

## Lucky Bride 456

### 456 Refusal Of Entrance

Yuan Hui alone was not enough. She had to visit everyone who didn't reply to her letter.

What goes around comes around. She swore that she would survive until the day when they were in trouble and came to beg her before giving them a taste of their own medicine.

She did not know if it was true that Liu Sanniang was the True Buddha, but she had threatened her life.

Hui Zhen left Jingen Temple and went to another place. Her expression remained cold and unchanged. When she stood outside a mansion for a long time and was refused entrance, her expression turned extremely dark.

Hui Zhen gritted her teeth and clenched her fists tightly.

She then went to the palace.

The State Minister's mansion in the palace was also very quiet. Only a very few palace maids and eunuchs were serving there. They were only responsible for cleaning. Most of the time, they were not even allowed to approach the main courtyard. This was the rule set by Xu Bo and Xu Yue.

Hui Zhen had been sitting in the main hall for a while before Xu Bo and Xu Yue came out to see her.

Hui Zhen looked at the two of them. "State Ministers, how have you been?"

Xu Yue looked at Hui Zhen and could not help but frown. He did not say anything while Xu Bo sat down on the main seat. "Master Hui Zhen, I'm afraid I can't help you with this matter."

Both of them did not want to provoke Liu Sanniang. As long as they did their job as State Ministers and did not provoke her, they would be fine...

When Hui Zhen heard that Xu Bo did not want to help, she snorted coldly. "I'm afraid even if you stay out of this, you won't be safe for too long. Do you know what she wants to do? She wants to destroy me!"

Liu Sanniang wanted her to die.

Hui Zhen felt a burning sensation in her body. Only she understood this feeling. She could also feel her physical strength fading. The replenishment of faith merit could not resist the loss of vitality. The karmic fire burned more and more vigorously, making her anxious.

She looked at Xu Bo and Xu Yue with a dark expression. "Master Yuan Hui will join me. In two days, a birthday banquet will be held at Suzhai Pavilion. Liu Sanniang will definitely deal with me at that time. Please help me. I will remember this kindness forever!"

Huizhen exhaled and stared coldly at Xu Bo and Xu Yue. Her cold gaze was like that of a sinister snake. Xu Bo and Xu Yue's expressions were dark. They both knew that if they did not go, Hui Zhen would definitely hold a grudge against them.

Hui Zhen was not an easy person to get along with. If she held a grouse against someone, she would use dirty tricks to bring down that person.

Xu Yue looked at Xu Bo for an opinion.

Xu Yue felt that it was best not to go. Ever since he experienced it last time, he had an inexplicable fear towards Liu Sanniang and wanted to stay as far away from her as possible.

Xu Bo nodded. "Master Yuan Hui, do you believe that Miss Liu is the True Buddha?"

Hui Zhen's expression darkened. "What kind of True Buddha is she? Anyway, I don't believe it. She's just a disciple from a heterodox sect. She has her own cultivation method that we don't know of, so we were fooled when she said that she was the True Buddha. Let me ask you, if she is a cultivator, why doesn't she have any spiritual qi in her body? This is not normal at all."

She didn't sense any spiritual qi on Liu Sanniang at all. That was the most abnormal thing. Still, she was no match for Liu Sanniang alone. It wasn't that Liu Sanniang was stronger than her, but Liu Sanniang just wouldn't die. As long as she couldn't die, she would eventually devour Hui Zhen.

Hui Zhen was running out of patience. She felt her heart burning, making her want to vent the anger and dissatisfaction in her heart.

Xu Bo agreed with Hui Zhen.

Seeing that Huizhen was about to fly into a rage, he nodded. "Xu Yue and I will be there in two days."

They would only go through the motions. If the situation was not right, they would leave the place immediately. If nothing happened, they would naturally stand on Hui Zhen's side.

Hui Zhen took a deep breath and suppressed the anger in her heart. "I believe that the two of you are wise people. If I don't end up well, you won't either. I hope that the two of you will fulfill your promise."

With that, Hui Zhen turned around and left.

After she left, Xu Bo's expression turned cold.

Xu Yue thought about it and asked. "Xu Bo, are we really evil?"

Xu Yue was a little confused. Their Cloud Breaking Sect was a sect that had existed for thousands of years. They killed demons and helped the people. How could they be evil?

Xu Yue felt a force tearing at his heart, causing him great pain.

Xu Bo frowned. He stood up and walked quickly to Xu Yue's side. He tapped between Xu Yue's eyebrows. "Xu Yue, don't disrupt your Dao heart."

Xu Yue's Dao heart was unstable, and he was showing signs of Qi Deviation. Xu Bo's expression darkened. "You should believe in the previous sect masters and grandmasters. Our Cloud Breaking Sect is on the right path for a righteous cause."

Xu Yue's heart tightened. He looked at Xu Bo and blamed himself. "I should never have doubts in our faith."

He was older than Liu Sanniang's father, and his Dao heart had never been disrupted earlier. However, because of a small matter, his Dao heart was in a mess. He even doubted the purpose of the sect. This was a huge taboo.

Xu Bo looked at Xu Yue. "Your Dao heart has been unstable lately. Go into seclusion to strengthen your mind."

When Xu Bo said this, Xu Yue frowned and responded. "I..."

He wanted to go and see how Liu Sanniang dealt with Hui Zhen. She had claimed that Hui Zhen was evil, but why? He wanted to witness it to feel relieved.

However, before Xu Yue could speak, Xu Bo interrupted him. "It's an order. There is no room for negotiation."

Xu Yue swallowed his words and nodded. "Okay, I'll go into seclusion for half a month."

Xu Bo nodded. "Go. Don't mess up your Dao heart, or years of your cultivation will go to waste in a day."

Xu Yue pondered silently. There were some things that one would never understand without experiencing it firsthand. His doubts and confusion were issues that Xu Bo did not understand.

Xu Yue turned around and left. Since he said he was going into seclusion, he naturally had to do so.

Two days passed quickly.

Early in the morning, Su Yanyu had already changed into a crescent-white brocade robe with a high-grade jade buckle at his waist. He asked Mu Cong and the others. "How do I look today?"
