

## Lucky Bride 98

### Chapter 98: Karma (Part 2)

Mrs. Yang smiled gently. "Sweet girl, don't believe what that wicked old woman said. Live a good life with my son and don't worry about anything else. The two of you have to support each other and grow old together."

Liu Ju'er's tears welled up and she could not help but cry. She opened her mouth but could not speak.

Mrs. Yang wiped her tears, and Liu Ju'er looked at her. She looked like Granny Zhou, but Liu Ju'er wasn't scared of her and felt warm instead.

Mrs. Yang wiped Liu Ju'er's tears. "Your body is weak. Don't be in a hurry to have children. It'll harm your health. You're a blessed person. I believe you'll live well."

Mrs. Yang knew that she didn't have much time left. She said to Yang Qingshan, "You too. You have to dote on your wife. She's your family now. Don't listen to outsiders' nonsense, understand?"

Yang Qingshan raised his hand to wipe his tears. "Mom, don't worry. I understand."

Knowing that his parents had always been by his side, he felt extremely warm.

Mrs. Yang smiled gently. "I'm relieved. Even if I'm not around, I'll still protect you."

Yang Qingshan nodded, and Liu Ju'er also nodded while crying.

Mrs. Yang wanted to say more. She couldn't bear to leave. However, she was pulled out of Granny Zhou's body by a force. She wanted to possess the body again, but she couldn't. It was as if she and her son were in a different world and would never meet again.

Mr. and Mrs. Yang looked at Yang Qingshan and Liu Ju'er reluctantly and finally walked towards Liu Sanniang.

"Thank you, Miss. I know you can see us. Thank you for helping us fulfill our wishes."

Mr. Yang and Mrs. Yang stood in front of Liu Sanniang. They knew that Liu Sanniang must be able to see them.

Liu Sanniang smiled. After their wishes were fulfilled, they did not belong here anymore.

Mr. and Mrs. Yang also knew that they shouldn't stay. Their son had already grown up, gotten married, and had a family. It was time for them to let go.

If they didn't leave now, they would only make things worse. They had to let go when they had to.

They didn't do anything bad when they were alive. They could have left long ago and did not have to suffer. They were just worried about their son, so they were unwilling to leave his side. Now that they were rest assured, the two of them thanked Liu Sanniang.

Looking back at the familiar house, the couple held hands and left, quickly disappearing.

Only then did Liu Sanniang heave a sigh of relief. If Madam Zhou was smart, she would stop causing trouble. After all, the living were in awe of the dead.

Chu Yan said, "Can we go back now?"

Liu Sanniang immediately stiffened. "Wait a little longer. We'll leave after they leave."

Chu Yan chuckled. "Alright."

Liu Sanniang ignored him and listened quietly.

Madam Zhou's heart was racing. She looked at Granny Zhou who suddenly stopped talking. A suffocating silence descended upon the house.

Yang Qingshan wiped Liu Ju'er's tears. The way the two of them leaned against each other was especially glaring. This was completely different from what Madam Zhou had wanted to see. Not only did she not make the two of them feel estranged, but she even made them become closer to each other.

1

Granny Zhou was silent for a while before she slowly raised her head. She looked at Madam Zhou and her eyes darkened.

Because of being possessed by the dead, her body had deteriorated greatly.

Fortunately, Mrs. Yang wasn't resentful. Otherwise, it would have been worse.

"She's already gone. I'm going back. Come and help me."

Granny Zhou said to Madam Zhou. She was very weak now, so she had to go back quickly. Otherwise, she would fall sick very easily.

It would be a disaster if she fell sick after being in touch with the Yin.

Madam Zhou held back her anger. She looked at Liu Ju'er and Yang Qingshan and seemed to want to flare up, but she held it in as if she was afraid of something.

Madam Zhou went over to help Granny Zhou up and prepared to leave. It was already dark, so they hired an ox cart to go back.

Madam Zhou felt a chill run down her spine.

The moment she went out, she felt even more uncomfortable.

Granny Zhou looked at the two chickens and drooled. However, she seemed to have thought of something and looked away.

Some things could be taken, but some things could not. Although Yang Qingshan was an orphan, he was protected by his deceased parents.

Fortunately, his parents did not have any resentments and only wanted to protect their child.

Granny Zhou leaned her entire weight on Madam Zhou and urged. "Hurry up and go back."

No one was supposed to linger outside during the fifteenth of July as the Yin spirit was very strong.

Liu Sanniang looked at Granny Zhou and could not help but frown. There was some black smoke wrapped around Granny Zhou. Because she was very weak now, Liu Sanniang could see it.

However, Liu Sanniang could not see it earlier. She realized that Granny Zhou was not a liar. She had real power, but she did not use her power well.

Just now, when Mrs. Yang possessed her, Granny Zhou wasn't guarded. If she had been on guard, it wouldn't be so easy to possess her.

The black smoke was induced by sins which Granny Zhou committed. She was a witch and a Daoist nun. If she hadn't done something bad, she wouldn't have been haunted by the black smoke.

Madam Zhou helped Granny Zhou leave. Liu Ju'er had also made a good start in her life, but Liu Sanniang's path had only just begun.

Liu Sanniang watched as Madam Zhou walked away and said, "Let's go back too."

1

Chu Yan replied. "Yes."

It was already dark, but Liu Sanniang felt that it did not affect her at all. Her vision had become very good even in the pitch-black night. She could not help but turn to look at Chu Yan beside her. Chu Yan's vision seemed to be... surprisingly good as well.

As if sensing her gaze, Chu Yan looked at Liu Sanniang and smiled. Liu Sanniang immediately turned to look at the road ahead. Chu Yan said with a light laugh, "The clothes you made are very good."

Liu Sanniang was speechless.

Ahhh, this madman. How dare he, how dare he!

Before Chu Yan could elaborate further, Liu Sanniang already knew what he meant by saying that.

She didn't want to talk to Chu Yan. She hoped that Chu Yan wasn't so shameless as to make that request.

However, Chu Yan said in a low voice, "Make me two sets of clothes."

Liu Sanniang really wanted to stuff a handful of mud into Chu Yan's mouth. This shameless man actually had the cheek to ask for two sets of clothes from her!

This lunatic, shameless lunatic, shameless bastard!
