

Lucky Bride 511

511 Collapse (Part 2)

Xu Ran's eyes narrowed. "No matter what she did to snatch Qiluo's fortuitous encounter, I want her to give it back."

Xu Qing nodded. "Yes."

He and Xu Ran thought of the same thing. They had never acknowledged Liu Sanniang's identity because they already had a candidate in their hearts. Xia Qiluo, who was born with a spiritual body, should be the chosen one.

Why didn't she become the chosen one? It was very simple. Someone had snatched it away from her.

Since it was snatched away, they had to take it back.

Xu Ran said coldly, "Let's go and take a look."

Xu Qing and Xu Ran followed Wu Changxian. Yuan Hui was quickly brought to the torture chamber.

His expression was extremely calm when he saw Liu Sanniang.

Wu Changxian said, "Master Yuan Hui, Madam Xu committed suicide at Jingen Temple. Don't you have anything to say?"

Yuan Hui replied lightly. "I don't know why Madam Xu did such a thing. Her death has nothing to do with me, nor does it have anything to do with Jingen Temple."

Wu Changxian frowned. "Since it has nothing to do with you, why did you request to stay with Madam Xu's corpse for a while?"

Yuan Hui said lightly, "I just don't understand why Madam Xu would kill herself, so I wanted to find out."

They were all dead, and he didn't have many years left to live either. He didn't want that matter to be known, so no matter what, he would not spill the beans.

Wu Changxian was infuriated by Yuan Hui's words and attitude. It was obvious that Yuan Hui felt guilty earlier, but now he refused to admit it. He was simply shameless.

Yuan Hui looked at Liu Sanniang calmly. "Miss Liu, you can accuse me of having an affair with Madam Xu and making her pregnant with Xu Lin, but I can also accuse you of harming Madam Xu and Xu Lin just to escape your punishment."

He had a deep cultivation and might have a chance of winning against Liu Sanniang.

Liu Sanniang opened her palm and revealed the black beads in it. "Master Yuan Hui, you've been cultivating for many years. Do you know what this is?"

Xu Ran and Xu Qing's expressions changed.

Yuan Hui's expression was calm. He looked at the black beads in Liu Sanniang's palm and said, "This is evil. Sinful evil."

Liu Sanniang looked at the two black beads in her palm. "Since Master Yuan Hui knows that these are sins, you should also know that they exist because of karma, right?"

Yuan Hui looked at Liu Sanniang and replied. "Yes."

With a wave of her hand, the two beads on Liu Sanniang's palm flew towards Yuan Hui at a speed visible to the naked eye.

Yuan Hui wanted to dodge, but there was no way to dodge karma.

It was impossible to predict the extent of the backlash when sin entered one's body.

Yuan Hui resisted it with all his might. He wanted to fight back the sin with his strength and suppress it. However, his soul seemed to be contaminated. He could not suppress it at all.

He looked at Liu Sanniang coldly.

Like an unwavering mountain that suddenly collapsed, his face turned ferocious, and he could no longer remain calm. "I want you dead!"

Yuan Hui threw his prayer beads at Liu Sanniang. The prayer beads broke, and a surging black aura drowned Liu Sanniang.

Xu Ran and Xu Qing quickly retreated. The black aura was filled with sin and must be avoided. They did not expect Yuan Hui to suddenly tear off his mask with the determination to die.

On instinct, Wu Changxian quickly walked to a safe distance.

Seeing that Chu Yan still did not move, Wu Changxian could not help but urge. "Young Master Chu..."

Chu Yan stood quietly beside Liu Sanniang as if he did not hear him. Soon, he was engulfed by the thick black aura.

The black aura quickly filled the entire torture chamber, forcing Wu Changxian to retreat outside.

The black aura filled the entire torture chamber but did not spread out. No one could see what was going on inside.

Yuan Hui could not suppress the sin, and it was devouring him and corroding his internal organs but he was unwilling to die like this. He hated Liu Sanniang.

He had no way out. Since he was going to die either way, he would fight her to the death.

Even if Liu Sanniang did not die, once she was contaminated by the black aura, she would still experience the pain of rotting.

In short, he would not let her have an easy time.

Yuan Hui had already fallen to the ground weakly. Thick black aura emitted from his body. When his wrist was grabbed, Yuan Hui was shocked.

Liu Sanniang released her power and invaded Yuan Hui's consciousness.

Yuan Jun's eyes were filled with hatred. "Why? Why?"

Why wasn't she contaminated by the sin? He could feel that her power was so abundant that he had no defense against it.

If not for this sin, he might have been able to resist Liu Sanniang. However, now, in front of her, he was like an ant on the ground to be trampled at will.

Yuan Hui suddenly widened his eyes. He understood everything now. He gritted his teeth and said fiercely, "You foresaw all of this happening long ago, right?"

He thought that he was using Liu Sanniang to get rid of the shame, but in fact, Liu Sanniang had already figured out what to do to deal with him.

Yuan Hui felt a gush of blood in his throat. He swallowed it down.

He had never done evil in his life. There was only one thing he did wrong. A moment of greed created a mistake that could never be made up for.

If Xu Lin never existed, he wouldn't have to pay the price. Madam Xu would never have known about it either.

Yuan Hui gritted his teeth. He was extremely unwilling to die.

Liu Sanniang said slowly, "You were wrong from the beginning."

Liu Sanniang could access Yuan Hui's memories, but she also sensed that there was a force devouring Yuan Hui's memories at the same time.

The black figure gradually became blurry. The small figure looked at the black figure with extreme desire and said passionately, "I also want to become an immortal. I will devote myself to cultivation and become a monk. I beg you to give me unlimited power and let me become an immortal."

"Alright, extend your hand. If you enter the Buddhist sect, you will definitely become an eminent monk."

The black figure reached out, and the small figure immediately placed his hand on it. He felt an incomparably pure power surging into his body.

He thought that after entering the Buddhist sect, he was free from any human desires and would soon become an immortal. It was only when she appeared in front of him that the sprout of lust seemed to come alive.
