

Lucky Bride 521

521 I Won't Agree Or Accept It

Zhang Shuangshuang refused to believe it. "I haven't agreed yet. How can he agree?"

She had really thought that her father would keep his promise of giving her three days to consider. However, she did not expect that Zhang Heng did not even give her this last bit of dignity.

Zhang Yufei smiled. "Second Sister, this is your good fortune. Why would you push it away? If you don't marry Li Yuntian, you'll die a spinster. You're at a good age right now. Father is doing this for your own good."

Zhang Shuangshuang thought that she would cry from anger, but when she saw the smugness on Zhang Yufei's face, she did not feel that bad. It was as if all of this was supposed to happen. Perhaps she had already expected it, so when it really happened, she did not feel that sad.

Her heart would still hurt, but she would not break down so easily.

She suddenly felt relieved.

Zhang Shuangshuang looked at Zhang Yufei. "I already know the news. Can you leave now?"

Zhang Shuangshuang did not cry, which surprised Zhang Yufei. She liked to see Zhang Shuangshuang in extreme pain. She liked to see her disappointed and sad.

The engagement had been broken off and she was forced to marry someone else. This was undoubtedly a torture for her. Zhang Shuangshuang should be crying in pain, but instead, she looked indifferent, making Zhang Yufei very dissatisfied and uncomfortable.

"Second Sister, I'm really happy to be your sister-in-law in the future. It turns out that the heavens have arranged everything. Although Second Sister is not fated to be with Li Jing, you are fated with the Li family. In the future, Second Sister, you have to call me sister-in-law."

Zhang Yufei smiled smugly. She did not see anything she wanted to see and felt uncomfortable. She thought that it was because the goading was not enough, so she went on being mean.

No one would be able to stand this humiliation.

Zhang Shuangshuang looked at the arrogant smile on Zhang Yufei's face. She still felt terrible, but that was all. She even knew that Zhang Yufei said this on purpose to goad her and see her cry and make a fool of herself.

This had happened many times since she was young.

After her mother died, she no longer had anyone to love her. She looked at her father, who used to love her very much, hugging Zhang Yufei. He looked so gentle. She was so envious and wished that her father could give her a hug. She did not ask for much. She just needed to be touched with love.

However, Zhang Heng never looked at her. In fact, he even completely forgot about her existence.

Every time, she was hurt and couldn't help but cry. The pain would be revealed in her eyes and on her face, making it easy for others to tell how sad she was.

Every time, the sadder she was, the happier Zhang Yufei would be.

It turned out that after she stopped crying, Zhang Yufei wouldn't be able to smile either.

Zhang Shuangshuang said calmly, "I understand. You can leave now."

After thinking it through, Zhang Shuangshuang's expression became calmer and calmer. She looked at Zhang Yufei calmly and saw the disbelief on her face. Zhang Shuangshuang smiled. "Thank you for coming to tell me about it."

Zhang Yufei could not believe what she was seeing. Zhang Shuangshuang was not sad or crying after being dealt a blow. She even smiled!!

Zhang Yufei felt terrible.

"Eldest Sister, aren't you leaving yet? Do you want to sit down and chat with me?" Zhang Shuangshuang took a deep breath and asked calmly.

Zhang Yufei frowned and forced a smile. "I was worried that Second Sister wouldn't like the marriage arrangement. I didn't expect Second Sister to like it so much. That's really great."

After saying that, Zhang Yufei left impatiently.

She felt that Zhang Shuangshuang was just pretending. When she would get to know what kind of person Li Yuntian was and that she would not have a good life after marrying him, she would be devastated.

In any case, she did not need to argue with Zhang Shuangshuang about this. She had already won.

After thinking it through, Zhang Yufei felt better.

Zhang Shuangshuang watched as Zhang Yufei left and calmed down. It turned out that after enduring the pain until she was numb, she would be relieved. If her father did not love her, so be it.

Zhang Shuangshuang reached out and looked at her hands. Her hands were slender and long. She had already grown up. She was no longer a little girl. She had also thought it through. She no longer hoped for anything that was not hers.

Qing Mei looked at Zhang Shuangshuang. She was also affected by Zhang Shuangshuang's calmness and said in a composed manner, "Miss, you still have me!"

Zhang Shuangshuang's heart warmed. She looked at Qing Mei. "I know. You've always been there with me."

Qing Mei nodded. No matter what happened, she would be by her side.

Zhang Shuangshuang looked at Qing Mei. "If we can't stay in the capital, we'll leave the capital. The world is so big, there must be a place where we can stay."

Qing Mei was surprised that Zhang Shuangshuang wanted to leave, but this was Zhang Shuangshuang's choice. She was willing to follow her. Qing Mei nodded heavily. "Alright, I'll go wherever Miss goes."

Zhang Shuangshuang smiled.

Three days passed quickly.

Zhang Shuangshuang went to the main courtyard. In the past, she would be nervous. This time, she was very expressionless.

You Xuerou and Zhang Heng were sorting out the gift list. It was a good thing that the Left Censor-in-chief and the Right Censor-in-chief became in-laws. Li Jing was the eldest son and was valued. Zhang Yufei was the eldest daughter and was also valued, so the wedding naturally had to be grand.

Zhang Shuangshuang came. After bowing, she stood up. Zhang Heng glanced at her. "After breaking off the engagement with Li Jing, you can start seeing Third Young Master Li."

After saying that, Zhang Heng stopped looking at Zhang Shuangshuang.

Zhang Shuangshuang said calmly, "Father, you gave me three days to consider."

Zhang Heng frowned. "What's there to consider? It's already a blessing that you can get married. Don't be greedy. It wasn't easy to get Third Young Master Li to agree. Just wait to get married."

Zhang Heng was a little impatient. The way he looked at Zhang Shuangshuang became stern and disgusted. "Stay at home and wait to get married. If you can't behave yourself, someone will teach you."

He was already kind enough. If she still didn't appreciate his kindness, someone would teach her. However, she would have to pay a painful price.

Zhang Shuangshuang looked at Zhang Heng calmly.

She had already expected this to happen. Although she still felt a little uncomfortable, it was only a little. She said flatly, "Father, you said that you would give me three days to consider. I've thought it through. I don't agree with this. Whether it's the marriage or the engagement cancellation, I won't agree or accept either."
