

## Lucky Bride 520

### 520 I Just Want To Tell You

Zhang Shuangshuang swallowed the lump in her throat as well as the scream that was about to come out of her mouth.

She was originally in pain, but when she heard Su Yanyu's words, she did not seem to be in so much pain.

Su Yanyu was right. If crying was useful, everyone in the world only needed to cry to solve their problems.

Seeing that Zhang Shuangshuang was no longer sobbing, Su Yanyu continued. "If you cry like this now, when you find out that the Li family plans to let Li Yuntian marry you, you'll cry yourself to death."

Zhang Shuangshuang's eyes were red. "My father told me about this just now."

Su Yanyu nodded in understanding. No wonder she was crying so sadly.

Su Yanyu said, "Li Yuntian is not a good person. He eats, sleeps, and gambles. He's not capable, but he's very good at bullying the weak. In short, if you marry him, your eyes will go blind from crying."

Before Zhang Shuangshuang could break down again, Qing Mei couldn't help but ask anxiously. "Miss, what should we do?"

How could her Miss have a good life in the future after marrying such a husband?

Qing Mei felt that the heavens were too mean to Zhang Shuangshuang.

Su Yanyu looked at Zhang Shuangshuang. "Didn't Miss Liu tell you something in the palace? Miss Liu is never wrong. You must believe her."

Zhang Shuangshuang looked at Su Yanyu. "Is Li Yuntian really that kind of person?"

Zhang Heng had talked about Li Yuntian as if he was the best husband she could ask for and that she should be thankful for it.

Su Yanyu answered disdainfully. "If you don't believe me, you'll know when you marry him. I'm leaving. Do as you see fit. I'm just telling you so that you won't be kept in the dark."

It was impossible for the Li family to speak poorly of their son.

Su Yanyu was about to leave. After all, it was not good for him to stay here for too long. If someone saw him, he would be in trouble.

Zhang Shuangshuang asked him. "Your Lordship, are you very familiar with Miss Liu?"

Speaking of which, Liu Sanniang had already saved her twice and even pointed out a way for her, but she was hesitating.

Su Yanyu immediately patted his chest. "Of course."

Zhang Shuangshuang said, "To be honest, Your Lordship, I've already seen Miss Liu."

Su Yanyu looked at Zhang Shuangshuang. "Then let me put it this way. Miss Liu has probably told you what to do. If you don't listen and end up in a sorry state, don't blame anyone else. You made the decision yourself."

Su Yanyu walked out and left quickly.

Zhang Shuangshuang wiped her tears. "Qing Mei, come with me."

Qing Mei wiped her tears and nodded.

Zhang Heng had given Zhang Shuangshuang three days to think about it, but in fact, he never thought that his docile daughter would go against him.

Zhang Shuangshuang stood outside the courtyard and knocked gently. The door opened and a big black head appeared in front of the two of them.

Qing Mei was so frightened that she quickly bit her hand to prevent herself from screaming out.

General Black stepped aside. After Zhang Shuangshuang entered, General Black closed the door.

Liu Sanniang said calmly, "Come in."

Zhang Shuangshuang looked at the small courtyard with mixed feelings. She felt that Liu Sanniang was really capable, but the place where she lived... was surprisingly humble.

Zhang Shuangshuang walked into the main hall. Liu Sanniang pointed to a chair, and Zhang Shuangshuang sat down.

Liu Sanniang poured her a cup of fruit tea.

Zhang Shuangshuang held her teacup and said after a while, "Miss Liu, if I didn't do that, would I really end up marrying Li Yuntian?"

Zhang Shuangshuang thought that Liu Sanniang might not know who Li Yuntian was, so she explained. "Li Yuntian is the third young master of the Li family."

Liu Sanniang looked at Zhang Shuangshuang. "As long as you accept it, your fate will change."

Zhang Shuangshuang's heart was already riddled with holes, but she still had a little hope that things would change. However, sometimes, the fact that they were a family didn't mean that they were fated to be a family.

Zhang Shuangshuang pursed her lips and felt a lump in her throat. "Thank you, Miss Liu. I understand."

Liu Sanniang told her calmly, "Some fates don't end only by death."

Whether it was parents or husband and wife, when one decided to end the relationship, fate would end there for them.

Zhang Heng did not care if Zhang Shuangshuang was suffering or not. Their father-daughter relationship was already over.

Zhang Shuangshuang replied in a low voice. "Thank you, Miss Liu. I understand."

Zhang Shuangshuang stood up and was about to leave when Liu Sanniang said calmly, "Drink some tea before leaving."

Zhang Shuangshuang took a sip of tea. There was a fragrance of fruits. It was slightly sweet.

Zhang Shuangshuang put down the cup. "Thank you."

With that, she left.

Chu Yan walked in and sat down, taking the fruit tea from Liu Sanniang.

Liu Sanniang asked softly. "Chu Yan, why aren't you curious about what Zhang Shuangshuang will do?"

Chu Yan looked up at Liu Sanniang. "She chooses what she wants to do."

Some people would choose the right one, and others would choose the wrong one.

There was evil and good in the world. It was fine as long as there was no imbalance between the good and evil.

Liu Sanniang nodded noncommittally. She drank her tea and felt that she had gained some weight.

After Zhang Shuangshuang returned to the mansion, she did not cry again.

She had three days to consider.

The next morning.

When Zhang Yufei brought the servant girl over, she had a smile on her face. She went straight into the house. Qing Mei was combing Zhang Shuangshuang's hair.

Zhang Yufei glanced at her. "Congratulations, Second Sister. From now on, we'll be sisters-in-law. Second Sister, you're really lucky. Father really dotes on you."

The jewelry on the dressing table was very shabby. One could count it with one hand.

In Zhang Yufei's eyes, Zhang Shuangshuang was no match to her. She did not even have to make a move before she trampled Zhang Shuangshuang under her feet.

Although she did not treat Zhang Shuangshuang as an opponent, the fact that Zhang Shuangshuang was still alive was an eyesore to her. Zhang Yufei knew what Zhang Shuangshuang yearned for, so she came to poke at her sore spot intentionally.

Zhang Shuangshuang's face was pale. Qing Mei could not help but retort indignantly. "Eldest Miss, you are going too far!"

Zhang Yufei raised her eyebrows. "How am I going too far? I'm here to congratulate my Second Sister."

Zhang Shuangshuang looked at Zhang Yufei. "Father said that he would give me three days to consider."

Zhang Yufei covered her mouth and chuckled. "That's true, but you will definitely not be so heartless as to disappoint Father, so he has already sent a message back to the Li family to say that he agrees to the proposal."
