

Lucky Bride 504

504 Then You Both Can Die

The change in Chu Yan's expression and tone made Xia Qiluo look like a joke. She felt extremely humiliated, and her eyes turned vicious.

She stared at Liu Sanniang and said sharply, "Then, you both can die."

She had already given Chu Yan a chance but he turned it down. Since he was so devoted and insisted on dying with Liu Sanniang, they might as well perish together.

Not only did Xia Qiluo not vent her anger, but she became even angrier. She thought that her anger would only disappear when both of them were dead.

Xia Qiluo stared at Liu Sanniang and Chu Yan coldly and gritted her teeth.

Chu Yan and Liu Sanniang did not look at Xia Qiluo again and continued eating slowly.

Xia Qiluo felt as if something was about to explode in her heart. There was pain in her chest and the smell of blood in her throat. She hurriedly left the place.

The pain in her chest became more and more obvious, and blood slowly seeped out of the corner of her mouth. Xu Qing's expression changed drastically when he saw Xia Qiluo coming out weakly. Without a word, he went forward to support her and tapped her head. Xia Qiluo fell weakly into Xu Qing's arms.

Xu Qing frowned. Xia Qiluo's Dao heart was in chaos, and her spiritual power was rampaging out of control. If it wasn't reined in, it would probably crush her from the inside out.

Xu Qing carried Xia Qiluo back to the palace.

When Xu Ran saw Xia Qiluo like this, his expression was not good either. "What happened?"

Xu Qing said guiltily, "It's my fault. Qiluo has been prideful since she was young and has never been humiliated by anyone. That Liu Sanniang is extraordinary. She's destined to die, so Qiluo said that she wanted to go and vent her anger for the last time. I let her go, but I didn't expect it to end up like this."

Not only did Xia Qiluo not vent her anger, but she even suffered internal injuries because of her unstable Dao heart.

Xu Ran helped Xia Qiluo up and slapped her back, sending a dense spiritual energy into Xia Qiluo's body to repair her injuries and stabilize the spiritual energy that was going wild.

Xia Qiluo slowly woke up. Her body was still in slight pain. Looking at her two shifu's worried eyes, Xia Qiluo felt guilty. "Shifu, I'm sorry for making you worried."

However, when she thought of how no matter what she did, she could not replace Liu Sanniang in Chu Yan's heart, her heart ached.

She was indignant and aggrieved. "How am I inferior to her? He would rather die with her than beg me to save him."

She was the princess of the royal family. What she could give him was supreme glory. Liu Sanniang could not give him anything and would only be a burden to him, but Chu Yan still firmly stood by her side.

Xu Ran and Xu Qing were stunned for a moment before they quickly understood that Xia Qiluo had been hurt in love. Moreover, it was a one-sided love.

Xu Qing's eyes darkened. "Qiluo is obsessed. If she can't untie the knot in her heart, I'm afraid her cultivation will stop here for the rest of her life."

Xu Ran also knew the seriousness of this matter. He grabbed Xia Qiluo's shoulders with both hands and asked her to look into his eyes. "Qiluo, the reason why you're obsessed is because you don't have what you desire. Once you have it, it will no longer be important to you. You're born with a spiritual body. You should be dedicated to cultivating the Dao and become someone the world looks up to."

Xia Qiluo cried aggrievedly. "But I just can't get over it."

How was she inferior to Liu Sanniang?

Xia Qiluo's eyes were filled with deep obsession.

Xu Ran comforted her. "There's nothing to be indignant about. There's no need to be angry with someone who's about to die. Don't go out these days. I want to test what you have learned over the years."

Xia Qiluo wanted to say something, but Xu Ran and Xu Qing stopped smiling and looked serious. She knew that her masters were also worried about her. She nodded. "I'll listen to you."

Xu Ran reached out and stroked Xia Qiluo's hair. His serious expression softened. "Good."

Xia Qiluo nodded obediently, but when she thought of Liu Sanniang, she bit her lip. "But in a month, I want to go and watch them be executed in person. I want to watch their heads be chopped off."

Xu Ran nodded. "Sure, we'll take you there when the time comes."

A month wasn't hard to wait for.

They would also pay attention to the Ministry of War to prevent any accidents from happening.

Liu Sanniang and Chu Yan were locked up. However, to them, it was as if nothing had happened.

Su Yanyu came to visit Liu Sanniang with a worried heart, but when he saw Liu Sanniang's calm expression, he felt inexplicably at ease.

Liu Sanniang looked at Su Yanyu and said, "Young Marquis."

Su Yanyu scratched his head. "Miss Liu, I know what you want to say. I'll help you take care of General Black. Don't worry."

Liu Sanniang looked at Su Yanyu. "You and I are not..."

Su Yanyu immediately interrupted her. "I still have something on. I haven't decided what to feed General Black tonight. I'll leave first."

He was determined to become her disciple and didn't want to hear her rejecting him.

Seeing how calm the two of them were, Su Yanyu felt relieved. He turned around and left.

Liu Sanniang shook her head with a chuckle. Chu Yan walked to her side and held her hand. "Let's wait for another three years."

Liu Sanniang nodded.

After leaving the prison, Su Yanyu immediately went to Liu Sanniang's residence. He fed General Black and watched him eat. "General Black, Miss Liu is busy with something these days. Come home with me. I'll get you whatever you want to eat."

After General Black was full, Su Yanyu stroked its fur. General Black nudged him with its head. Su Yanyu immediately grinned. "Let's go back."

Su Yanyu was overjoyed. He almost bounced and jumped all the way back home.

Marquis Su and Mrs. Su were infuriated. Since Liu Sanniang was already imprisoned, he should cut ties with her. Not only did their silly son not cut ties with Liu Sanniang, but he even brought back her dog.

Marquis Su was terrified by the big black dog. "This is simply unacceptable."

Mrs. Su also frowned. "Yanyu, listen to me. Send it elsewhere."

Su Yanyu shrugged. "Father, Mother, if you can send it away, then be my guest."

It was obviously not an ordinary dog. It was more like a ferocious beast. How could it be easy to send it away? The dog clearly listened to Su Yanyu, but Su Yanyu acted like he didn't care. Marquis Su was so angry that he felt dizzy.
