

### Chapter 322: Goes Back To Where It Comes From

"When Jiaojiao wakes up, I'll take care of her myself."

Fu Gui choked and spoke with difficulty.

Liu Sanniang knew that he would do it. Some people did not love their daughters, but others did. Those who appeared bad-tempered or impatient would become gentle and careful when they were interacting with their daughters.

Looking at the drop of black blood Liu Sanniang extracted from Fu Jiaojiao's body, Fu Gui's expression darkened. "What is this?"

Just by looking at it, he felt a strong presence of evil. It couldn't possibly belong to his daughter.

Liu Sanniang replied. "It's the bloody sin that Miao Yin transferred to your daughter. Because of it, you could regain your arm."

Fu Gui's face darkened. If he hadn't seen it with his own eyes, he wouldn't have believed it. The Miao Yin he saw was pure and beautiful. In front of her, he felt inferior.

But in fact, she was not a goddess. She was a demon from hell. She was covered in sins and was the dirtiest in the world.

Liu Sanniang flicked her finger and the bloody sin disappeared. Fu Gui looked puzzled. He wanted to know why it disappeared.

Liu Sanniang returned Jiaojiao's soul to her and said calmly, "It goes back to where it came from."

Fu Gui heaved a sigh of relief. That was good. He did not want his daughter to be tainted by such an evil thing. Since it came from Miao Yin, it was naturally best to return it to her.

Fu Gui sat by the bed and looked at Fu Jiaojiao nervously. The girl's chest gradually started to heave. Fu Gui's eyes were filled with tears as he said gently, "Jiaojiao, open your eyes and look at me."

Fu Jiaojiao moved her eyelids slowly and sniffled. "Father, I feel terrible. I don't have any strength... I can't even move my hands. Am I going to die?"

When Fu Gui heard Fu Jiaojiao's voice, he pulled her hand to his lips and kissed it. "No, you are just sick. You'll be fine after taking the medicine."

Fu Gui stood up and shouted. "Someone, go get a doctor."

Fu Gui reached out and touched Fu Jiaojiao's forehead. It was burning hot. He stood up and walked out. The servants were trembling with fear. His expression was cold and he instructed. "No one is allowed to let out a word about this. If I find out someone is gossiping, I won't be merciful."

The servants knelt down. "General, don't worry. We won't say anything."

Fu Gui glanced at Liu Sanniang. "Miss Liu, that Miao Yin is harming others. I won't let her do it any longer. I'm going to expose her. When this matter is over, I'll pay you a visit to express my gratitude."

Mrs. Fu and the concubine had already returned. Fu Gui glanced at them and said, "Jiaojiao has already woken up. Take good care of her."

Mrs. Fu looked at Fu Gui's arm. His arm had returned to its original state and was hanging weakly by his side. Madam Fu's heart ached. She choked and said, "Husband, don't worry. I'll take good care of our daughter."

How could she not take good care of their daughter who her husband loved so much that he was willing to lose his arm again for her?

Fu Gui walked out of the mansion with a dark expression.

Mrs. Fu looked at Liu Sanniang. "Miss Liu, I was rude to you just now. Please forgive me."

Liu Sanniang said calmly, "Madam, I never blamed you. I still have something on. I'll take my leave first."

Mrs. Fu lowered her eyes and sobbed softly. The concubine patted her on the back to comfort her.

Liu Sanniang and Chu Yan left the Fu Mansion.

Mrs. Fu went into the room to take care of Fu Jiaojiao, while the concubine gathered all the servants in the mansion and reminded them to keep the matter a secret.

Fu Gui led his horse and gently patted its back. "Old friend, are you also sad for me? My arm is gone, but I'm still alive. If I really trade my daughter's life for an arm, am I even qualified to be a human?"

Fu Gui gave the horse a gentle kick and ordered. "Let's go."

Anyone who hurt the people of this dynasty was his enemy and should be executed.

Miao Yin was not an ordinary enemy. He could not do anything to Miao Yin, but he could not pretend nothing happened and let Miao Yin keep harming others.

Outside Yuqiong Pavilion, the atmosphere was tense. No one believed Wei Shilai's words at all. Those who came to ask Miao Yin for help teamed up to go against Wei Shilai.

General Black was beside Wei Shilai. It bared its teeth and let out a low warning snarl. No one dared to approach it. No one wanted to risk their life fighting such a huge and ferocious black dog.

Wei Shilai was surprised for a moment upon seeing General Black before he understood that Liu Sanniang must have instructed it to come over. He was even more determined to stop these people from seeing Miao Yin.

Miao Yin did not come out of Yuqiong Pavilion to explain the matter.

A carriage slowly stopped outside Yuqiong Pavilion. Looking at the people surrounding Yuqiong Pavilion, Liang Jinqing's face darkened. He stood on the carriage and shouted. "Everyone, make way. If you don't believe Minister Wei, then take a look at me clearly."

Everyone turned to look at him.

"Isn't this Master Liang who was cured by Miss Miao Yin last night? Why is his eye gone again? Didn't it grow out last night?"

“That’s right, that’s right. Many people saw it last night. His eye clearly grew back, but why is it gone again?”

Shu Jinqing got out of the carriage. The people automatically made way for him. He only had one eye. The other eye was still swollen and bleeding. It was a terrifying sight.

The bawd was stunned. What... What was going on?

Min Jinqing walked up to them and said, “She doesn’t deserve to be called a goddess. She’s the dirtiest and stinkiest demon in hell. She said that as long as we paid a small price, our wish would be fulfilled. Do you know what the price is?”

Everyone was puzzled. “Isn’t it money?”

In their hearts, they took it for granted that the price they had to pay was just some money.
