

## Lucky Bride 532

### 532 Smashing The Fox Nest

Su Yanyu only sensed a stench entering his nose. When he inhaled it, he wished he could retreat dozens of feet away.

He could not even imagine marrying a fox demon who had this smell all over her.

He thought that the fox demon wanted to eat him after capturing him. It turned out that she wanted him to be her husband. However, at the thought of marrying the fox demon, he felt that he might as well be eaten.

The fox demons continued. "When you see our Miss, you will know that she is definitely worthy of you."

Su Yanyu still wanted to save himself. "It's not a matter of being worthy or not. It's just that we are different species. I'm just an ordinary person. I also hope that my wife can be a human. I've never thought about marrying other species. A forced marriage can not be sweet. Do you think... that makes sense?"

The fox demons ignored Su Yanyu's begging and smiled. "We all know what kind of a person you are. When you see our Miss, you'll know. You definitely won't regret it."

Su Yanyu shouted in desperation. "No, I refuse..."

In this dark place in the middle of nowhere, it was useless for him to shout.

The fox demons ignored Su Yanyu's begging and continued to persuade him. "You haven't seen our Miss yet. When you see her, I'm afraid you'll be mesmerized by her. You definitely won't refuse. Our Miss also likes handsome young men like you the most. Don't feel so smug. Our Miss might not even like you."

Su Yanyu wanted to cry. "If she doesn't like me, can I leave?"

He asked for nothing other than not being liked by her.

The fox demons smiled. "Of course she will like you. You're different from the others. Don't worry."

Su Yanyu twisted his bound body. "Help..."

"Why don't you know what's good for you? I've tried to persuade you, but you still don't know what's good for you. You're really annoying. Don't you know that it's very disturbing in the middle of the night to scream like this?"

A male fox demon stuck his tail into the sedan chair, emitting a foul smell. Su Yanyu was almost knocked out by the stench.

Liu Sanniang was amused and quickly followed.

Liu Yuanyuan was puzzled. "Venerable Liu, do you know that person?"

Liu Sanniang nodded. "Yes."

Liu Yuanyuan couldn't help but look at Chu Yan. "Venerable Chu, who is that fool?"

Chu Yan said calmly, "The only son of Marquis Su in the capital, Su Yanyu."

Liu Yuanyuan was enlightened. "Oh, a rich young master! I understand, I understand."

As a snake with eyes, she had to be observant. From the moment Chu Yan saw Su Yanyu, his expression did not look good. Clearly, he didn't like this fool called Su Yanyu to approach Liu Sanniang.

Chu Yan nodded slightly in agreement.

Liu Yuanyuan knew that Liu Sanniang wanted to save Su Yanyu. She transformed into her human form and followed Liu Sanniang. "Venerable Liu, I'll take the lead. Let's destroy this fox clan in one go."

There was no need to talk nicely to a fox clan that kidnapped people.

Liu Sanniang nodded. "Alright."

They followed the fox demons into a cave. The cave was not big, but it was a completely different world inside. As soon as they entered the cave, they could see many foxes jumping up and down.

"You idiots, you didn't even know that you are being followed."

With a sharp voice, a fox with yellow fur swiped its sharp claws at Liu Yuanyuan, who was in the lead.

Liu Yuanyuan was not to be outdone. She immediately revealed her true form and whipped its tail. The tail quickly wrapped around the half-human, half-demon fox. The fox was strangled so hard that it stuck out its tongue.

The fox demons carrying Su Yanyu put down the sedan chairs and joined the battle.

Liu Sanniang chanted the scriptures softly, and a layer of Buddhist light surrounded her body. When the fox's claws touched her, they burned and the fox retracted.

Chu Yan picked up a stick from somewhere and beat whoever was approaching.

When Su Yanyu woke up and saw Liu Sanniang, he immediately shouted. "Miss Liu, save me."

A silver figure flashed past. Su Yanyu screamed and felt his throat being grabbed by a claw. He leaned against the fur. The fur didn't stink, but it didn't smell good either. He wanted to vomit.

"Stop. If you move again, I'll kill this person."

Hu Yu shouted. The foxes stopped as well. Liu Yuanyuan let go a little, but the fox demon that was entangled by her tail could not break free.

Liu Yuanyuan said, "If you dare to make a move, this nest of foxes can forget about living. Let's see who's bolder."

Liu Yuanyuan's expression was cold, as if she did not care about Su Yanyu's life at all.

Su Yanyu felt that the claws were about to cut open his throat. He was immediately afraid. "No, no, no. Miss Liu, save me."

Before Liu Sanniang could speak, Liu Yuanyuan continued. "What are you shouting for? Isn't it glorious to exchange your life for this nest of foxes. All of them have cultivated for a hundred years. Your death is definitely worth it."

Su Yanyu was stunned. After thinking about it carefully, he felt that what Liu Yuanyuan said made sense. "That sounds right."

Hu Yu was so angry that she took a deep breath. "What do you want?"

Liu Yuanyuan tightened her tail. Liu Sanniang heard Liu Yuanyuan's voice in her mind. "Venerable Liu, please forgive me for being rude just now. Demons are so unreasonable. If we don't threaten them, they won't even be bothered to negotiate with us. That's why I did this. Now that Miss Hu is willing to talk, you can talk to her."

If she wanted to stay by Liu Sanniang's side, she had to let Liu Sanniang see that she was really useful.

Liu Sanniang looked at Hu Yu. "Let him go."

There was a faint Buddha light on Liu Sanniang's body. The foxes were a little afraid of her.

They had never met someone like Liu Sanniang who could injure them without using the peach wood sword or talismans. Hu Yu was also sizing up Liu Sanniang. She knew that once she let her go of the hostage, she would be at a disadvantage.
