

Lucky Bride 349

Chapter 349: Her Matter Has Nothing To Do With You (Part 2)

Liu Sanniang could not help but look at Chu Yan but his expression did not change.

There was a gentle smile in his eyes, but the words he said were cold.

Chu Yan reached out and wiped the crumbs from the corner of Liu Sanniang's mouth. "Sanniang, you can save people who want to be saved, but do you know what will happen to people who don't want to be saved by you?"

Liu Sanniang shook her head. When she sensed the cries for help and the thick evil presence, she only wanted to get rid of them and restore the balance of good and evil in the world.

She felt that Chu Yan seemed to know everything. Looking into his eyes, she felt a little lost.

Chu Yan's voice was very gentle as he said, "People who don't want to be saved will receive their retribution and be judged by heaven."

He hated women like Liu Yinni. If she was unwilling to change, what right did she have to ask others to change for her?

Liu Sanniang was someone who valued relationships. If Liu Yinni was a sensible person, she would know that the only way to save herself was to leave Liu Shun.

However, she was unwilling to leave. She could not let go of the glory and fame in the capital. If she went back, she was afraid that she would be mocked. If that was the case, she would have to bear the consequences of that superficial glory rather than asking someone else to bear it for her.

Chu Yan reached out and rubbed Liu Sanniang's head. "Sanniang."

Liu Sanniang nodded. "I understand. Thank you."

She knew it in her heart, but she still felt terrible.

She would wonder, now and then, if Liu Yinni ended up in such a situation because of her.

Was what she experienced in her previous life a mere dream?

At night, Liu Sanniang did not have much of an appetite. She went to bed early without eating.

Chu Yan stood in the courtyard, his eyes dark.

General Black lay beside him, quiet and obedient.

He was trembling...

Chu Yan looked into the distance, his eyes as dark and unfathomable as that of the universe.

As time passed, he gradually became more patient and more like a mortal.

Chu Yan looked down at General Black. "Are you also waiting for her to come back?"

General Black did not move, but he still whimpered. She was his master, so of course he had to wait.

Chu Yan's eyes darkened. "I'm waiting too."

When Chu Yan returned to his room, General Black was lying in the corner of the courtyard. He blended in perfectly well with the darkness of the night.

It was already late at night.

Liu Sanniang was already asleep. On her peaceful face, her lips curled up, indicating that she was experiencing a good dream.

The sky gradually brightened. When Liu Sanniang woke up and recalled her dream last night, she could not help but find it funny.

She dreamed that when she was a few years old, she once argued with Liu Erlang over some plums and cried. Liu Erlang was so frightened that he immediately gave her all the plums. "Don't cry, don't cry. I'll give all of them to you..."

She smiled, tears still streaming down her face. As she ate, she sniffled and said, "Second Brother, you're the best."

While she was eating, Liu Erlang stared at her, drooling.

But at night, her stomach hurt and she vomited...

Madam Wei was angry and chased after Liu Erlang with a broom. As Liu Erlang ran, he apologized. Liu Sanniang cried and pulled Madam Wei, begging her not to hit Liu Erlang.

Madam Wei hugged her and brought her back to the bed to rub her stomach. Madam Wei said, "I'll hit you too if you eat so many plums next time."

Liu Sanniang knew that Madam Wei was worried about her. She smiled and snuggled up in Madam Wei's arms.

Liu Sanniang was about to get up when she felt that something was wrong.

She blushed and looked at the blood on the bed.

She was on her period.

After being reborn, she had almost forgotten about it. However, she wasn't flustered because she had plenty of experience from her previous life and knew what to do.

If she was at home, Madam Wei would definitely make brown sugar eggs for her and make her drink soup to warm her body.

Although she was not at home, she could also take care of herself.

When Chu Yan called her to eat, Liu Sanniang realized that the dishes were especially bland. She was surprised. Chu Yan said gently, "Hurry up and eat."

Liu Sanniang couldn't help but blush. She felt that nothing could escape Chu Yan's eyes. He seemed to know 'everything'.

After breakfast, Liu Sanniang was about to go and wash the bedding when Chu Yan entered her room. Liu Sanniang panicked and rushed in, shouting at the top of her lungs., "Chu Yan."

Chu Yan stopped in his tracks and turned around to open his arms. Liu Sanniang was caught off guard and fell into his arms. He wrapped his arms around her waist. "My Sanniang has grown up."

Liu Sanniang's mind went blank and her body felt weak.

Chu Yan gently kissed Liu Sanniang's forehead. "Sanniang, congratulations on becoming an adult."

Liu Sanniang was stunned.

Chu Yan let go of Liu Sanniang and took away the bedding. It took Liu Sanniang a while to come back to her senses. Her face was red and her heart was beating faster than usual. At this moment, she only had one thought in her mind. She would be happy for the rest of her life after marrying Chu Yan.

She used to have many fantasies about the Prince Charming whom she would marry, but at this moment, her Prince Charming slowly took off his mask to reveal his true identity. It was Chu Yan. Only then did she realize that the man she wanted to marry all along was him.

After a long while, Liu Sanniang slowly managed to calm down. At this point, the second worm had also returned.

However, she was not in a hurry to go out. Instead, she prepared some things and began to draw a few talismans. Since her period came, she could feel her strength weakening, so she had to be more prepared.

The evil was, after all, too powerful. If it was left undealt, it would only cause greater imbalance. As the chosen one, she felt compelled to take strong and decisive actions.
