

## Lucky Bride 516

### 516 Take Back What's Yours

Liu Sanniang held Qing Mei up. "Let's go."

Qing Mei didn't expect Liu Sanniang to agree so readily. She was overjoyed. "Really?"

Chu Yan had already brought the carriage over. After getting on the carriage, Qing Mei explained the situation roughly with tears in her eyes.

After returning from the banquet last time, Zhang Shuangshuang fell ill and kept taking medicine intermittently. Zhang Heng even said that she was pretending because Zhang Yufei also fell into the water, but she was fine.

Zhang Shuangshuang dragged her sick body to see Zhang Heng but he couldn't even be bothered to ask about her health. He told Zhang Shuangshuang that Li Jing liked Zhang Yufei and that he would come to cancel the engagement with her!

Zhang Shuangshuang quarreled with Zhang Heng on the spot and said that the engagement was set when her mother was around. She did not do anything wrong and would never agree to have the engagement canceled!

If the engagement was broken, her life would be ruined.

Zhang Heng was so angry that he slapped Zhang Shuangshuang. She fainted, and Zhang Heng scolded her for being insensible and unfilial...

Qing Mei cried as she spoke. Since that time, Zhang Shuangshuang couldn't get out of bed and couldn't even afford to invite a good doctor. On the other hand, the doctor which Zhang Yufei had was very skilled, and she had tonics to nourish her body. Naturally, she recovered quickly.

After saying that, Qing Mei looked at Liu Sanniang. "Miss Liu, if you can't help my Miss, can I be your maid? That way, I can pay a good doctor to treat my Miss."

Liu Sanniang smiled. "No need."

When they arrived at the back door of the Zhang mansion, Qing Mei invited Liu Sanniang in.

She looked at Chu Yan and said awkwardly, "Miss Liu, can this young master wait outside? If a man enters Miss's boudoir, Second Madam and Master will have even more reason to make things difficult for Miss."

Chu Yan frowned slightly, looking a little unhappy.

Qing Mei lowered her head and did not dare to look at him at all.

Liu Sanniang squeezed Chu Yan's palm. Sensing the displeased look on Chu Yan's face, she tiptoed and kissed his cheek. "Wait for me."

Chu Yan said dotingly, "Ok."

Liu Sanniang went in with Qing Mei. Her face was slightly red at the thought of her bold action just now...

If not for the fact that Qing Mei lowered her head, she wouldn't have dared to do that.

Qing Mei was worried about Zhang Shuangshuang and did not know what had happened. When she heard Chu Yan agree, she heaved a sigh of relief.

Her heart was filled with gratitude. He looked so difficult to talk to, but it was actually not the case. Compared to the Zhang family, he was much, much better.

When they entered the room, Qing Mei immediately went forward to wipe Zhang Shuangshuang's face.

Zhang Shuangshuang's face was red, and her lips were dry and cracked.

Liu Sanniang sat down on the edge of the bed and grabbed Zhang Shuangshuang's hand.

Her red face gradually improved, and her burning body cooled off. She began to sweat.

Qing Mei's worried expression turned into joy. In her eyes, Liu Sanniang was almost like an almighty immortal.

Zhang Shuangshuang opened her eyes with difficulty and was stunned when she saw Liu Sanniang. "Miss Liu, thank you."

Liu Sanniang had saved her again.

The warmth replaced coldness and spread throughout Zhang Shuangshuang's body. At this moment, Zhang Shuangshuang wanted to cry.

Liu Sanniang retracted her hand. Zhang Shuangshuang looked at Liu Sanniang, wanting that warmth to linger a little bit longer. "Miss Liu, can you save me?"

Zhang Shuangshuang was on a cliff. If she was not careful, she would fall down. Her mother, the only one who could protect her, was dead. From then on, she hadn't felt any warmth.

Zhang Shuangshuang looked at Liu Sanniang with anticipation. Because of her trust in Liu Sanniang, she revealed her most vulnerable self to Liu Sanniang. She needed help!

Liu Sanniang looked at Zhang Shuangshuang. "You have enough ability to save yourself."

Zhang Shuangshuang grabbed Liu Sanniang's hand excitedly. "Miss Liu, I don't. If I had the ability, I wouldn't be in such a state... I can't even afford a doctor..."

She had suffered all kinds of humiliations. Her father no longer cared about her. Even if she went to complain to him, she would only be scolded and chased out.

Liu Sanniang looked at Zhang Shuangshuang calmly and said, "Your face shows that you'll be rich. Your father is the key to relieve your suffering."

Zhang Shuangshuang looked into Liu Sanniang's eyes and slowly said with a sigh. "He's the man my mother loved. When my mother was still around, he was a very good man..."

Since she had always remembered how good her father was to her mother, even if she was disappointed countless times, she still had some hope for her father.

Qing Mei went forward and hugged Zhang Shuangshuang. "Miss..."

Liu Sanniang said calmly, "But you're not the eldest daughter, right?"

If he was really a good man, why would he let another woman give birth to an eldest daughter?

Zhang Shuangshuang pursed her lips and did not speak. Her tears fell drop by drop. She was born to the first wife, but she wasn't the first child. The last bit of hope in her heart dashed, and she felt hurt.

Zhang Shuangshuang looked up at Liu Sanniang. "Can I do that? Will my mother blame me if she's alive?"

Liu Sanniang smiled faintly. "If your daughter is in such a situation, will you blame her?"

Zhang Shuangshuang was stunned. She opened her mouth but did not know what to say. Of course not. If her daughter was in such a situation, she only hoped that she could take back everything that belonged to her. How would she blame her?

Liu Sanniang stood up. "Goodbye."
