

## Lucky Bride 540

540 Scaring Su Yanyu In The Middle Of The Night

Hu Yu felt sad and she drooled even more.

Liu Sanniang was clearly a little girl. Why did she have to bully a fox like this?

Boohoo...

The little fox was sad and crying.

In the end, Liu Yuanyuan ate everything, leaving nothing behind.

Hu Yu endured the lump in her throat and left. She went to the restaurant to eat, but no matter how much she ate, the food didn't taste good. At night, she went to eavesdrop on the wall again, but there was no movement inside. The more Hu Yu thought about it, the angrier she became. She wanted to go in and scare them. Among them all, Su Yanyu seemed to be the easiest to scare.

The snake was fearless. Liu Sanniang was mysterious. That man called Chu Yan didn't look like someone to be trifled with. Only Su Yanyu was a pushover. She would vent her anger on him first.

Su Yanyu lay on the bed, not knowing that he had become a punching bag for the fox.

Not long after he got into bed, Su Yanyu fell into a deep sleep.

In a daze, he felt a furry hand stroking his stomach...

Su Yanyu shuddered. Furry hand... Damn it, what was this??

"Young Master... Hehe, don't look back. I'm afraid I'll scare you."

When her sweet voice entered his ears, Su Yanyu felt a furry body pressing against his back. Su Yanyu's entire body stiffened and he almost cried on the spot. "Don't do anything rash. We're not suitable. I'm not compatible with your race."

Su Yanyu would never forget this furry touch for the rest of his life. Now that Hu Yu was on him, he could instantly remember that unforgettable memory. He broke down. This was too scary and not fun at all.

When Hu Yu heard Su Yanyu's words, she immediately pinched him with her claws. "Hmph, do you think a peerless beauty like me is not worthy of you?"

Su Yanyu immediately explained, "No, no, no... it's me who is not worthy of you."

Hu Yu snorted and scratched Su Yanyu's back with her sharp claws. Su Yanyu was so frightened that he did not dare to move. He cried. "Can you change to someone else? I'm timid and can't withstand a scare."

Hu Yu blew at Su Yanyu's neck. "Your skin is soft and tender. It looks delicious."

Su Yanyu stammered, "No, no, no. I don't taste good. I haven't taken a shower in a long time, and it stinks..."

Hu Yu chuckled. "That's what we foxes like."

With a bang, Su Yanyu felt a strong wind brush against his back. The furry feeling on his back instantly disappeared, replaced by coldness...

Su Yanyu was speechless.

It was another woman he could not afford to offend.

Liu Yuanyuan separated Hu Yu and Su Yanyu with a tail slap. She looked at Hu Yu coldly. "Don't you know whose territory this is? Who gave you the right to enter this place?"

Hu Yu flashed away from Su Yanyu when the wind cut through the air. She looked at Liu Yuanyuan and bared her teeth at her. "Mind your own business."

Liu Yuanyuan pounced on Hu Yu. "I was just wondering where to vent my anger when you came knocking on my door. Today, I'll pluck out all your fox fur."

Hu Yu screamed and engaged in a fight with Liu Yuanyuan.

Su Yanyu retreated to the corner. He wanted to find an opportunity to leave, but this room was not big enough for Liu Yuanyuan and Hu Yu. Soon, there was the smell of blood and fox fur in the air.

"Ahhh, I'll kill you. How dare you pluck my fur? I'll take out your bones!" Hu Yu screamed.

Liu Yuanyuan wrapped her tail around Hu Yu with all her might, while Hu Yu's sharp claws dug into Liu Yuanyuan's skin.

Unable to take the pain, Hu Yu let go and cried. "I lost. You're crazy. You're a lunatic."

Hu Yu was out of breath, and Liu Yuanyuan finally let go of her. Hu Yu sobbed softly. In her human form, she was extremely beautiful. Her clothes were torn, and her hair was in a mess.

Liu Yuanyuan was wearing a black dress and had a cold expression.

Hu Yu glanced at Su Yanyu. "Young Master, why don't you speak up for me? I was just scaring you. I didn't really intend to harm you."

Su Yanyu shivered. "I'm timid. Find someone else to scare next time."

Liu Yuanyuan looked at Su Yanyu and retracted her gaze coldly to look at Hu Yu. "Are you getting lost or not?"

Hu Yu stopped sobbing. "I'll go to your venerable now and ask her to take me in as her house spirit too."

Liu Yuanyuan smiled coldly. "Please, go ahead."

Even if Liu Sanniang took her in, so what? She was the first. Hu Yu had to stand behind her.

Hu Yu immediately flared up. "I know what you are up to. I won't fall for it."

If she went, she would fall into the trap of these people.

As soon as Hu Yu left, Su Yanyu gulped nervously. "Are you alright?"

Liu Yuanyuan was dressed in black and had a cold expression. It was unknown if she was injured.

Su Yanyu was really afraid, but there was also worry and concern in his eyes.

Being stared at by Liu Yuanyuan like this, Su Yanyu did not dare to move. “I-I know you saved me. If you’re injured, I can also bandage you.”

Liu Yuanyuan watched as Su Yanyu stood there stiffly. She said, “I don’t need it. Wear this so that you won’t be targeted again.”

Liu Yuanyuan threw a black jade bracelet at Su Yanyu. Su Yanyu took it in fear and trepidation. For some reason, he felt that the smell of blood in the air seemed to have become stronger.
