

Lucky Bride 500

500 What If The Righteous Path Is Already A Filthy Place?

However, both Liu Sanniang and Yuan Hui were very calm. Wu Changxian sighed. In his heart, he still hoped that Liu Sanniang could prove that she was right.

When they arrived at the cell, Xu Lin was carried to the side and placed down. Madam Xu looked at Xu Lin and her heart ached. "Lin."

Xu Lin snorted coldly. "Don't call me. It's disgusting."

He was in extreme pain. He only needed to eat some raw food to be relieved of the pain, but because of Madam Xu's instructions, the servants did not send him any food.

He endured endless pain and torture. Other than wanting to fill his stomach, he no longer cared about anyone or anything.

Xia Qiluo looked at Xu Lin's red eyes and frowned. "Shifu, his body has been possessed by the wolf demon. If it's not removed, he will sooner or later become a man-eating monster. I'm not capable enough. I can't get rid of this evil thing."

Xu Lin was visibly turning into a monster. Even ordinary people could tell it. His red eyes and the thick hairs on his face were enough to prove that he was transforming in the direction of a demon.

Madam Xu also begged. "Master, please save my son."

Xu Ran nodded. "Qiluo has already agreed to help. If my disciple can't get rid of the evil thing, as her shifu, I will naturally interfere. A mere demon is nothing."

Xu Ran walked towards Xu Lin whose red eyes were filled with hunger. He wanted to pounce on Xu Ran and bite him, but he did not even have the strength to move a finger.

Xu Ran grabbed Xu Lin's hand and saw that Xu Lin's five fingers had become slightly like claws. He took out a red flag and threw it in the air above Xu Lin.

Xu Ran formed a seal with his hands, and the red flag emitted a red light that enveloped Xu Lin. Xu Lin's entire body instantly stiffened, and his expression became ferocious. He let out a beast roar from his throat. "Ah..."

Madam Xu was extremely worried and called out anxiously. "Lin..."

Xu Qing glanced at Madam Xu and said, "Don't worry. Your son has been possessed by a demon. He'll recover after the demon is gone."

Madam Xu looked at Xu Lin worriedly. It was precisely because of this demon that her son was tortured to such an extent. He became neither human nor monster, which was why he was in such pain now.

Her heart ached, but there was nothing she could do.

Xu Lin was in extreme pain. Under the red light, a gray wolf shadow appeared in front of everyone. The wolf's eyes were red, as if it wanted to tear through the red light and rush out. However, it was trapped by the red light and slowly got sucked into the red flag.

Xu Lin panted heavily.

Xia Qiluo took out a bottle and poured out a black pill to feed Xu Lin.

Liu Sanniang frowned.

Xia Qiluo noticed it at a glance. She raised the bottle. "Why? Miss Liu, do you think I'm giving poison to Xu Lin?"

Liu Sanniang didn't say anything. Xia Qiluo walked towards Liu Sanniang. She glared at Chu Yan before opening the bottle. She poured out a black pill and handed it to Liu Sanniang. "Here, take a look for yourself."

Liu Sanniang picked up the pill from Xia Qiluo's palm and felt spiritual energy coming from it.

She returned it to Xia Qiluo who snorted. "Xu Lin's demon has been removed. Miss Liu, when are you going to admit your mistake?"

Xu Ran and Xu Qing had already checked Madam Xu and did not find any forbidden techniques or seals on her.

Xia Qiluo narrowed her eyes and looked at Liu Sanniang proudly. She didn't believe that at this moment, Liu Sanniang could still turn the tables.

Liu Sanniang looked at Yuan Hui and said slowly, "The mother is saving while the father is killing. The demon in Young Master Xu has not been removed. Unless you let him off, he will continue to be plagued by the demon, but it's impossible for you to let him off because you regret creating him."

To Yuan Hui, Xu Lin should not exist, but to Madam Xu, Xu Lin was her hope to live. Xu Lin was her life, and she wanted him to live.

Yuan Hui looked at Liu Sanniang coldly. "Miss Liu, you're really good at concocting elaborate lies."

Madam Xu looked disgusted. "At this point, you are still trying to humiliate and slander me. Liu Sanniang, I want you to die to prove my innocence."

Liu Sanniang looked at Madam Xu and said calmly, "Madam, Young Master Xu's last chance of survival is in your hand. If you miss it, you won't have it again."

Even Madam Xu found it ridiculous. "What a joke. The demon in my son has been removed. He will be safe and sound from now on. How dare you curse my son to die?"

Xia Qiluo frowned and said coldly, "You're the one who slandered Madam Xu for being unchaste and accused Master Yuan Hui of immoral conduct. Show us the evidence, the evidence that Xu Lin is Master Yuan Hui's son."

Xia Qiluo was about to lose control of her temper. She hated it the most when Liu Sanniang spoke like she was always in the right.

Xu Ran's expression was cold as he reached out and gently placed his hand on Xia Qiluo's shoulder. Xia Qiluo gradually calmed down. She looked at Xu Ran aggrievedly. "Shifu."

Xu Ran looked at Xia Qiluo with a gentle expression. Xia Qiluo had told him that when Liu Sanniang was around, her Dao heart would be unstable. After seeing it with his own eyes, Xu Ran knew that Liu Sanniang had too much of an impact on Xia Qiluo.

Xu Ran looked at Liu Sanniang and said coldly, "Miss Liu, which sect are you from?"

Liu Sanniang replied flatly. "I belong to no sects."

Xu Ran's cold expression revealed a trace of mockery. "I heard that you call yourself the True Buddha. Do you know what the True Buddha is? The True Buddha is someone with the most wisdom, the cleanest heart, and the nemesis of all evil in the world. Only the chosen one can be called the True Buddha. The True Buddha will only be among the people who take the righteous path and are in the sacred land. Miss, you come from the secular world in a filthy place. How can you be the True Buddha?"

Hearing that, Wu Changxian was on tenterhooks. If word got out, Liu Sanniang would probably be despised by the world. Her words were definitely not as convincing as the grand elder of the Cloud Breaking Sect.

Liu Sanniang looked at Xu Ran calmly and asked. "What if the righteous path is already a filthy place in the world?"

Her casual rhetorical question made Xu Ran's expression instantly turn ugly.
