

Lucky Bride 533

533 This Snake Is Not Afraid Of Death

Although she did not have much advantage right now, having someone in her grasp was better than having no one in her hand. Hu Yu grabbed Su Yanyu tightly. "Who are you? Tell me your name."

Liu Yuanyuan spat at her. "Do you want to know my Venerable's name so that you can seek revenge? Looks like there's no room for negotiation."

Liu Yuanyuan tightened her grip again. The fox demon's eyes immediately widened, and she let out a painful scream for help.

Hu Yu gritted her teeth and pushed Su Yanyu down. "Snake, let go of her. I didn't say that we couldn't negotiate."

In Hu Yu's eyes, her clansmen were naturally more important. It was not worth the while to lose her clansmen for an ordinary human.

Liu Yuanyuan stood behind Liu Sanniang. Su Yanyu was let go and quickly hid behind Liu Sanniang. He considered himself to be lucky. If he had not been saved, he would have entered the bridal chamber with the fox. Just thinking about it made him shiver.

The foxes all stood behind Hu Yu. A male fox demon rubbed his shoulders. "Miss, I'm sorry. It's all our fault for being careless."

Initially, they were instructed to bring back the man, but in the end, they brought along a group of mysterious people.

Hu Yu was angry, but she could not blame her fellow clansmen. She looked at Liu Yuanyuan and immediately understood that Liu Yuanyuan was not the master. The real master was this young and calm woman. Hu Yu said, "Miss Liu, I have already let him go. You can leave now."

Hu Yu looked at Su Yanyu, who was behind Liu Sanniang, and gritted her teeth, thinking that she would surely catch him next time.

Liu Sanniang looked at Hu Yu. "Is there a flood dragon on this mountain?"

Hu Yu's expression changed. She rolled her eyes. "What good will it do to me to tell you?"

Hu Yu looked at Liu Sanniang and continued. "It's not impossible for me to tell you, but you have to give me some of your blood."

If Liu Sanniang's blood was used to refine weapons, it would be poisonous. The blood of some masters was good stuff. Their cultivation had been integrated into the blood.

How could Liu Sanniang not know what Hu Yu was thinking? Before she could reply, Liu Yuanyuan beat her to it. "Are you going to tell or not? If not, I'll kill these stupid foxes. I can't kill you, but these foxes are nothing to me."

Hu Yu was so angry that her face distorted. She spat at Liu Yuanyuan.

Liu Yuanyuan's voice entered Liu Sanniang's mind. "Venerable, let me deal with her first."

It was a good opportunity to vent her anger and let Liu Sanniang see her true ability.

Liu Yuanyuan immediately pounced on Hu Yu. She slapped her tail, and Hu Yu jumped around. Her sharp claws scratched Liu Yuanyuan's body, leaving a bloody mark.

Su Yanyu was dumbfounded. "This, this is a snake demon?"

He looked at the scales on the black snake's body and thought to himself. 'Ah, this girl is really fierce!'

Liu Yuanyuan's cultivation was not as high as Hu Yu's.

Hu Yu had at least 300 years of cultivation while Liu Yuanyuan only had 100 years of cultivation. But after obtaining the flood dragon body, though her cultivation did not increase, her true snake form had grown. She still tried her best to entangle Hu Yu.

Hu Yu almost ruined Liu Yuanyuan's true body with her claws, but Liu Yuanyuan refused to let go.

Hu Yu gritted her teeth. "If you continue like this, you'll die."

Liu Yuanyuan replied coldly. "You won't live either."

It was not a loss to exchange a life for a life.

Hu Yu finally gave in. "Alright, alright, alright. I lost. I'll tell you everything I know."

Hu Yu retracted her hand, and her sharp claws turned into slender fingers instantly.

Liu Yuanyuan also let go of her. Dressed in a black dress, she returned to Liu Sanniang's side with a cold expression. "Venerable Liu, you can ask now."

Liu Sanniang gently placed her hand on Liu Yuanyuan's body. A warm force entered Liu Yuanyuan's body and repaired her wounds.

Liu Yuanyuan's expression was comfortable. "Venerable Liu, you're really good to me."

Why was this power so warm and comfortable?

Hu Yu widened her eyes in surprise. She was also covered in injuries.

However, no one healed her. Although she did not know what Liu Sanniang had given Liu Yuanyuan, looking at Liu Yuanyuan's comfortable expression, she cried with jealousy. "You're too much. How can you bully me like this?!"

She let the hostage go as she promised, but she didn't get anything in return. She was even beaten up by Liu Yuanyuan. Speaking of which, she was also a little girl.

Hu Yu immediately started crying.

The other foxes quickly comforted her. "Miss, don't cry. We'll avenge you even if we die. If there's really no other way, we'll tell your great-grandmother about it."

As Hu Yu wiped her tears, she looked at Liu Sanniang. Seeing that Liu Sanniang was unmoved, her cries became softer and softer. She was a little angry. What was wrong with this person? Why was she so stubborn?

Liu Sanniang asked calmly. "Is there a flood dragon in Fo Ying Mountain?"

Hu Yu wiped her tears. "Of course there is. However, the flood dragon failed to transcend the tribulation some time ago and has already died. Now, with the flood dragon gone, on the Fo Ying Mountain, our fox clan is the strongest."

Hu Yu looked at Liu Sanniang. "Miss Liu, this snake is your house spirit, right? I think you and I are fated. Do you mind having another house spirit? I'm very easy to keep."

Liu Sanniang looked at Hu Yu. "Where was the flood dragon cultivating?"

"At the source of the stream on Fo Ying Mountain," Hu Yu replied.

Liu Sanniang looked at Hu Yu's face. Demons were different from humans. They did not have good physiognomy. She only felt that there was an opportunity here, so she looked at Hu Yu attentively and slowly said, "In return, I'll reveal one thing to you. Your mother will face a disaster soon."
