

Lucky Bride 410

410 Only One Of Them Can Live (Part 2)

Jiang Xiaoyan didn't look at Hu Futan. She said in a low voice, "Wang Ru, do you want to walk over yourself, or should I get someone to help you?"

She had already come this far. It was impossible for her to retreat anymore.

Wang Ru's eyes turned red.

Hu Futan hugged her and said angrily, "Jiang Xiaoyan, have you had enough? Ru has just been poisoned and almost died. She hasn't even recovered yet. How can you be so vicious?"

Jiang Xiaoyan clenched her fists tightly. "Bring out the bed and let Wang Ru lie on it."

Hu Futan frowned. Jiang Xiaoyan had gone crazy. She wouldn't listen to anyone.

Wang Ru bit her lip. "Sister Jiang, I'm really not what you think. Don't fall out with Brother Hu because of me. I'll leave."

Hu Futan hugged Wang Ru tightly. "Ru, let's leave together. She's a lunatic."

Jiang Xiaoyan felt a buzzing in her head. She shouted sternly. "No one is allowed to leave."

Today, between her and Wang Ru, only one could live.

Wang Ru pursed her lips and did not say anything but Hu Futan could not hide his anger.

He looked at Liu Sanniang. "Miss Liu, don't you have anything to say?"

"Madam, are you ready?" Liu Sanniang said, looking at Jiang Xiaoyan.

Hu Futan was furious. He gritted his teeth and shouted. "Jiang Xiaoyan."

Jiang Xiaoyan felt dizzy. She stared at Wang Ru. "Wang Ru, you said that you're sincere to Hu Futan. You treat him as an elder brother. What are you afraid of? You're afraid that I'll expose you, right?"

Jiang Xiaoyan looked at Hu Futan as tears welled up in her eyes. "Husband, I'm the only one who truly loves you."

Hu Futan's expression was cold. "If that's the case, why don't you prove it to me?"

Hu Futan glared at Liu Sanniang. "Miss Liu is very capable. This shouldn't be difficult for her."

Jiang Xiaoyan looked at Hu Futan. "Okay."

Hu Futan frowned. Jiang Xiaoyan was really crazy. He didn't do anything. Why was she looking at him with such a pained expression?

Hu Futan felt very uncomfortable in his heart. He looked at Jiang Xiaoyan and said, "Stop fooling around. This matter ends here. I'll pretend that nothing happened and let it go."

Jiang Xiaoyan shook her head. "No, I invited Miss Liu here to let you see clearly that I've never fooled around."

Hu Futan sneered., “In that case, let’s start from you.”

Jiang Xiaoyan looked at Liu Sanniang. “Miss Liu, I’ll go first.”

Liu Sanniang looked at Jiang Xiaoyan and said calmly, “Madam, just reach out your hand after you sit down.”

Jiang Xiaoyan ordered. “Bring the table and chairs over.”

The servants quickly did as they were told.

Jiang Xiaoyan sat down and reached out her hand. Liu Sanniang grabbed her wrist and released a steady stream of power.

Gradually, this power enveloped Hu Futan.

Liu Sanniang slowly tried to sense Jiang Xiaoyan’s memories and showed them to Hu Futan.

This was what Jiang Xiaoyan wanted.

Hu Futan had a strange feeling. He frowned and asked. “What did you do to me?”

Wang Ru grabbed Hu Futan’s sleeve and carefully analyzed his expression.

Hu Futan seemed to be angered by something. He wanted to walk up to Liu Sanniang, but before he could, Chu Yan reached out and stopped him.

Hu Futan frowned. “Who are you?”

Who was this person? Why didn’t he see him before?

Chu Yan could not be bothered with Hu Futan.

Hu Futan’s expression turned ugly. “What are you all waiting for? Kick him out.”

The servants did not move. They lowered their heads, pretending not to hear.

Hu Futan gritted his teeth in anger.

Hu Futan felt that some scenes in his mind were becoming clearer and clearer. His face gradually became shocked.

He didn’t know how to describe this feeling.

He saw Jiang Xiaoyan when she was young. He even saw himself and Wang Ru.

Hu Futan knew that Jiang Xiaoyan had never liked Wang Ru when they were young.

But now, he saw with his own eyes what the real story was like. When Wang Ru walked past Jiang Xiaoyan, she fell for some reason. When Hu Futan saw it, he naturally thought that Jiang Xiaoyan pushed Wang Ru. However, the reality was that Jiang Xiaoyan didn’t push her.

Hu Futan saw his younger self asking Jiang Xiaoyan coldly. “Why did you push Ru? You’re such a bad person.”

Hu Futan felt uncomfortable. He looked at Jiang Xiaoyan and Liu Sanniang in front of him. He knew that Liu Sanniang must have done something. He wanted to ask her to stop, but he could not say a word. The scenes in his mind continued.

The person he liked was Wang Ru, and the person he wanted to marry was Wang Ru.

Later on, he married Jiang Xiaoyan because his parents arranged the marriage. At that time, Wang Ru left the Hu family. In order to be filial, he agreed to the marriage.

However, when he saw how the Jiang family was unwilling to marry their daughter to him, he felt terrible.

Hu Futan felt that he had been split into two people.

Was the Hu family so down and out back then?

Hu Futan refused to admit it. The Hu family and the Jiang family should be on an equal footing. How could they be so downtrodden? However, the truth displayed in his mind didn't care whether he wanted to admit it or not.

The Hu Family's wealth was all taken away by Wang Ru. The old couple of the Hu Family knew it, Jiang Xiaoyan knew it, only he, Hu Futan, did not know.

At that time, he was on the verge of death.

It was Jiang Xiaoyan who found a monk to set up an array formation on her body to keep him alive. The two of them shared the same lifespan. However, as a consequence, Jiang Xiaoyan would never be able to bear children.

Hu Futan felt that he had failed to understand Jiang Xiaoyan all these years. He did not know how to describe his mood. It was heavy.

He experienced for himself the pain Jiang Xiaoyan had suffered for his sake.

When it came to managing the family business, he knew nothing. Jiang Xiaoyan took everything on her shoulder and had never blamed him.

If Wang Ru did not come back, he would live with Jiang Xiaoyan peacefully just like that.

Jiang Xiaoyan was satisfied as long as they were together.

However, after Wang Ru came back, everything changed. Jiang Xiaoyan's hostility towards Wang Ru was soaring, and she indeed wanted to kill Wang Ru.

She even hired an assassin. Hu Futan was a little angry.

However, after a while, he sensed that the assassin hired by Jiang Xiaoyan had yet to take action. This proved that Wang Ru's injury was just an accident. Hu Futan felt a little complicated.
