

Lucky Bride 420

420 Sweet Dreams

Liu Erlang asked what Madam Wei had wanted to ask all this while.

Madam Wei looked at Liu Sanniang. This was also what she wanted to know.

She knew Madam Bai too well. She was someone who would never lower her head to others.

However, when she came back this time, she personally came to visit Madam Wei, bowed to her, thanked her, and apologized. Then, she left. From then on, the relationship between the two families seemed to have become even more distant than before, but it didn't seem to be the case. It was more like Liu San's family was avoiding them.

Mr. Liu did not ask, but he also looked at Liu Sanniang seriously.

She looked at her parents and brother and said, "Yinniag is dead."

Madam Wei was shocked. "How did that happen? How did Yinniag die? She..."

Madam Wei choked. She had watched Liu Yinniag grow up and treated her almost as her own daughter.

Liu Dalang and Liu Erlang frowned, feeling terrible.

Liu Sanniang told Madam Wei and Mr. Liu about Liu Yinniag and Liu Shun.

Mr. Liu sighed. "At least Liu Shun was punished."

Liu Sanniang helped with this case. It made sense why Madam Bai came to thank them, and why Liu San and his family had been avoiding them since then.

Madam Wei held Liu Sanniang's hand. "Sanniang, I'm worried about you."

They all felt that what Liu Sanniang experienced was dangerous.

"Mother, don't worry. I'll be fine," Liu Sanniang grabbed Madam Wei's hand and assured her.

Madam Wei sighed. She knew that Liu Shun was not good, but she did not expect him to be so evil. Yinniag's life was gone just like that.

Previously, when Liu Yinniag's family moved away, Madam Wei actually hoped that their family could live well. How painful would it be to be tortured to death?

She did not dare to imagine what she would feel if it happened to her daughter. She would not be able to accept it at all.

Fortunately, Chu Yan was not that kind of person.

The next day, Madam Wei invited Chu Yan and Mr. Chu over for dinner.

Mr. Chu was a little reserved. He was not that close to Chu Yan, but he was also very happy that his son was being appreciated.

The men in the Liu family all liked drinking, so did Mr. Chu. Madam Wei's culinary skills were really good, so that night, Mr. Chu got drunk.

Mr. Liu, Liu Dalang, and Liu Erlang were all dead drunk.

Chu Yan, on the other hand, was as sober as ever. He helped Mr. Chu go back.

At night, Liu Sanniang called the names of her family members softly and gave them a good dream.

Madam Wei wiped Mr. Liu's face, took off his clothes, and covered him with a thin blanket before going to wash up.

Mr. Liu smiled. Every time he was drunk, he was at his happiest. He leaned lazily on the bed and watched Madam Wei wash her body. Madam Wei thought that he was asleep, but he was not.

When Madam Wei got into bed, Mr. Liu hugged her.

Madam Wei was stunned. "Sleep."

Mr. Liu pinched Madam Wei's love handle and said, "I can't sleep."

Madam Wei blushed. "We're already an old couple..."

...

The next morning, Liu Dalang and Liu Erlang met in the backyard. Liu Erlang walked over and teased. "Brother, you're up early."

The corners of Liu Dalang's mouth twitched. He wrung out the pants in his hand and left.

He was about to get married soon. It wouldn't be long before he could get rid of his wet dreams.

Liu Erlang sighed and silently washed his pants.

It had been a long time since he had such a dream.

He liked plump women, but they were not easy to find. After a couple of blind dates, he still did not find anyone he liked. It wasn't that his blind dates were bad, but he just did not like them.

He did not know when he would meet someone he liked.

Thinking of his eldest brother, he felt inexplicably envious.

He also wanted to get engaged. He also wanted to get married!!!

Li Jingui had been paying attention to the Liu family, so she waited for two days before coming to look for Liu Sanniang. Even if she did nothing, she felt that as long as she was with Liu Sanniang, her cultivation would increase.

As Madam Wei watched, she suddenly recalled how she used to hire Li Jingui to help her daughter ward off evil.

She still did not know how capable her daughter was, but from Li Jingui's flattering manner, her daughter must be much better than Li Jingui.

Li Jingui ate her snack and said, "Miss Liu, there are six major sects in the Mystic Sect. They have the most temples in the secular world. You should be very popular in the capital, right?"

With Liu Sanniang's ability, she was definitely extremely popular in the capital. All the influential people would be respectful to her. There was no need to mention how much money Liu Sanniang could earn. She was really envious.

Liu Sanniang was simply a legend in the Mystic Sect. She did not need to suffer to obtain the cultivation level she currently had, and her marriage was also enviable.

Thinking of how she had been alone for decades, Li Jingui sighed.

Liu Sanniang said faintly, "No."

Was she popular? Quite the opposite.

She had probably offended the Crown Prince, the Third Prince, and the Seventh Princess.

She had already upset more than half of the royal family. Offending one person was equivalent to offending all the people working for that person. From the looks of it, she had probably offended most of the people in the capital.

Li Jingui looked at Liu Sanniang seriously. "How could that be?"

That shouldn't be the case. According to what Li Jingui felt, Liu Sanniang should be welcomed wherever she went.

Liu Sanniang said calmly, "We take different paths."

They were not on the same path, so they naturally couldn't see eye to eye.

Li Jingui was a little confused. "Why is it different?"

Wasn't cultivation one path only? Why was there a difference?

Liu Sanniang looked at Granny Li. "Granny Li, what do you think the purpose of the Mystic Sect's existence is?"

Granny Li felt that this was too profound a question. She had only touched the threshold of the Mystic Sect and did not manage to cross it.

Li Jingui smiled awkwardly. "Of course it's to protect the righteous path and the common people."

Liu Sanniang smiled. "Yes, you are right."

Li Jingui felt that Liu Sanniang had changed too much. She could not understand what was on her mind.

Liu Sanniang was like a piece of gold covered in mud. Now that the mud was falling off bit by bit, she began to glow.

Not long after Granny Li left, Li Guanfeng's man arrived.

Ligui said respectfully to Liu Sanniang, "Miss Liu, when His Lordship found out that you were back, he asked me to come and invite you over for dinner. He specially got the kitchen to butcher the chickens and ducks to treat you."
