

## Lucky Bride 503

503 What Does This Have To Do With You?

Wu Changxian looked shocked. "Wh-what?"

Liu Sanniang said slowly, "Young Master Xu is still plagued by the demon spirit. He will completely transform into a demon and start killing people indiscriminately sooner than later."

Wu Changxian felt his heart in his throat. "Then... then what can I do?"

Liu Sanniang looked at Wu Changxian and took out some talismans. "Capture him and stop him."

Wu Changxian took the talismans and felt that they were abnormally heavy. He looked at Liu Sanniang and chose to believe her. Although Liu Sanniang lost to the two elders of the Cloud Breaking Sect on this day, he believed that this matter was far from over yet.

After taking the talisman and leaving, Wu Changxian asked Yi Zilan to take a group of elite soldiers to secretly guard the Xu mansion with the talismans.

When Yi Zilan heard that it was instructed by Liu Sanniang, he did not doubt it at all. Wu Changxian said, "You have a strong faith in Miss Liu."

Yi Zilan answered seriously. "My Lord, I have a strong faith in my intuition."

Wu Changxian patted Yi Zilan's shoulder. "Demon spirit is not easy to deal with. Be careful. Take care of your own safety first."

Yi Zilan nodded. "I will."

He was not alone now. He had a wife and would have children in the future. Naturally, he would not risk his life.

The news of Liu Sanniang being imprisoned spread like wildfire.

Xia Qiluo brought Xu Qing to heal Liu Shun.

Xia Hongyuan said respectfully, "Thank you, Elder Xu Qing."

Xu Qing looked at Xia Qiluo with a doting expression. "Your Highness is too polite. Since Qiluo made the request, I would naturally not decline."

Xia Qiluo smiled. "Shifu dotes on me the most."

Xu Qing smiled and looked at Liu Shun with a calm expression. "Take off your clothes. Qiluo has already told me about what you are suffering from. I'll just draw an Exorcism Talisman on you, and you'll be fine."

Liu Shun lowered his eyes and took off his clothes, revealing his back. He was no longer human but a container filled with cotton.

Xu Qing frowned when he realized that. However, he didn't ask anything. Xia Hongyuan must have his own reasons for trying to keep such a person alive.

As the runes were drawn on the talisman, the rotten part on Liu Shun's body gradually healed. To Xu Qing, this was really a piece of cake.

Liu Shun could no longer feel the pain. He knelt down and thanked him. "Thank you for saving my life, Master. Thank you, Seventh Princess. Thank you, Your Highness."

Xia Qiluo looked at Liu Shun. She did not like him and always felt that he was an extremely hypocritical person.

Xia Qiluo said, "Brother, I still have something on, so I'll leave first."

After leaving the Crown Prince's residence, Xu Qing said to Xia Qiluo, "Qiluo, your shifu, Xu Ran, instructed me to tell you not to be obsessed with a dying person."

Xia Qiluo held Xu Qing's arm and bit her lip. "Shifu, don't worry. I know what to do. I won't take a dying person to heart. I'm going there because I want to mock her."

Xu Qing nodded. "Go. Remember at all times that you don't have to lower yourself to her level. She'll never be able to compare to you, do you understand?"

Xia Qiluo nodded. "I understand."

She had always known that, but every time she looked at Liu Sanniang, she felt angry for no reason. Now that Liu Sanniang was imprisoned, she did not believe that Liu Sanniang could still remain stable.

Xia Qiluo went to prison. At this moment, Liu Sanniang and Chu Yan were sitting on the ground, eating. The food was very plain, but it was not bad. There was also a pot of tea.

Both of them were very calm and ate slowly.

Xia Qiluo patted the cell and shouted. "Liu Sanniang."

Liu Sanniang ignored her.

Xia Qiluo gritted her teeth. "Liu Sanniang, because of you, Chu Yan will be executed too. Don't you feel guilty? I'll give you a chance. Kneel down and beg me. Kowtow to me three times, and I'll help you save Chu Yan's life."

Liu Sanniang was the one who committed a serious crime, while Chu Yan was innocent. She had plenty of ways to save Chu Yan. Anyway, she never had the intention of letting him die.

Being ignored by Liu Sanniang, Xia Qiluo narrowed her eyes. "You're so selfish. You can clearly prevent Chu Yan from dying with you."

Xia Qiluo looked at the indifferent man. "Chu Yan, you treat her so well, but look at how she treats you."

Liu Sanniang tilted her head to look at Chu Yan. He calmly picked up some veggies and put them into her bowl. He said with a gentle expression, "Eat more."

Liu Sanniang knew that no matter what Xia Qiluo said, Chu Yan would not listen to her and would not be affected.

She couldn't help but feel a little sweet and smug.

Xia Qiluo stomped her feet in anger and asked in a sharp voice. "Liu Sanniang, do you not care about Chu Yan's life at all? You're not worthy of his love."

How could such a selfish woman be worthy?

Liu Sanniang looked at Xia Qiluo and saw jealousy in her eyes. Why would a woman be jealous of another woman?

Xia Qiluo liked Chu Yan.

However, Chu Yan did not look at Xia Qiluo from the beginning to the end. He only had eyes for Liu Sanniang. She felt that her heart was filled with honey. It was so sweet that she wanted to laugh.

She said calmly to Xia Qiluo, "Seventh Prince, are you here just tell me this?"

Xia Qiluo gritted her teeth. "I wanted to give you a chance, but I didn't expect you to be such a selfish person. Chu Yan is really blind to be in love with you."

Liu Sanniang's expression turned cold. "Whether Chu Yan is blind or not has nothing to do with you. Why do you have to care so much?"

Who did Xia Qiluo think she was? Was it her place to interfere in their relationship?

Liu Sanniang's sarcastic question provoked Xia Qiluo. With an aggrieved look, she looked at Chu Yan, but from the beginning to the end, Chu Yan couldn't be bothered to cast even a glance at her. He did not care at all if he had to die for Liu Sanniang.

Realizing this, Xia Qiluo's eyes were filled with hatred and anger. She shouted at him almost desperately. "Chu Yan, I'll give you a chance. If you want to live, leave her. She has no chance of turning things around and will definitely die. You were implicated for no reason. You don't have to lose your life for nothing. Think about your parents and family."

She did not believe that to Chu Yan, Liu Sanniang was more important than his own family.

Chu Yan looked up at Xia Qiluo. She was delighted, but soon, she saw the extreme coldness in that pair of eyes. Chu Yan moved his lips and said coldly, "What I want to do is none of your business."

With that, he retracted his gaze and turned to look at Liu Sanniang with a gentle expression. "For Sanniang, I'm willing to do anything."
