

Lucky Bride 437

437 Not Stopping

He thought that everything would go smoothly if he arrived in Chuzhou before Liu Sanniang, but in reality, he had dug his own grave.

Worse, he had almost brought Xiaowu into the grave with him.

Old Madam Su and Su Yuanyang looked at Su Xiaowu worriedly, who was still unconscious.

Old Madam Su held Su Xiaowu and shouted nervously. "Xiaowu, wake up. Open your eyes and look at Grandmother."

Li Guanfeng took a deep breath. "Xiaowu was drugged and hasn't woken up yet."

Even he was the same. Other than opening his eyes and breathing, he could not even take a step.

Su Yuanyang looked at Li Guanfeng and the others, then at the unconscious Su Xiaowu. He immediately stood up nervously. "I'll go get a doctor now."

"No need."

Liu Sanniang walked up to Su Xiaowu and grabbed her hand before injecting a force into her body. Soon, Su Xiaowu's eyelids fluttered and she opened her eyes. She looked at Liu Sanniang in confusion. "Sister Liu, why are you here?"

"Xiaowu, you're finally home."

Old Madam Su reached out to stroke Su Xiaowu's cheek, her voice choked with sobs.

Su Xiaowu looked at Old Madam Su and immediately cried out. "Grandmother, Grandmother..."

Liu Sanniang walked to Li Guanfeng's side and released her power. Soon, Li Guanfeng and the others recovered their strength as well.

"Sir."

Ligui and Liming stood behind Li Guanfeng, waiting for his order.

Su Xiaowu threw herself into Old Madam Su's arms and wailed. Her cries made one's heart ache. Su Yuanyang stood at the side in a daze, his eyes filled with guilt. He stepped forward to speak, but he could not open his mouth.

He had never cared about his daughter because he believed that she was stupid and a disgrace to him.

Now, because she was his only daughter, he had the urge to show concerns for her. At the thought of this, he felt disgusted with himself.

Old Madam Su hugged Su Xiaowu and sighed. "You've lost weight. You've lost weight."

Su Xiaowu was already ten years old, but she still looked like a six- or seven-year-old child. She didn't grow much. When she hugged Su Xiaowu in her arms, all she could touch was skin and bone. From this, it could be seen how much pain Su Xiaowu had suffered.

Fortunately, Su Xiaowu was back. From now on, she will be protected.

Su Xiaowu cried. "Grandmother, I miss you so much."

Li Guanfeng stepped forward and held Su Xiaowu's hand. He knelt down. "Grandmother, I'm Li Guanfeng. Please entrust Xiaowu to me. Xiaowu is your Xiaowu. She's also my Xiaowu."

Su Xiaowu looked at Li Guanfeng. Li Guanfeng was serious and did not have a smile on his face. She hoped that he would smile and be happy.

"Brother."

Su Xiaowu called out to Li Guanfeng.

Old Madam Su was a little puzzled. She grabbed Su Xiaowu's hand tightly. "Young Master, our family is very grateful to you for sending Xiaowu back. Xiaowu is the only daughter of the Su family. We will take good care of her."

Li Guanfeng looked at Old Madam Su. "Xiaowu will be my wife."

Old Madam Su felt that Li Guanfeng should be joking, but his expression was so serious and he didn't seem to be joking. For a moment, Old Madam Su didn't know what to say.

Su Yuanyang said calmly, "Xiaowu is my daughter. We won't agree to marry her to you. Besides, Xiaowu is still so young."

Li Guanfeng looked at Su Xiaowu. "Xiaowu, are you willing to be with me? I'll protect you and dote on you for the rest of my life."

Of course Su Xiaowu wanted to. She didn't know what a lifetime was or what a wife was. She just knew that she wanted to be with her brother. It was as if they were meant to be together.

Su Xiaowu lowered her eyes. "But I can't bear to be separated from Grandmother."

In her memory, there was only one grandmother who loved her.

Su Yuanyang's heart skipped a beat. He knew that he had no right to speak. He looked at Old Madam Su. "Mother, it wasn't easy for Xiaowu to come home. In the past, I didn't do a good job as a father, but I'll compensate for her doubly in the future."

Old Madam Su looked at Li Guanfeng. She felt that this person was way too serious. There were many things in his eyes.

"Why did you say that Xiaowu is also your Xiaowu?"

Old Madam Su waited for Li Guanfeng to explain.

Li Guanfeng calmly explained the whole story to Su Yuanyang and Old Madam Su. He and Su Xiaowu were destined to be husband and wife. No matter who Su Xiaowu became, he would never leave her.

Old Madam Su did not say anything after hearing that. She looked at Liu Sanniang for confirmation.

Liu Sanniang nodded. "No one loves Xiaowu more than Lord Li."

Li Guanfeng and Su Xiaowu's fate as husband and wife was an obsession of two lifetimes. Unless it was forcefully destroyed, they would still be husband and wife.

Naturally, Old Madam Su wouldn't be the one to destroy it.

If news of what happened in the mansion spread, it would tarnish Su Yuanyang's reputation. Fortunately, the matter didn't blow up.

The servants who knew about it were also replaced.

The Su family even held a funeral. After all, it was the best way to explain why Li Xuelian and the children disappeared into thin air.

Li Guanfeng carried Su Xiaowu and fed her food personally. Su Yuanyang was furious, but there was nothing he could do.

He said that he was Su Xiaowu's father, but Su Xiaowu had no idea what a father was. He was no different from a stranger to her.

Li Guanfeng patiently taught Su Xiaowu what father and mother meant.

Old Madam Su had already decided to visit the people she had saved in the past. However, before that, she went to look for Liu Sanniang.

Liu Sanniang was still at the Su mansion, but she would set off tomorrow.

Old Madam Su knocked on the door. "Miss Liu, can I come in?"

Liu Sanniang opened the door. Old Madam Su walked in with a book wrapped in a cloth in her hand. "Miss Liu, this is the Kunlun Medical Book. I'll give it to you."

Since she was the grand elder of the Kunlun Sect, she was entrusted to safeguard this medical book. If she could not find a successor, she would return this book to Kunlun after her death.

Liu Sanniang took it calmly and put it away.

Old Madam Su looked at Liu Sanniang. "I've never thought of doing evil in my life, but I've accidentally done so many evil things. This was not my intention. If the heavens are just, they will help me, right?"

Liu Sanniang nodded.

Old Madam Su turned around and left. She heard the soft chanting of scriptures coming from behind her. At that moment, she felt comfortable all over her body.

The next day, Liu Sanniang and Chuyan left Chuzhou and returned to Yong County.

Li Guanfeng couldn't leave yet. If he wanted to take Xiaowu away, he naturally had to get Su Yuanyang's permission.

Before Old Madam Su set out, she told Su Yuanyang that he should let Xiaowu go because she didn't belong here. Su Yuanyang did not intend to stop Xiaowu from going. He just wanted to make it up to her.
